Persons addressing the board should know that although concerns and requests may be directed to the Board, actions and/or answers to many questions will be deferred either to the Superintendent or future Board consideration. To ensure due process and respect of individual rights, the District maintains a formal process for handling complaints against individuals. A problem involving an individual or specific incident is best handled through administrative channels. Speakers are asked to express themselves in a civil manner, with due respect for the dignity and privacy of others who may be affected by your comments. While it is not our intent to stifle public comment, speakers should be aware that if your statements violate the rights of others under the law of defamation or invasion of privacy, you may be held legally responsible. If you are unsure of the legal ramifications of what you are about to say, we urge you to consult first with your legal advisor.*
