The screenshot shows a dark blue sidebar menu on the left with a white plus sign at the bottom. The main content area has a dark blue background with white text. The menu items are: Food Services, Transportation (+), Extended Day (-), Times, Registration (highlighted with a yellow circle and a hand cursor), Payments, Staff, and Community Organizations.

The graphic features a paint palette with five colored circles (purple, blue, green, yellow, red) and the text "EXTENDED DAY" and "GET READY COLOR" in a playful, colorful font.

The goal of the North Middlesex Extended Day program is to provide an invaluable service to working parents of children in the North Middlesex Regional School District. The early school (K-6) sessions provide a safe and hardworking environment in which your child can make age-appropriate connections for social, emotional, and physical development.

Our program is located in two buildings (provided by the district) for students entering Kindergarten through Grade 6. Squannacook students will use their own transportation.
