

WINGS WEEKLY

ALBUQUERQUE AVIATION ACADEMY NEWSLETTER

AUGUST 6, 2026

Whether you're new to Albuquerque Aviation Academy or returning for another great year, our Family Information Meeting Video is a great resource! It covers the basics of how AAA works, important procedures, expectations, communication, and other helpful information to help your family start the school year with confidence. We encourage all families to take a few minutes to watch the video.

If you are still having trouble accessing the Parent Square app or messages, please email Mrs. Catanzaro at acatanzaro@abqaviation.com with your student(s) name and grade level from the email you have provided to the school during registration. We will double check that all of the info we have is accurate and fix whatever is preventing you from receiving those messages!

For the safety of all our students and staff, please follow the designated drop-off and pick-up map each day. Your cooperation helps keep traffic flowing smoothly and ensures a safe arrival and dismissal for everyone. Thank you for your support!

Annually, schools must inform families of their FERPA rights. Under the Family Educational Rights and Privacy Act (FERPA), parents and eligible students have the right to inspect and review the student's education records, request corrections of inaccuracies, and consent to disclosures of personally identifiable information, except under certain authorized circumstances. For more information, review the school's full FERPA policy or contact the school office.

Go Guardian Parent Access:

Welcome! Our school will be granting you access to GoGuardian, a mobile app designed to provide parents/guardians insight and control over their student's online activity when on school-managed devices and accounts. First, the GoGuardian Parent app provides an overview of your children's online activity on school-managed devices and accounts - this overview includes the apps, extensions, documents, and websites your student visited. Second, GoGuardian Parent provides you with an additional set of internet controls that you can set for out-of-school hours. GoGuardian Parent was created to help provide students additional educational support and is a companion to the classroom engagement and internet filtering tools that our school uses.

What is included in this app:

- Top 5 overview of your student's online activity
- Any teacher interventions related to your student's online activity
- 30-day overview of your student's online activity
- Ability to block websites on school-issued devices during out-of-school hours
- Ability to pause internet access on school-issued devices during out-of-school hours, either on-demand or at a scheduled time

To access the app, please follow the below instructions:

1. Download the app via Apple Store or Google Play Store
2. After the app is successfully downloaded and installed, open it up and enter the email address registered with the school. Note: If you forgot your registered email address, please reach out to front desk.
3. Login/Check Email: Check your email on your phone for a link to log in to the app. Tap the "Verify your email", and it will take you straight to the app. Note: If you don't have access to your email through the device you used to log in, tap on "Login with verification code", and copy and paste the verification code from the email into the app.

If you have any questions, you can reach us at acatanzaro@abqaviation.com.

Getting Started with ParentSquare for Parents and Guardians

Welcome to ParentSquare! This guide will help you activate your account, find helpful resources, and download the free ParentSquare app so you can start receiving updates from your school.

Activate your ParentSquare account

Your school will send you an invitation using your email address or phone number on file.

1. Open the invitation from ParentSquare in your email or text messages.

2. Click **Activate your account** or tap the link to go to the account registration page.

3. Enter your email or phone number, then click **Get Started**.
(Optional: You can also sign in with Google or Microsoft.)

What Parents Should Know About

GoGuardian® protects your children online.

GoGuardian software helps educators maximize the benefits of using technology in the classroom while minimizing the risks associated with online learning. We created GoGuardian for Admins™ to help schools comply with federal laws such as CIPA* (Child Internet Protection Act), and to provide school administrators with better control over how their technology is being used for learning.

Features include:

Safer Searching

Administrators can easily prevent students from searching for (or seeing) inappropriate material.

Activity Flagging

Helps schools detect potentially dangerous activity, such as self-harm or bullying.

YouTube Filtering

Allows teachers and administrators greater control over which videos students see.

Theft Recovery

Helps authorized school administrators find and recover stolen Chromebooks.

Online Monitoring

Schools have the option to protect and oversee student web activity both on and off campus.

Education Insights

Usage analytics help educators better understand what's working.

Student privacy is extremely important to GoGuardian; we will never sell or share any personal information to unauthorized parties.

Still have questions?

Contact your school administrator for more information, or email us:
Privacy Team: privacy@goguardian.com | Website: www.goguardian.com

*GoGuardian for Admins can help schools comply with federal regulations when fully implemented.
