Fingerprinting Requirements

Section 44830.1 of the Education Code of the State of California requires that: *"In addition to any other prohibition or provision, no person who has been convicted of a violent or serious felony shall be employed by a school district in a position requiring certification qualifications or supervising positions requiring certification qualifications. A school district shall not retain in employment a current certificated employee who has been convicted of a violent or serious felony, and who is a temporary employee, a substitute employee, or a probationary employee..."*

State law* and the Sacramento City Unified Board of Education** require all classified and certificated employees to be fingerprinted within ten working days of their date of employment and before actually beginning their employment. The cost of fingerprinting is to be paid by the employee or volunteer. (*Education Code Section 45125; **Board of Education Policies AR 4212.5[a])

Please note: We do accept ATM or credit cards as payment for fingerprinting services. We also accept cash (exact amount please, we do not have change)

I, the undersigned, have read the above information, have received instructions for fingerprinting, and agree to fulfill these obligations and requirements for completion of my employment or volunteer application. Failure to comply will preclude any employment or result in termination and/or removal from being an active volunteer for Sacramento City Unified School District.
