Toddle Sign-up Guide

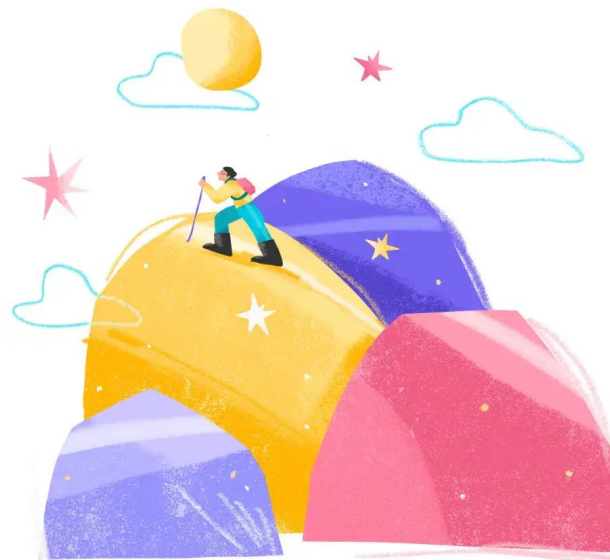

Welcome aboard!

As a family member, Toddle helps you stay connected and actively participate in your child's learning journey.

This guide will cover:

- How you can sign up as a first-time user
- How to sign in subsequently
- How you can add other children to your Toddle account

1A. Sign up as a first-time user on Toddle App

1. Download the Toddle Family App on your mobile device or iPad using the download link below:

[App Store link if you have an Apple device](#)

[Android link if you have an Android device](#)

Students can access Toddle through **PC/laptop** or **phone/ iPad/ Tablets/ Chromebook**

Parents can access Toddle through **phone/ iPad/ Tablets/ Chromebook** or **PC/ laptop**

1A. Sign up as a first-time user on Toddle App

For users in China only

1. Download the Toddle Family App from the App Store (iOS users) or the Play Store (Android users) on your mobile device or iPad:

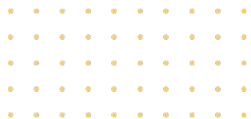

[App Store link if you have an Apple device](#)

[Android link if you have an Android device](#)

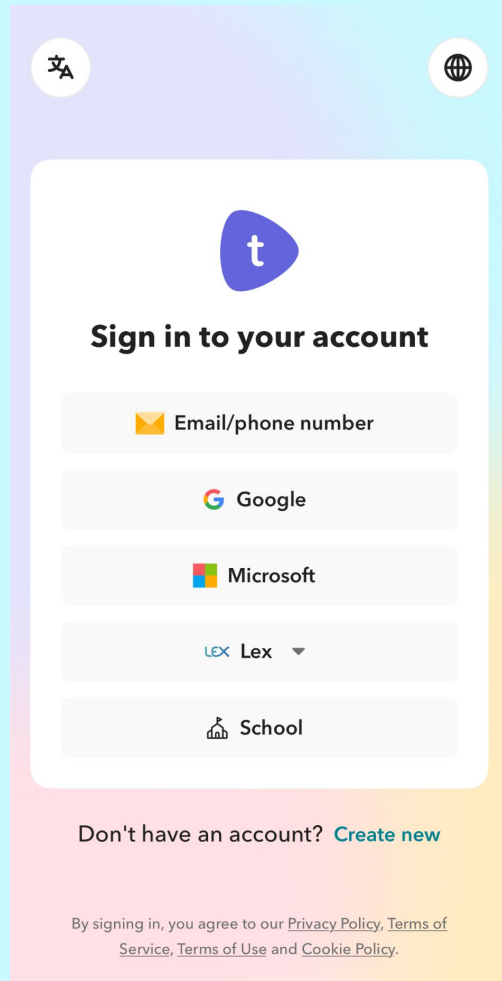

Students can access Toddle through **PC/laptop** or **phone/ iPad/ Tablets/ Chromebook**

Parents can access Toddle through **phone/ iPad/ Tablets/ Chromebook** or **PC/ laptop**

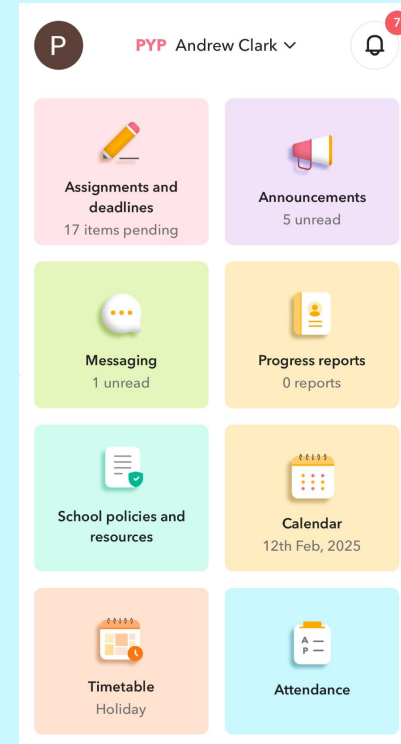

2. Once you open the Toddle Family app, you can sign in to your account by selecting one of the login methods, and adding your credentials.
3. Use the One Time Password (OTP) you receive to complete logging in.

After successfully signing up,

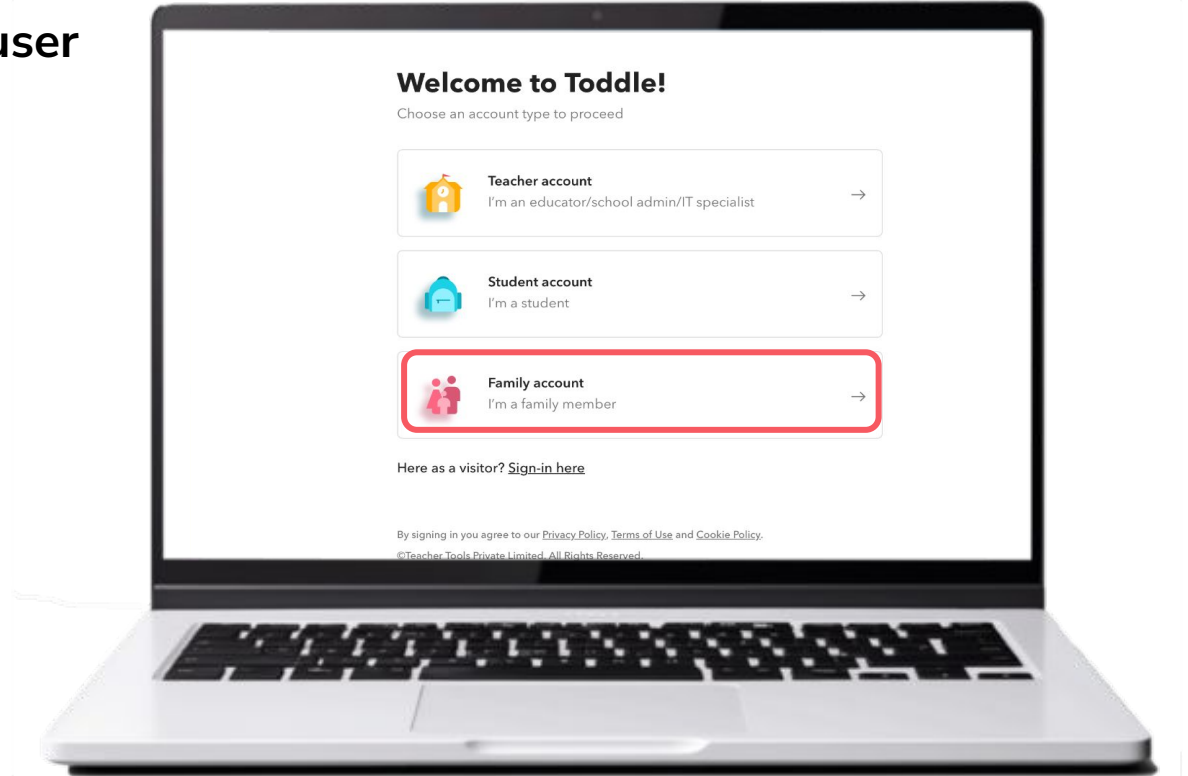

On your Toddle homepage, you can celebrate your child's learning moments, communicate with teachers, receive announcements and updates from the school and much more!

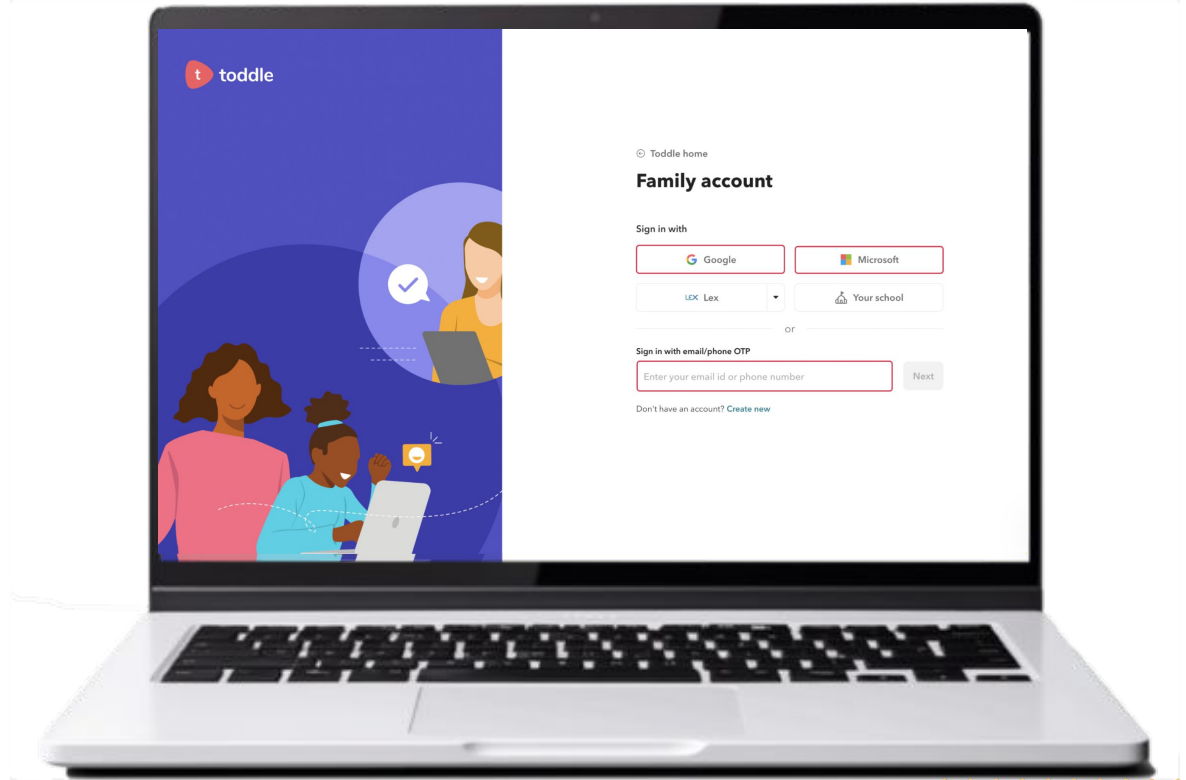

1B. Sign up as a first-time user on the Toddle web

1. Head to web.toddleapp.com and click on 'Family account'.

For users in China, head to web.toddleapp.cn and click on 'Family account'.

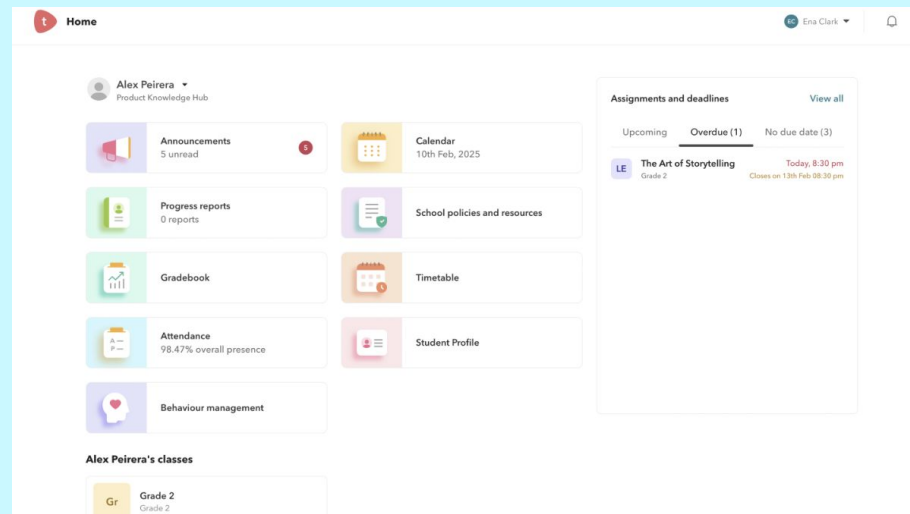

2. Once you open the Toddle Family web, you can sign in using one of the login methods.

After successfully signing up,

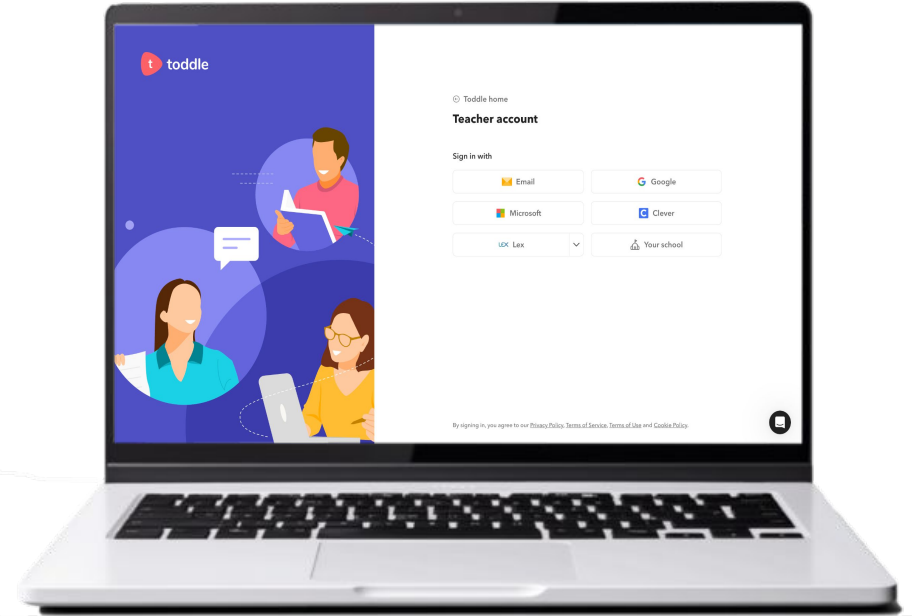

On your Toddle homepage, you can celebrate your child's learning moments, communicate with teachers, receive announcements and updates from the school and much more!

2. How to sign in subsequently

After you have signed up for the first time, you can sign in subsequently -

- Open the Toddle App / Toddle's Web Portal
- Select 'Family Account'
- You will land on the sign-in page where you can choose options to sign in using Google, Microsoft or any other email/phone number.
- Pick the sign-in option you prefer, and enter your Toddle-registered login credentials to easily sign in.

3. Adding other children

If you have **more than one child** studying in the school in different classes, you can toggle between your children by clicking on the arrow next to your child's name.
