

SCHOOL DISTRICT

LEAD WITH **HEART.**  LEARN WITH **PURPOSE.**

Welcome Back

THEN, NOW, NEXT!

Medford Insiders

I hope you had the opportunity to rest, recharge, and spend time having fun this summer.

Whether this is your first Welcome Back or you have attended for decades, our students are excited to have you back, and so am I! Your commitment to our students and to one another is what makes MSD such a special place.

This year's Welcome Back theme will celebrate the journey we've taken together. We'll honor the past (THEN), celebrate who we are today (NOW), and look ahead as we create a future together (NEXT). Every generation of educators and staff has helped shape our district, and each of us has the unique opportunity to influence what comes next.

As we begin a new school year, let's approach each day with heart and purpose.
With appreciation,
Jeanne
