August 3, 2026

Dear Parents and Guardians,

In compliance with the requirements of Every Students Succeeds Act, Stockbridge Middle would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the student's teacher
  - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
  - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and is teaching in the field of discipline of the certification of the teacher.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to request information concerning your child's teacher's and/ or paraprofessional's qualification, please contact the Principal, Yvette Christian at 770-474- 5710.

Sincerely,

Richard Flowers,  
Principal
