

MANDEVILLE HIGH SCHOOL

2026-2027 Academic Dual Enrollment General Information

Mandeville High School offers many opportunities for students to earn college credit while taking various high school courses. All academic dual enrollment credit hours are fully transferable to all public universities in Louisiana. A student does not need to attend the partner university in the future in order to claim their DE credit.

Tuition for **12** hours of academic dual enrollment courses are typically covered by state funding for each student **per academic year**. If a student would like to enroll in more than 12 hours of dual enrollment courses per school year, he/she will be responsible for the tuition of the additional hours. If a student chooses to withdraw from a DE course after the partner university's established deadline, the student will be responsible for the cost of the course.

****See course tuition details listed in the chart on the following page. All necessary payments will be made via mypaymentsplus.**

Eligibility criteria: 2.5 cumulative unweighted GPA and an ACT or Pre-ACT score of 18+ in English and/or 19+ in Math.

Southeastern Louisiana University Dual Enrollment Information

[SLU Dual Enrollment Eligibility Criteria](#)

Credits earned are fully transferable to any four-year public university in Louisiana. SLU's drop deadline (student will not be responsible for the fee prior to this date) for the 2026 fall term is August 24, 2026. SLU's withdrawal deadline for the fall term is October 30, 2026. If a student has already dual enrolled with SLU in previous courses, then he/she DOES **NOT** need to apply again online.

Northshore Technical Community College Dual Enrollment Information

Medical Terminology, Spanish, and French dual enrollment courses are offered through Northshore Technical Community College. Credits earned are fully transferable to any four-year public university in Louisiana. NTCC's drop deadline (student will not be responsible for the fee prior to this date) for the 2026 fall term is September 8, 2026. NTCC's withdrawal deadline for the spring term is October 30, 2026.

2026-2027 Career Technical Dual Enrollment General Information

In order to qualify for funding for a TOPS Tech aligned Career and Technical Education (CTE) dual enrollment course, a student must meet all course eligibility guidelines established by the partner institution, Northshore Technical Community College as well as the TOPS Tech Early Start Program.

TTES (Tops Tech Early Start) Eligibility Requirements:

- 11th or 12th Grade Student
- GPA of 2.0 or above
- Score of 15 on Math and 15 on English section of ACT or Pre-ACT

Southeastern Louisiana University Academic DE Courses

2026-2027 Dual Enrollment Application Instructions

All MHS students planning to take at least one **academic** dual enrollment course must complete the following steps:

Step 1: Review all academic DE information and eligibility criteria listed on pages 1-4 and ensure that the student meets the GPA and ACT score requirements for the desired course(s).

Step 2: Complete application

SLU DE Courses: If this will be your first year taking a dual enrollment course(s) through Southeastern, you must fill out the [online application here](#). ***MHS will submit transcripts and test scores on behalf of each student in the beginning of the school year. You can disregard the email reminders from SLU regarding submission of transcripts and test scores.*

NTCC DE Courses: All students pursuing DE credit through NTCC must complete the [NTCC Dual Enrollment Application](#) and return to your dual enrollment teacher within the first 3 days of the course.

Step 3: All students new to DE must print, sign and return the applicable consent form for his/her partner university: SLU Student Consent Form (coming soon) or NTCC Student Consent Form (coming soon) and the SCA Academic DE Fee Letter (coming soon) your dual enrollment teacher within the first 3 days of the course.

All MHS students planning to take at least one **career technical** dual enrollment course must complete the following steps:

Step 1: Review all CTE DE information and eligibility criteria listed on pages 1-4 and ensure that the student meets the GPA and ACT score requirements for the desired course(s).

Step 2: Complete the [NTCC Dual Enrollment Application](#) and the [TTES \(Tops Tech Early Start\) Application](#) and return to your dual enrollment teacher within the first 3 days of the course.

Step 3: All students (new and returning to DE) must print, sign and return the NTCC Student Consent Form (coming soon) and SCA Career Technical DE Fee Letter (coming soon) to your dual enrollment teacher within the first 3 days of the course.
