CCS LIONS CONNECT

Family Portal App for Apple & Android Devices

CCS LIONS CONNECT: Designed to enhance the way CCS families connect with our school community. The app provides real-time access to student schedules, grades, homework, school and athletic calendars, and quick access to FACTS payments. Everything you need to stay connected to our CCS community is offered through this app.

Parent and Student Access Available.
Free for all CCS Families.

Scan QR code to download.
Full download instructions are on the back page.

CCS LIONS CONNECT

Download Instructions - Get Connected in 4 Steps

ONE: Download the App.

From your preferred app store, download our school app:
CCS LIONS CONNECT

TWO: Set-up your profile.

After successfully downloading the **CCS LIONS CONNECT** app, you will be prompted to set-up your profile.

THREE: Login and sync with FACTS Family Portal.

CCS LIONS CONNECT will sync with FACTS Family Portal to import your student(s)' information directly to your device. Click on the Gradebook icon and you will be directed to the FACTS Family Portal login screen. Use your existing FACTS Family Portal login credentials including district code: CL-NC.

Note: When logging in, be sure to choose the appropriate account type, Parent or Student, depending on the user.

FOUR: Select school interest tags.

Stay connected! Through **CCS LIONS CONNECT**, we are able to send push notifications about special events, key reminders, and points of interest. You will choose which notifications you would like to receive based on preset interest tags:

- Preschool (PS2, PS3, PS4)
- Lower School (PreK-Grade 4)
- Middle School (Grades 5-8)
- High School (Grades 9-12)
- Athletics

Interest tags can be selected from the main menu ☰, using the tag icon.

We look forward to connecting with you!
