2026-2027 State Assessment Schedule

The assessments on this calendar are either state required or used for accountability purposes. All assessments on this calendar require strict adherence to applicable test security measures, all teachers must be trained and sign an oath before administering any assessments listed herein. All state assessments are administered through Cambium using the Texas secure browser. Documentation for these assessments will be collected for audit purposes at the end of the school year. For any questions, please contact the Canutillo Testing, Research, & Accountability Office at (915) 877-7434.
