

Koyuki Watamura, Class of 2027

“Dorm life is definitely my favorite part of MCI, this year we have so many girls in the dorms, I feel like I have so many sisters now.”

My name is Koyuki Watamura, I'm in 11th grade, and I'm from Japan. I don't have any siblings back home, so I really enjoy being with girls the same age as me from all these different parts of the world. I'm actually in a lot of different clubs and activities, the one that means the most to me is cheering. This year I'm excited to be a part of the competition team, I have a lot of friends in cheering that I wouldn't have known if I wasn't part of the team. There are just all different kinds of people here at MCI, at my previous school I had a hard time blending in and being a part of everyone, but here everyone gets to express themselves and be who they want to be.

Favorite Sport: Cheering

Favorite Accomplishment: Winning Manson Essay Contest

Favorite Memory: Home Football Games

Founded in 1866, Maine Central Institute engages a **multicultural student body with diverse abilities and interests** in a rigorous and comprehensive college and career preparatory experience. MCI proudly welcomes day and boarding students who come to Maine for the independent school experience for **grades 9-12 and PG year**.

Boarding and day students engage with one another and strengthen our diverse and global community. Students will learn about different perspectives and cultures while continuing to develop their worldviews.

Maine Central Institute offers the **intimacy of a small New England boarding school**, while also nurturing a large global community of **lifelong learners**. MCI provides a nurturing and challenging community that encourages students to explore their current interests and future potential.

MCI helps students determine their needs and prepares them for whatever road they decide to take.
