
Half Hollow Hills Central School District

The Half Hollow Hills Central School District equips students with devices to boost their learning experience. To ensure these devices last, let's work together!

Student Responsibility:

- **Care for your device:** Treat it respectfully and avoid any writing, drawing, or stickers.
- **Safe handling:** Gently attach cords and keep food/drinks away from the device.
- **Nightly Charge:** Charge the device fully at home for uninterrupted learning the next day.
- **Tech Support:** Report broken or malfunctioning devices to the tech department at hhtechhelp@hhh.k12.ny.us or bring the device to the school computer para.
- **Please avoid** outside repair vendors for District-owned devices.
- **Safe & Appropriate Use:** We recommend reviewing these guidelines with your child to ensure responsible use.

We are offering optional device insurance through **Worth Ave. Group** to help safeguard your student's Chromebook.

- **Peace of mind:** Insurance covers repairs or replacements for covered damages, protecting your family from unexpected costs.
- **Easy enrollment:** Purchase insurance at the beginning of each school year for year-long coverage. **Please note coverage must be purchased each school year.** See the flip side for full details and exclusions.
