Edifice Construction

PROJECT UPDATE 5/2026

The scope of the project includes a new Track and amenities for the D4 Stadium - to include an eight-lane competition track, long jump, triple jump, pole vault, high jump, a new scoreboard, and sound system. Also, separate areas for shot put, discuss, and javelin events.

The Building permit was received from the Office of School Facilities (OSF), and all other permits have been finalized. Project bid October 16th. Edifice was the successful bidder. Construction commenced in late February 2025 and final approval from OSF for permission to occupy was received in early February 2026.

The project is 100% Complete.
