

Sandra Thuyvy Janiec, Class of 2022

"No matter where I am, MCI and my friends here will always be my American family."

Hi, my name is Sandra, and I am from Poland with Vietnamese parents. Being Polish and Vietnamese helped me relate better with so many international students at MCI. MCI was my home for three years, and I loved everything about it. From the friendly and supportive friends in the dorm and in school, I had the opportunity to study and participate in so many interesting activities like skiing, hiking, shopping, movies, ice skating, playing sports, and many more. My teachers at MCI were always supporting and caring and helped me achieve my academic goals. The MCI community was wonderful to me and I will have some family members coming to join me at MCI in the future.

Founded in 1866, Maine Central Institute engages a **multicultural student body with diverse abilities and interests** in a rigorous and comprehensive college and career preparatory experience. MCI proudly welcomes day and boarding students who come to Maine for the independent school experience for **grades 9-12 and PG year**.

Boarding and day students engage with one another and strengthen our diverse and global community. Students will learn about different perspectives and cultures while continuing to develop their worldviews.

Maine Central Institute offers the **intimacy of a small New England boarding school**, while also nurturing a large global community of **lifelong learners**. MCI provides a nurturing and challenging community that encourages students to explore their current interests and future potential.

MCI helps students determine their needs and prepares them for whatever road they decide to take.
