

Jointly Developed

RCTCM receives Title I funds and jointly develops and revises the School-Parent Compact with parents, staff, and students as part of the school-level Parent and Family Engagement Plan. Meetings are held each year to review and revise the compact based on the school's academic goals and students' needs. Parents may provide feedback at any time during the school year. Visit the RCTCM website or call 706-823-5580 for more information.

Richmond County School System Goals 2026-2027

Student Achievement

Increase content mastery for student groups in tested subject areas on the Georgia Milestones by 3%.

What Is a Compact?

Our annual School-Parent Compact explains how the school, families, and students will work together to support student success. This compact:

- Connects learning at school and at home to academic achievement goals.
- Focuses on student learning.
- Shares strategies that staff, families, and students can use.
- Explains how families and teachers will communicate about student progress.
- Describes opportunities for families to observe, volunteer, and participate.

Our School Mission

Richmond County Technical Career Magnet School is committed to Educating, Inspiring, and Preparing the students today to become the skilled professionals of tomorrow.

Our School Vision

The vision of RCTCM is to provide each student with an abundance of L.O.V.E. (Learning, Opportunities, Values, and Excellence).

Our Belief Statement

"Success is a habit, not a destination. It results from repeatedly working hard, extensive preparation, and learning from disappointments."

Richmond County Vision Statement

The Richmond County School System will provide an equitable education for all students to prepare them for life beyond the classroom.

Richmond County Mission Statement

Building a globally competitive school system that educates the whole child through teaching, learning, collaboration, and innovation.

School Pledge: As a school, we pledge to:

Work as a team with families and students to create an engaging learning environment that prepares productive citizens and lifelong learners. The school will:

- Provide students and families with course syllabi, academic expectations, learning goals, and information about assignments and assessments.
- Provide students and families with timely feedback about grades, assessments, attendance, missing assignments, and academic progress.
- Provide academic resources, interventions, and additional support that students can use at school and at home.
- Maintain regular two-way communication with families through phone calls, email, Infinite Campus, Canvas, conferences, and other approved communication tools.

Student Pledge: As a student, I pledge to:

- Review my course syllabi, academic expectations, learning goals, assignments, and assessment information.
- Review feedback from my teachers and family and use it to improve my grades, attendance, assignment completion, and understanding.
- Use available school and community resources and complete the learning activities needed to reach my academic goals.
- Communicate regularly with my family and teachers and share information about school meetings, events, assignments, and resources.

Parent and Family Pledge: As a parent or family member, I pledge to:

- Review course syllabi, academic expectations, learning goals, assignments, and assessment information with my student.
- Review school feedback and respond to concerns involving grades, assessments, attendance, missing assignments, or academic progress.
- Encourage my student to use available school and community resources and provide support for learning at home.
- Communicate questions, concerns, and updated contact information to teachers and school staff through approved communication methods.

Parent and Family Engagement

RCTCM offers many opportunities for families to participate in their student's education. Check the school website, social media, email, and school messages for announcements about meetings and events. Volunteer training is available for parents and family members who want to assist with school activities or field trips.
