July 29, 2026

Dear Parents/Guardians:

The Dobbs Ferry Union Free School District offers an optional insurance plan for District-issued Chromebooks. The plan covers accidental damage, loss and theft with no deductible, and a loaner device will be provided while repairs are completed.

Coverage extends through the 8th grade. Annual insurance costs are:

- 6th grade - \$65
- 7th grade - \$44
- 8th grade - \$30

If your child's Chromebook is accidentally damaged, lost, or stolen, please bring the device (or report the loss) to the Middle School Main Office and complete a Chromebook Repair Form.

Families who choose not to participate in the insurance plan are responsible for all repair or replacement costs. Typical charges range from approximately \$50 for a cracked screen to up to \$300 for a lost, stolen, or irreparable Chromebook.

Enrollment instructions:

1. Return the completed form below with payment to the Middle School Main Office by September 11, 2026. Checks should be made payable to the Dobbs Ferry Union Free School District.

OR

2. Pay online through your student's MyScoolBucks account. Please select the correct option for your child's grade level in September.

Chromebooks will be collected each June and reissued in September.

Should you have any questions please contact the Middle School Main Office.

Sincerely,

Lisa Raymond
Assistant Superintendent for Finance, Facilities & Operations

I choose to participate in the Chromebook insurance plan. Payment of (choose one):

☐ \$65 is enclosed. Student's Name: _____ Grade: _____
☐ \$44 is enclosed. Student's Name: _____ Grade: _____
☐ \$30 is enclosed. Student's Name: _____ Grade: _____
