Teachers And Kids for Success After School Tutoring Program

2026 -2027

Dear Parent or Guardian:

The Elizabeth Forward Middle School is dedicated to helping all students succeed. Students may need additional academic support that is not always available during the regular school day.

The program is open to any student needing additional instructional support. This is a great opportunity for your child to have a more structured time and place to do their homework, ask questions, and improve their opportunities for success.

The tutoring program will be available on Tuesdays and Thursdays from 3:00 to 5:00 p.m. (except in the case of a school closing, winter weather conditions, holiday week, or PSSA time). The first day of tutoring begins on **Tuesday, September 22, 2026** and will conclude the first week of May. Students may take the activity bus home at 5:00 p.m. or may be picked up in the Middle School by 4:55 p.m. on the gym side. Please be aware that school rules and expectations will be enforced: students having difficulty staying on task, disrupting the learning environment, or causing issues on the activity bus will be removed from this program.

Please don't hesitate to speak with your child's team of teachers for advice on your child benefiting from this program. Permission forms will be accepted throughout the school year, students are not permitted to stay if we do not have a permission form on file. The permission slip should be turned into their homeroom teacher **on or before Friday, September 18, 2026** for your child to begin the tutoring program on Tuesday, September 22, 2026. Please call (412) 896-2336 with any questions.

Sincerely,

Dr. Anthony Popowitz
