Water Safety Instructor Aide Volunteer: for youth age 11 and over that have completed any ARC Level 6. Your training will include an orientation on how to be a more effective aide when helping teach preschool through Level 5. Once you have completed aiding each level you will receive a certificate. This is a great program to help others learn to swim. There is no cost for this class. For more information e-mail the director at jpassehl@masaswim.org.

Some classes fill quickly and your child may be put on a waiting list. Non-members are not expected to pay until they know if their child is enrolled in a class.

E-newsletters for important MASA information only: sign up online at www.masaswim.org
