To the MCI Class of 2026 ...

I want to congratulate you all on successfully navigating a jam packed MCI program and assuming the mantle of Alumni. It has been a true roller coaster ride with so many moments, experiences, emotions, friendships, opportunities, excitements, hopes, fears, and in some cases tears. From whatever point you started, and whichever country you hail from, together you have finished as the MCI Class of 2026. This is no mean feat, and this unique shared adventure, tied and perpetually reinforced by bonds of sentiment and

emotion, will forever powerfully connect each and every one of you for the rest of your days. And while there can be no favorites, I must add a very personal note to this yearbook - the Class of 2026 will always retain a very special place in my heart for one simple and honored reason ... four years ago I too was new at MCI, and have shared your trials and tribulations, adventures, and many rites of passage from the beginning. Very well done, and I wish the wonderful Class of 2026 every success as you now move forward from MCI and follow your individual passions secure in the knowledge that you will lead ethical, purposeful, and happy lives as local and world citizens.

Good luck, and go Huskies.

Mr. David Pearson

SENIORS

CLASS OF 2026

As we transition into the next chapter of our lives, let us remember the connections we've made here. These friendships will be invaluable assets for the journey ahead. Moving forward, we should strive to embrace the unknown. There are endless opportunities to explore and areas to grow, even if they seem unfamiliar. Get involved, take risks, and cherish each experience. We can continue to face uncertainty together, supporting each other in the pursuit of turning our aspirations into reality.

Never stop believing in yourself and always wear sunscreen. The future may be unknown, but it's just as bright!

Serving as your class presidents has been one of the most meaningful parts of our high school experience. Somewhere between early mornings, crowded hallways, and traditions like Winter Carnival, we learned what it truly means to belong.

Over time, we grew, forming new friendships, supporting each other through challenges, and sharing moments that quietly shaped who we are. What started as a class became a community built on resilience, laughter, connection.

As we move forward, we carry those memories with us. We leave stronger, braver, and forever connected by the community we created together.

DEDICATION

Making a difference for students every day

Mrs. Duplisea-Goldman, affectionately known as 'Ms. D' by her students, is a beacon of support and warmth at MCI. She has been a lifeline for countless students, creating a safe space where they feel valued and understood.

With a keen eye for those who need extra love and

attention, Ms. D invests herself wholeheartedly in her students' success. She serves as an unwavering advocate and cheerleader, encouraging them to take responsibility for their actions and choices, guiding them toward paths of achievement.

Her infectious positivity brightens even the toughest days, providing comfort and laughter when it's needed most. Many students consider her a 'school mom'—always there to help with schoolwork and to share a smile.

Mrs. Duplisea-Goldman's impact on the lives of MCI students is profound, and her belief in them inspires confidence and resilience.

This yearbook is dedicated to you, Ms D - thank you for all you do!
