

METRO RESA SY 25-26

WHOLE CHILD SUPPORTS

We believe that a strong foundation for academic success and achievement starts with addressing the whole child. Through collaboration with districts, schools, and communities, we work to remove barriers and build capacity, ensuring that every child's academic, behavioral, and well-being needs are met.

BY THE NUMBERS

5,245
EDUCATORS
REACHED

1,307
Participants

VS.

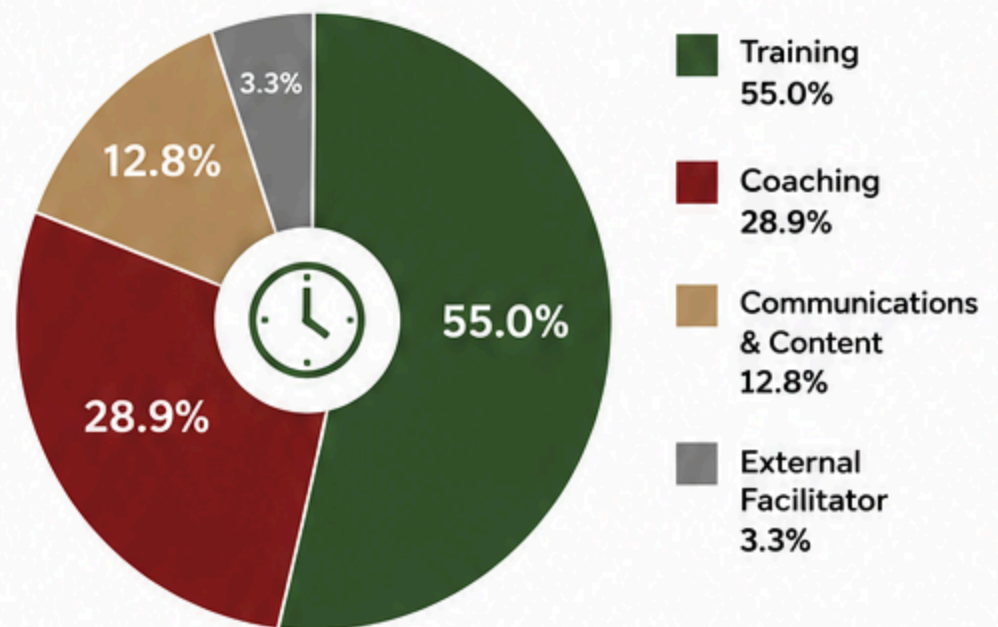

IN-PERSON
215
Events
827.5
Hours
3,938
Participants

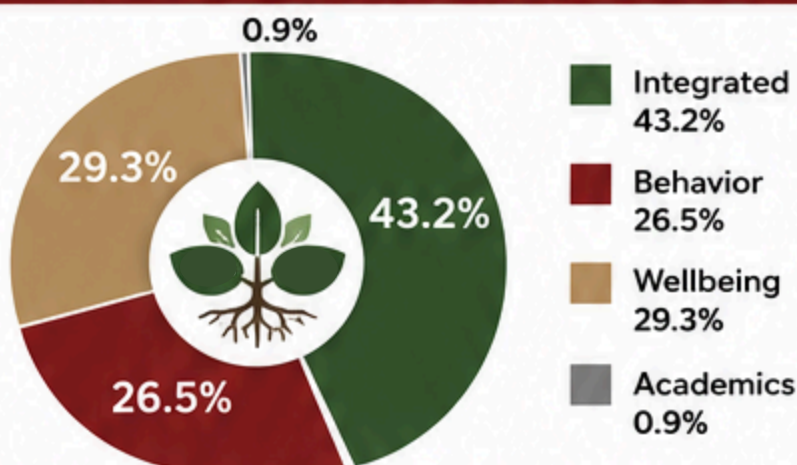

While over half of our events were virtual, in-person engagements accounted for nearly **75%** of all participants and over **70%** of support hours.

HOW WE SPENT OUR TIME (BY ACTIVITY)

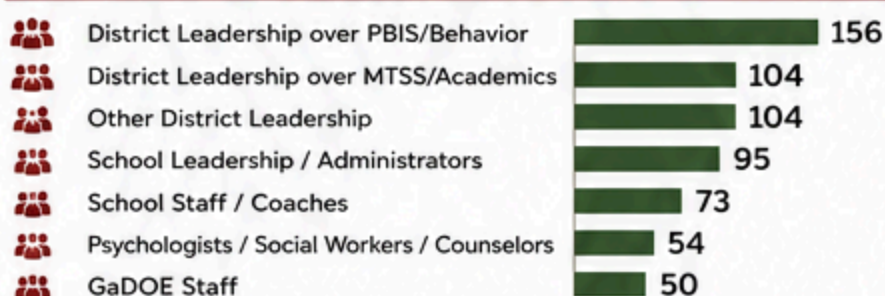

WHAT WE FOCUSED ON (BY CONTENT)

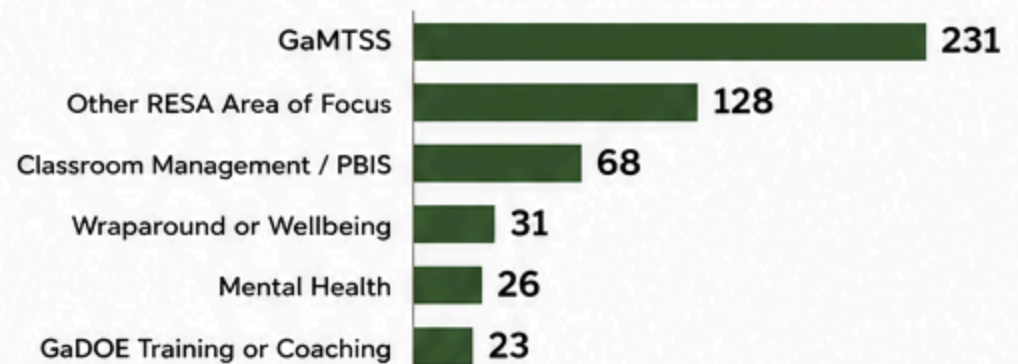

43% of all support was integrated — addressing academics, behavior, and wellbeing together.

WHO WE REACHED (AUDIENCE)

WHAT WE WORKED ON (TOP FOCUS AREAS)

THE IMPACT

Strengthened district and school systems

Built educator capacity

Supported implementation of GaMTSS and PBIS

Advanced whole child outcomes through integrated academic, behavioral, and wellbeing supports
