

## Guille Rosano Hernandez-Rodicio, Class of 2026

# "I would recommend this place to anyone,it's just such a great school. You can talk to everyone from the Head of School to the dorm parents, who are always there for us."

The thing that I'm going to remember the most are my friends. The late nights in Al's room or downstairs watching movies, just hanging out and talking about life and getting to know one another, that's what I'm going to miss the most.

I also enjoyed sports, starting with soccer and I can say it was the best season of my life. It was at the beginning of the year so that's when I met a lot of new people and started hanging out with my friends. In the spring, I played tennis, and I loved the sport even more than soccer. The team is great, and the coach is the best person I have ever met here. He's nice and is always encouraging us and making us better. Everyone at MCI is like that.
