

Dear Alamos Families,

Welcome to another exciting school year at Alamos Elementary! I am honored to continue serving as your Assistant Principal and to continue working alongside our incredible students, families, and staff. Last year was filled with meaningful connections, learning, and growth, and I am grateful for the warm welcome and support that made Alamos feel like home.

My educational experiences include serving as a classroom teacher, Literacy Specialist, English Learner Coordinator, and Intervention Administrator. Each of these roles has strengthened my passion for helping every student succeed academically, socially, and emotionally. I remain committed to creating a school environment where every child feels safe, valued, challenged, and inspired to reach their full potential.

This year's theme, "Leveling Up the BUILD," reminds us that growth is a journey. Just like advancing to the next level in a game, each new challenge helps us become stronger, wiser, and more confident. As we level up together, our goal is to help every Owl grow not only in academic achievement but also in character, resilience, and kindness. We know that when schools and families work together, students thrive.

Thank you for your continued partnership and trust. I look forward to another amazing year of learning, celebrating successes, and watching our Alamos Owls soar to new heights. Here's to an incredible year of Leveling Up the BUILD!

*Cassie Grace*

Assistant Principal
