Our School Leaders

A Message From Principal Antonelli

Hello Bosco Family!

On behalf of the leadership team here at Bosco, I want to welcome you to the 2026-2027 school year. We're truly grateful you're here.

A new school year always brings lots of excitement. New friendships will be formed, new challenges will be embraced, and countless moments, both big and small, will shape our students in ways they may not yet realize.

Our faculty and staff are excited to walk alongside your family this year. We believe that education is strongest when school and home work together, and we're grateful for the trust you've placed in us to help guide your son along his academic, spiritual, and personal journey.

This guide is designed to make the start of the year a little easier. Inside you'll find the information and resources that will help you stay connected throughout the year. We look forward to all that God has in store for our community this year and to the privilege of watching your son continue to grow into the young man he is called to become during his time here.

God Bless,

Mr. Ernest Antonelli

Where to Find What You Need

Every Sunday at 11am you and your son will receive an email called "The Week Ahead" where you'll find all the most important and time-sensitive reminders for the upcoming week. It will always include the following and more:

- A link to pre-order lunch
- A link to parent service hour opportunities
- The bell schedule for the week
- The schedule for Varsity athletics competitions
- Information about upcoming student and community events

Parents will also receive a text message reminder to read The Week Ahead email. If you are not receiving these emails and/or texts, please reach out to news@bosco.org to be added to the list of recipients.

We also encourage you to utilize our website where lots of helpful information is available, and to follow us on our official school social media channels.

Ways for Parents to Get Involved

Parent Service Hours

Through our Parent Service Hour Program, you'll not only support school events and initiatives, but also form lasting friendships and memories with other families. Whether you're helping at an event, donating goods, or working quietly behind the scenes, every effort you give strengthens the family spirit that makes Bosco so special. Learn more about our Parent Service Hour requirements on our website at BOSCO.ORG/SERVICEHOURS.

Community Events

Whether we're cheering on our student-athletes, applauding the arts, or coming together to support our students and programs, every event reflects the spirit of the Bosco family: showing up for one another, celebrating each other's successes, and building community along the way. Visit our website at BOSCO.ORG/EVENTS to see what's going on around campus!

Parent Association and Margheritas Guild

Every Bosco parent is welcome to be a part of our Parent Association, and all mothers, mother-figures, grandmothers, aunts and sisters are invited to join the Margheritas Guild. Both groups offer opportunities to make a lasting impact at Bosco while creating friendships along the way.

Bell Schedules

We'll put the week's schedule in "The Week Ahead" Sunday newsletter for you each week!

Attendance Policy

If your student is absent, please follow these steps:

1. Call the Attendance Office the morning of the absence at (562) 920-1734 ext. 224 or email attendance@bosco.org.

2. Submit documentation to the Attendance Office via email (attendance@bosco.org) or in person. Include the student's name, grade, absence date(s), reason, parent signature or name/email, and phone number.

Within 24 hours: Submit documentation to the Attendance Office to avoid an Attendance Violation.
Within 5 business days of the first day of the absence: If you haven't submitted documentation yet, you must do so within this window in order for the school to determine whether the absence was excused. Please note that submitting documentation does not guarantee that the absence will be excused.

If documentation is not received within 5 business days, the absence will be permanently recorded as unexcused.

Medical Note Policy: If a student is absent more than 3 consecutive school days for a medical reason, a note from a board-certified physician is required before they can return to class. The note doesn't need to include a diagnosis, but it must state that the absence was for medical reasons, show clear start/end dates, and be signed (physically or electronically) by the physician or Physician Assistant (PA).

Note: Once a student reaches 3 unverified absences cumulatively, a doctor's note will be required for any future absence, regardless of length or reason. If the absence is not medically related, a prearranged absence form is required instead.

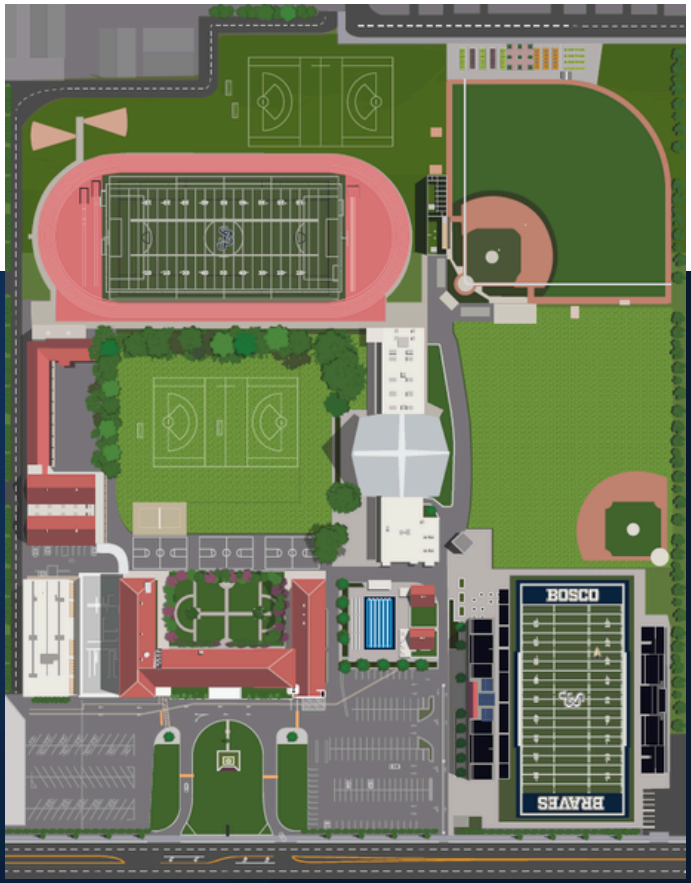

Finding Your Way

We call our main school building the "200 building." This is where all classrooms that begin with the number 2 are located.

On the left of the main building is our Math, Science, and Engineering building (or, the "300 building"). This is where all classrooms that begin with the number 3 are located.

The building that's out past the theater is our Visual and Performing Arts building (or "400 building"). This is where all classrooms that begin with the number 4 are located.

Download a campus map on our website at BOSCO.ORG/MAP or scan the QR code.

A Few Reminders

Student Parking Permits

Student Parking Permits are free for 2026–2027, but are required for every vehicle. Please review the new policies and apply by August 14, 2026 (scan the QR code). Students will be emailed when their permit is ready for pickup at Mr. Esparza's office. Questions? Contact Mr. Esparza at sesparza@bosco.org.

Lunch Service

Lunch information can be found on our website at BOSCO.ORG/LUNCH. Orders may be placed in advance online and will be picked up at the Bosco Cafe which is located on the far side of the Visual and Performing Arts Building (400 Building), near the track.

Visitor Check-In Process

A reminder that our campus is a closed campus during school hours. No one may enter without a visible SJB visitor badge. Please review this quick check-in process:

- Report directly to the lobby upon arrival. Ring the buzzer, then head to the front office receptionist.
- State the purpose of your visit & present a valid government-issued photo ID at the kiosk to receive your badge. Wear your badge visibly at all times during school hours. Anyone found on campus without a badge will be asked to report to the front office to check in, or will be asked to leave and escorted off school grounds.
- If you have a meeting with someone, please wait in the lobby and a staff member will walk you over to the meeting's location.
- Before leaving campus, return to the front desk kiosk to check out and return your badge.

Online Classes

SJB Global is our innovative online learning option. Whether you're online full-time, on campus full-time or somewhere in between, there is a path for everyone at St. John Bosco. Online classes run asynchronously - there is no specific time when the student has to meet with the teacher and other students. There is a live teacher, however, who keeps an office hour every day there is a lesson, so if the student needs help, they can email or call their teacher during that time. Students will receive personalized feedback from the teacher on their assignments and receive a grade report once a week.

Learn more about SJB Global Online Classes on our website at BOSCO.ORG/SJBGLOBAL.

Academic Support & Peer Tutoring

Every student has dedicated time built into the school day to succeed. During Academic Support Periods on Wednesdays, students can meet with teachers for extra help, ask questions, make up exams, collaborate on group projects, or simply use the time to study and stay on top of their assignments. Peer tutors will also be available for students who would benefit from additional support from a fellow Brave. It's one of the many ways Bosco provides support without extending the school day.

Your counselor is an important partner throughout your Bosco journey. From planning your courses and ensuring you're on track for graduation to navigating academic challenges and setting goals for the future, counselors are here to help. If you're struggling in a class, have questions about your schedule, or simply need guidance, don't wait. Reach out to your counselor early so they can connect you with the resources and support you need to succeed.

Course Materials, Devices & Technology

What to bring for orientation and the first day of classes:
New students should bring a device with them for Orientation on Monday and Tuesday. For classes Wednesday through Friday, everyone should bring their devices as well as something to write with.

Approved devices for class:
Students should have a laptop or tablet of their choosing. Cell phones are not approved learning devices and should be put away during class. More information about devices can be found on our website at BOSCO.ORG/DEVICES.

Where to find a list of books and supplies needed for classes:
Class syllabi and any required course materials will be discussed in class on Wednesday, August 12th.

Technology:
Students will be assigned a Bosco email address and should be checking their inbox regularly for important information. Additionally, they will access to the following technology:

- Schoology: Learning management system (LMS) that acts as a digital hub where teachers will distribute assignments, post grades, and communicate with students and parents.
- PowerSchool: Student Information System (SIS) used to manage student records, grades, attendance, schedules, and registration.
- Naviance: College, career, and life readiness software platform used to connect academic achievement with post-graduation goals, helping students explore career interests, research colleges, track college application tasks, and manage transcripts or recommendation letters.

YOUR QUESTIONS ANSWERED

When is the first day of school?

The first day of the 2026-2027 school year at St. John Bosco High School is August 10th, which is when New Student Orientation will begin.

August 10-11: Orientation
August 12: First Day of Classes

What do you bring & wear on the first day of orientation?

Bring your device! Wear your formal uniform because we will be taking yearbook/ID photos.

When do I receive my class schedule?

New students will receive their class schedules on Monday, August 10th, at New Student Orientation. Returning students will receive their schedules via email prior to the start of classes.

Where can I find textbook information?

We utilize both digital and traditional textbooks, depending on the course. Information and instructions on how to access textbooks will be provided on the first day of class.

What is my student ID number?

All students received their student ID number during course selection. If you do not know what your student ID number is, please reach out to our Registrar, Gina Logsdon, at glogsdon@bosco.org.

Does the school provide transportation for students commuting from different cities?

Yes! Learn more about Bosco Transit at bosco.org/transit.

What electronic device should I purchase for class?

We have a "Bring Your Own Device" approach to technology. Not only is this consistent with the tech approach in higher education, but it also allows students to select devices that they are comfortable with at a price point that each family has discretion over. At a minimum, students will need the following:

- A web browser
- Word processing (compatible with Microsoft Word)
- Presentation (analogous to Microsoft PowerPoint)
- Spreadsheet (compatible with Microsoft Excel)

Additionally, please note that there are computer specifications that must be adhered to for Engineering Pathway students. Download the specifications at www.bosco.org/engineering. There are also specific calculator requirements for certain math and science classes. Please refer to the class syllabus for those details.

What is the parent service hour program?

The Bosco Bingo program is a long-standing fundraiser, and its proceeds are essential in supporting school operations. All freshman families are expected to complete their service hours by working five Saturday evenings at Bingo. All grades 10-12 families must complete 30 hours of general service per year (per student) and must track hours using Track It Forward. Learn more about our Parent Service Hour requirements on our website at BOSCO.ORG/SERVICEHOURS.

YOUR QUESTIONS ANSWERED

What is the dress code for students?

All students are required to wear a uniform, which can be purchased in our Campus Store online or in-person. Visit bosco.org/shop for our Uniform & Grooming Guide and a link to our online shop.

How can I contact my son during school?

Families are able to contact students via Google Chat or they may call the Main Office at (562) 920-1734. Students are able to use their cell phones during breaks and lunch.

Are there activities before and after school?

Yes! There is always a place where students can be before and after school whether they're hanging out, doing homework or participating in a club or sport. Here are some of the typical places students hang out and some of the activities typically going on:

- Learning Commons Hours: M-TH, 7:30am-8am and 3pm-4pm
- Oratory Hours: M-F, 6:30am-7:45am and 2:40pm-5pm
- Athletics Hours: Practices typically take place from 3pm-6pm
- Music Program Hours: Mondays and Wednesdays from 3pm-5pm
- Theater Program Hours: 3pm-5:30pm
- Robotics Hours: January-April, M-F 3pm-6pm and Saturdays from 9am-4pm

What is the cell phone policy for students?

Cell phones are not an acceptable learning devices and will not be permitted to be audible or visible during class.

What are the requirements for participation in Athletics?

Student-athletes must maintain a 2.0 GPA or higher, their behavior must be in good standing and their family's tuition commitment must be in good standing. If you are planning on playing a sport anytime during the 2026-2027 school year, you must complete the athletic clearance process. Instructions can be found at bosco.org/athleticsreg.

How do I contact the Athletic Department?
