MESSAGE FROM LMS ADMINISTRATION TEAM

Dear Lincoln Middle School Students, Families, and Faculty,

As we begin a new school year, we are excited to welcome each of you back to Lincoln Middle School. It is a privilege to support and serve such a vibrant and diverse school community, and we look forward to the learning, growth, and connections that lie ahead.

This year, we are focused on strengthening our culture of collaboration, respect, academic excellence, and community. With your partnership, we believe this can be one of our most rewarding years yet. Together, we will create a safe, inclusive, and engaging environment—one where students are encouraged to explore their interests, challenge themselves, and strive for personal and academic success.

We ask every member of our school community to uphold our shared values: mutual respect, personal responsibility, and a commitment to continuous learning. We hope students take full advantage of the many opportunities available—whether academic, artistic, athletic, or social—and build lasting friendships and memories along the way.

At Lincoln Middle School, we believe that middle school should be both meaningful and memorable. Our hope is that at the end of the year, each of you can look back with pride on your experiences and accomplishments.

Here's to a successful and inspiring school year!

Warm regards,

The LMS Administration Team

Lincoln Public Schools Grading Policy

Mission Statement:

Lincoln Public Schools is committed to excellence. In partnership with all members of the Lincoln community, we inspire and empower each student to excel personally and intellectually, embrace social and individual responsibility, and lead with integrity.

The Lincoln Public Schools have adopted the following grading policy to facilitate the district's strategic plan and the shared belief that all students can achieve through perseverance, hard work and self-advocacy. This policy hinges upon multiple opportunities for all students to meet with success and demonstrate proficiency. The policy engages students and promotes student effort and achievement. It seeks to ensure equity and consistency for all students.

Purpose:

The Lincoln Public School is committed to maintaining rigorous performance and achievement standards for all students and to providing a fair process for evaluating and reporting student progress

that is understandable to students and their parents/guardians and relevant for instructional purposes. The primary audiences for a grade are students and parents/guardians.

The following points are central to issuing a grade:

- To communicate student progress toward achieving academic course standards.
- To ensure accuracy, consistency and fairness in scoring across the district.
- To ensure grades have consistent meaning throughout the school system and be based on grade level and course expectations as outlined in the curriculum.
- To implement a reporting system that provides meaningful achievement information to students, parents, institutions of higher learning, and other stakeholders.
- To establish reporting practices that are fair and meaningful, and support rigorous performance and achievement standards for all students.

The Basis of the Policy:

Teachers shall apply professional judgment and use discretion when determining a child's grade based upon student growth and level of mastery of content.

- Grading shall be consistently weighed, scored and reported across the grade level in elementary schools or content areas within the middle and high school.
- Teachers will be committed to allowing students multiple measures and opportunities to show what they know and can do.
- Reporting of student progress and achievements will be communicated through the district student information system. Other methods of communication may include telephone calls, notes, report cards, email, progress reports, conferences, etc.
- Grading will be used to develop the skills of all students to pursue whatever post-secondary path to success they choose.
- Grades shall be based on and will be assessed as a level of mastery of content and standards.
- Homework shall not count for more than 15% of an overall grade. Elementary, middle and high school will specify the homework expectations in their handbooks.
- Students will be allowed one additional opportunity to make up summative assessments for a maximum of 70%. Summative assessments are defined as: tests, on-demand tasks and quizzes, excluding midterms and final exams.
- Since the intent of a grading system is to measure a level of student mastery of content, teachers shall either issue a grade or list assignments as missing. Zeroes will not be used as placeholders for missing work. Teachers will communicate missing work using an incomplete through the student information system before inputting a zero. Students who were absent will be able to earn up to full credit for the missing assignments. Timelines for acceptance of late/missing work will be specified in each school's handbook.
- Letter/numerical grades will be used at middle and high school levels. Standard based numerical grades will be used at the elementary level.
- School level handbooks and individual policies shall not supersede the District Grading Policy.

Grading Policy:

The purpose of the Grading Scale is to indicate numerical ranges for quarterly and yearly grades.

- For the first quarter only, the minimum quarter grade a student may earn is a 50.
- Rubric to Grade when rubrics are used to determine grades a conversion scale shall be used.

Grading Scale:

Grade Scale		
Letter Grade	Numerical Range	Grade Point Average
A+	97 - 100	4.3
A	93 - 96	4.0
A-	90 - 92	3.7
B+	87 - 89	3.3
B	83 - 86	3.0
B-	80 - 82	2.7
C+	77 - 79	2.3
C	73 - 76	2.0
C-	70 - 72	1.7
F	0 - 69	0
I - No I's reported end year	Incomplete - Quarter only	

*Note: Students who earn a grade of "F" as a final course grade may enroll in summer school in order to make up for the failed course.

Grade Reporting:

It is expected that schools will make multiple attempts to intervene with and communicate to students and parents regarding incomplete and failing work. Secondary teachers (Middle School 6-8 and High School 9-12) will record all student grades electronically within the student information system within one week and no longer than three weeks for major projects and papers. In extenuating circumstances, teachers will communicate with their administrator for approval of an extension of this grade reporting timeline.

Grading Special Populations:

Teachers of English Language Learners, special educators, and general 13 education teachers who provide instruction for a student will collaboratively examine evidence collected to determine a student's grade.

Parents of students with Individualized Educational Programs (IEP) will receive supplemental information on progress towards attainment of IEP goals at the time report cards are issued, consistent with federal and state requirements.

Parents of English Language Learners will receive supplemental information on progress towards language development at the time report cards are issued based on WIDA descriptors and district ELL guidelines.

Implementation:

- The Superintendent and/or designee will build an understanding with the Lincoln School community of the core components as outlined in the policy and develop expectations for each level (elementary, middle, and high school).
- Building principals will build an understanding of the policy with their faculty.
- Building principals will oversee the implementation of the policy.
- Educators will implement the core components as stated in the Basis of the Policy.
- Specific language regarding grading procedures will be articulated in school handbooks at all levels.

Reviews and Reporting:

- District staff will monitor fidelity to this policy annually and will provide updates to the school committee if changes are needed prior to a formal review.
- This policy will be formally reviewed every two years.

Cross Reference to other policies & documents:

- School Level Handbook (Homework protocols and procedures)

First Reading: May 20, 2019

Second Reading: June 10, 2019

Policy Adopted: June 10, 2019

TOWN OF LINCOLN SCHOOL COMMITTEE, Lincoln, Rhode Island

Grading Protocols:

- Students may reassess summative assessments up to a 70
- Students may reassess within 2 weeks after the graded assessment has been handed back
- Penalties for missed deadlines will be specified in the course syllabus
- Work that is not submitted will be coded in Skyward as "Missing". After one week, this will change to a zero

Homework

Homework may be assigned in order to preview, review, reinforce, or extend concepts in the curriculum. It is critical for students to complete homework when assigned, as it directly impacts their level of understanding. Preparedness to participate in class also falls under this category. Homework completion/preparedness shall account for a maximum of 15% of the total grade. When turned in by the deadline, this homework is given credit for completion or grade. Teachers will use professional judgment to determine the value assigned to partially completed work turned in at the deadline.

With Lincoln Middle School's Core Values, Beliefs and Expectations in mind,

- Students will complete their independent homework on time and to the best of their abilities.
- Students will plan for the on time completion of long term projects.
- Students will self-advocate when necessary to successfully complete the homework assignment.
- Students are expected to do their own homework unless the teacher indicates otherwise.
- Teachers will assign homework that is meaningful and useful to deepen and practice the understanding of concepts critical to the course.
- Teachers will assign a balance of short term and long term assignments.
- Teachers will assign all homework and requisite materials during the class period. Homework will not be due for submission on non school days (e.g. weekends, holidays, school vacation).
- Teachers will assign homework over a weekend that is not different in scope from a weekday assignment.
- Teachers will not assign homework to be completed during school vacations except as part of a long-term project and/or Advanced Placement (AP) coursework.
- Teachers will not have homework due on the first school day back from a school vacation.
- Parents and Guardians will monitor the completion of homework.
- Parents and Guardians will help to ensure that students develop routine home study habits.
- Parents and Guardians will assist in the selection of courses in order to ensure a manageable workload for the student given the expectations of the course.

Progress Reports

Progress reports are posted on our student information system (Skyward) at the midpoint of each quarter.

Report Cards

Report cards are posted on our student information system (Skyward) at quarterly intervals during the school year. These reports include a grade in achievement in all subjects taken by the student and the number of absences. When necessary teachers will provide feedback on current performance. Please contact your child's teacher or school counselor if you have any questions about the information on the report card.

Student Exams

All students are required to take final examinations in each course in which they are enrolled.

Communicating Failing Grades

Teachers will communicate with parent(s)/guardian(s) regarding pending failure of quarter/cumulative grades via direct communication (phone call, email and/or in-person meeting).

Academic Probation

A student will be placed on academic probation if they fail two or more subjects on the quarterly report card. A student on academic probation may be excluded from participating in and attending any co-curricular and extra-curricular activities, including, but not limited to, athletics, school clubs, school festivals, school-sponsored events, and student council activities. A student who is academically ineligible to participate may have his/her case reviewed after mid-quarter interim reports. Student

appeals of academic probation placement will follow the appeals process for disciplinary action as described in the Student Handbook.

Promotion & Retention

Students must achieve a passing grade in each of the four core subject areas of English (ELA), Mathematics, Social Studies and Science in order to be promoted. Promotion to the next academic grade requires that the student passes each of the four core subjects or demonstrates equivalent proficiency as determined by the academic team and or administrator. Students with a failing grade for the year in core subjects may need to attend summer school in each subject that they have failed before being promoted to the next grade.

Academic Integrity

Lincoln Middle School recognizes the need for all students to assume responsibility for their own schoolwork. Academic integrity must be preserved not only for its own sake but also in fairness to the objective evaluation of all. Cheating in any form cannot be permitted. In a case involving any form of cheating, including plagiarism from any source, parents will be notified and if needed, a conference will be held to include the student, parent, teacher, and administration (see code of conduct for sanctions).

The following action will be taken in any case which involves cheating:

1. The student's work will be rejected. Disciplinary action will be given based on severity. An alternate assignment will be given at the teacher's and administrator's discretion.
2. If more than one person is involved in cheating, the same penalty will be assigned to all parties concerned. Students who allow their papers to be copied are considered to be cheating.
3. In the case of cheating which involves classroom disruption, the administration may impose a penalty that may include suspension.
4. The theft of teacher testing materials of any type will result in suspension.
5. It should be noted that in the exam setting, any behaviors not directly related to the taking of the exam could be construed as cheating. Students are cautioned to observe the sanctity of the exam and not risk the accusation of cheating and its consequences by talking, turning around, placing their own exam where it might be observed by others, etc.
6. Students shall only use Artificial Intelligence (AI) under the direct supervision of a teacher and as specified by the teacher.

Honor Roll (calculated by quarter)

- First Honors: a student who achieves a GPA of 3.64 to 4.30.
- Second Honors: a student who achieves a GPA of 3.30 to 3.63.
- Third Honors: a student who achieves a GPA of 2.92 to 3.29.

Participation in Clubs and Extra Curricular Activities

1. In order to be eligible to participate in a club or activity, a student must be in good academic and behavioral standing.
2. A student who is academically ineligible to participate can have his/her case reviewed after mid-quarter interim reports.
3. A student who is asked to report to a teacher or detention after school must report, even if doing so causes him or her to miss a co-curricular activity.
4. A student may participate in as many activities as he/she can manage successfully. At least one activity is recommended for each student.
5. A student may not take part in any co-curricular activity if the student is absent from school on that particular day. A student must be in school all day on the last day of classes in session prior to a weekend or a vacation if the student wishes to participate in the activity during that time period. If a student is confronted with an unusual situation, the assistant principal will offer guidance.

Leadership Behavior

Students who have the privilege of holding a position of leadership (club officer, team captains, etc.) are expected to behave in a manner that represents the school, the community, and themselves in an honorable manner. Students who fail to live up to the requirements of leadership will be removed from their positions by the administration/club moderator.

Class and Co-Curricular Activity Funds

The Lincoln Public Schools keep an accurate itemized account of the club's financial dealings.
4. Club fundraising activities are restricted to school-sponsored groups. The application must be made to the administration at least ten (10) days before the start of the fundraising activity. No fundraising may take place unless administrative approval is obtained.

Student Council

The Student Council, the student government organization of the school, is composed of any student willing to serve as a member. It serves as a forum to voice student opinions and as a clearinghouse to organize student activities for the benefit of the entire school population. The Student Council not only promotes and encourages active student participation in all school activities, but it also serves as the student body's voice in working with the faculty and administration to provide the best school climate possible. Through experience in student government, students have the opportunity to develop good citizenship practices, leadership abilities, and skills in the use of parliamentary procedures.

GUIDANCE SERVICES

The primary goal of the school counseling program is academic success for all students through the support of the learning process. Counselors strive to promote learning by addressing the developmental needs of students in a proactive and preventative manner. The school counselor delivers services on an individual and group basis throughout the school year. The school counseling program focuses on the needs of the middle school student: academic, social, and personal. Student schedules are constructed in accordance with the prescribed Lincoln Middle School course of study. In addition, students may choose electives in band and chorus in lieu of other related arts classes. Every pupil's daily schedule is constructed so that needs, interests, and abilities are met. All available means will be used to make certain that you can follow a pattern of studies appropriate to your complete growth and development.

Request for Counselor Appointments

Each student is encouraged to make regular appointments with his/her counselor. The student must obtain and fill out a *Request for Counselor Appointment* or make appointment arrangements before homeroom. The counselor will then schedule the appointment as soon as possible during the school day. The student is expected to stay in class until the time of the appointment and to return to class as soon as the conference with the counselor is concluded. In some exceptional emergency situations, a student may have to see his/her counselor immediately. In this instance, the student should inform the guidance secretary of the necessity of an immediate appointment and the student will be attended to at the counselor's availability.

Upon entering the Guidance Suite, a student is to sign in on the appropriate student sign-in form. All students need to arrive with a pass.

In the event that a student wishes to make a change to their schedule, the student will be allowed to do so only during the first ten (10) days of the school year. Changes will be made providing that the building schedule allows and there is availability in the class. Students are to see their guidance counselors for assistance with this process.

Withdrawals and Transfers

Upon withdrawal or transfer from the school, a student should:

1. Report to the Guidance Center for a withdrawal form.
2. Have the withdrawal form signed by his/her parent/guardian, teachers, the nurse, librarian, attendance secretary, counselor, and the appropriate administrator.

3. Return the form to the Guidance Center. A transcript of your work will not be sent to the new school until you have completed the prescribed Lincoln Middle School withdrawal procedures.

A parent or eligible student may request an amendment of a student's record through the Director of Student Services. If the district refuses to amend the record, the parent or eligible student may request a hearing through the Director of Student Services.

The parent or eligible student may also file a complaint to the Commissioner of Education or to the U.S. Department of Education. Please contact the Director of Student Services if you have any questions.

504s

EDUCATIONAL SERVICES IN ACCORDANCE WITH SECTION 504 OF THE REHABILITATION ACT OF 1973 -LINCOLN PUBLIC SCHOOL POLICY - SECTION 504 OF THE REHABILITATION ACT OF 1973

It is the policy of Lincoln Middle School to conform to the provisions of Section 504 of the Rehabilitation Act of 1973, as amended. In accordance with applicable laws and regulations, the school provides that all programs, activities, and classes, including laboratories, shops, and technology components, be readily accessible to and usable by all students, teachers and parents, including individuals with disabilities. Physical facilities including laboratory components, which offer classes in the areas of Art, Technology, Health and Physical Education, and Science, are located on the main floor level in close proximity to other regular education classes. Mental/Social Health

SCHOOL PSYCHOLOGIST AND SCHOOL SOCIAL WORKER - The school psychologist's office and school social worker's office are located in the guidance suite. They are available to students by appointment and as needed.

HEALTH SERVICES

Procedure for Health Services Admittance

Health services provided by a certified school nurse-teacher are available for students in the Lincoln Public Schools. One of the purposes of the health services is to provide first aid in the schools to prevent further serious injury following an emergency or illness that takes place at school. In order for students to be admitted to the nurse's office, they must adhere to the following guidelines:

1. A student must have a written pass from the teacher whose class he/she will be missing to come to the nurse's office.
2. When a student comes to the nurse's office at the end of a class period he/she will not be admitted and will be sent to the teacher of the class they are expected at for a pass.
3. When in the nurse's judgment a student is too ill or injured to obtain a pass, the nurse will notify the teacher that the student is in the nurse's office.
4. It is not acceptable for an ill student to spend a class period in a lavatory because they are "too ill" to make it to the nurse's office. This will be treated as an unexcused absence from class, as the nurse is available to assist students as needed. Students who are ill are **not** to use their cell phones to call their parents. **Contact with parents will be made through the school nurse.**
5. Students should not assume that because they have an appropriate pass they are entitled to spend an entire class period in the nurse's office. While consideration is always given to a student's statement of ill health, nursing judgment is also utilized in determining if a student should be sent back to class, allowed to rest, or sent home.

Health Examinations

In accordance with the State of Rhode Island School Health Regulations, health examinations are **required** when a student enters the seventh grade.

This general health examination may be performed during the sixth (6th) grade, but no later than six (6) months after entry into the seventh (7) grade. All students who transfer into the Lincoln Public Schools are required to have a complete physical examination by their health care provider. Written evidence of the results of the physical examination must be given to the school nurse-teacher.

If there is no evidence that the appropriate health examination has been performed, the school system shall make provisions for said examination by the end of the school year in which it is required.

Sports and Medical Clearance

Any student participating in a sport at the middle school is required to provide the school nurse-teacher with written evidence of a physical examination and clearance to play a sport on a yearly basis and **prior** to tryouts (**within the year for the specific sport season**). If clearance expires during the season, an updated physical is required to complete the season. (RIPCOA)

Immunizations

NOTE: RI Department of Health Regulation

A 2-dose immunization requirement is being phased in for Rhode Island students.

- 1 dose of HPV vaccine will be required for 7th graders
- 1 dose (second dose) will be required for 8th graders

Requirements for all students entering 7th grade

In accordance with the **Rhode Island Department of Health** *Rules and Regulations Pertaining to Immunization and Testing for Communicable Diseases* (R23-1-IMM), all children entering the 7th grade are required to have the following immunizations:

An annual Influenza (flu) vaccination is now **RECOMMENDED** for all children 6 mo. – 18yrs. of age to prevent the spread of flu to others in daycare, preschool and school settings as well as at home and in the community. Influenza vaccine is available from October through April each year.

Annual Screenings

VISION SCREENING - all 7th graders will be given a vision screening unless evidence is presented to the School Nurse/Teacher that the same screening was completed within the preceding 12 months by the student's Ophthalmologist, Optometrist, or primary care provider. The student will be exempt from this exam requirement for the school year. The school nurse-teacher will notify the parent of any student who fails to meet the minimum vision requirements on the second screening in order to arrange for further evaluation or treatment.

SCOLIOSIS– all 6th, 7th, and 8th-grade students will be provided a scoliosis screening. The screenings of male and female students are conducted separately and individually. The parent may have the screening conducted by a private physician and provide the results to the school nurse/teacher which will exempt the student from the screening done at the school. The school nurse-teacher will notify the parent of any student who has positive signs or symptoms of scoliosis, in order to arrange for further evaluation or treatment.

Dismissal for Sickness

If a student becomes ill during the school day, he/she will be assessed by the school nurse-teacher. She will determine if the student should be dismissed and will notify the parent/guardian. Students may not call home on their own to request dismissal.

Any student being dismissed from the school due to illness must be signed out of the building by a parent/guardian or an adult who has evidence and authorization to assume responsibility for the ill student. In emergency situations, Lincoln Middle School, acting on behalf of the parents /guardians, will notify Lincoln Rescue if a serious threat to life or physical well-being seems to warrant it. The parents/guardians will be notified as soon as possible should this course of action be necessary.

Medications

Students will be suspended for carrying, sharing, transferring, self-administering or in any way diverting his/her over-the-counter medication and or prescription medication. Any other over-the-counter medication requires a doctor's order. No person except the school nurse-teacher may accept medication of any kind from a parent or student.

OVER THE COUNTER MEDICATION (OTC) - Students may carry OTC medication to school and deliver it to the School Nurse/Teacher immediately upon arrival at school. Please note the following guidelines:

1. Medication must be in the original manufacturer's container.
2. A medication permission form must be signed by the parent. This must be done yearly.
3. The school nurse-teacher will administer the medication in the nurse's office.
4. Tylenol, Advil, and Tums are stocked in the nurse's office. The dosage administered is according to label instructions. Higher dosages require a doctor's order.
5. Under no circumstances will medication be administered without a parent's or guardian's signature.

PRESCRIPTION MEDICATION

1. Requires a doctor's written order and a parent's or guardian's signature preferably on a medication form.
2. Medications that are once a day dosed are preferred to be administered at home.
3. Students may carry prescription medication to school and deliver it to the School Nurse/Teacher upon arrival.
4. All medications must be stored in their original prescription-labeled containers.

INHALERS AND EPIPENS - Parents/Guardians must inform the School Nurse if their child requires an Inhaler or Epipen. Students requiring these items are allowed to self-carry and self-administer Inhalers and Epipens, but a written doctor's order will be kept on file with the school nurse-teacher and requires a written agreement between the doctor, parent, and nurse that the student is capable and reliable to self-carry and self-administer these medications. Students will not be allowed to leave school without it. If the student no longer needs it, a physician's note is required.

CONTROLLED SUBSTANCES - A student may carry his/her own medication to school but must deliver it to the school nurse-teacher immediately upon arrival at school.

1. The school nurse-teacher will count and document the amount of medication received.
2. Medication must be stored in the original prescription-labeled container.
3. A written doctor's order must be provided, as well as a parent's or guardian's signature.

MEDICATION ON FIELD TRIPS - Students may self-carry and self-administer one day's supply of medication during a field trip. All medication must be supplied by the parent and shall be stored and transported in its manufactured container (School Health Programs, section 19.11- to 19.11.14)

When the medication permission slip is turned in to the teacher, said teacher will supply the school nurse-teacher with the copy of the completed medication portion of the permission slip. The school nurse-teacher will check with the student who will be carrying and administering the medication on the field trip. The school nurse-teacher will check that:

- The student has only one day's supply of medication
- Medication is in the original container
- Correct dose and name of medication are clear.

The school nurse-teacher will then consult with the supervising teacher regarding the students who will be carrying and administering medication for the field trip. If the field trip leaves prior to the start of school, the teacher and the school nurse-teacher will go over which students will be self-administering medications the day before the field trip. The supervising teacher will check with the student prior to the field trip departure.

STUDENT INFORMATION/EXPECTATIONS

Typical functions include but are not limited to: festivals, holiday fundraisers, sporting events/competitions, movies, and dances.

Inappropriate behavior will be dealt with in a strict but fitting fashion.

Student expectations will be laid out and explained in detail at the beginning of the year, and then regularly reviewed. Students are expected to periodically re-read the Lincoln Middle School Handbook. As a result, there will be no excuse or plea of ignorance accepted regarding the behavior expected at all school-sponsored functions throughout the course of the school year.

INFRACTIONS - School functions are seen as a privilege. If a student's behavior is disruptive to the event or to another student's participation in the event's activities, the student will be removed from the event to the Main Office and his/her parent(s)/guardian(s) will be called to pick up the student immediately.

Assembly Behavior Expectations

The following guidelines are being implemented for the personal comfort and enjoyment of programming by all who attend school functions in the auditorium. They also show respect and courtesy to our guests and each other. Talking during presentations is disrespectful. Any behavior that disrupts the presentation is embarrassing to the Lincoln Middle School community.

- a) Students will enter the auditorium quietly and in an orderly fashion.
- b) All students will remain with their class for the entire program.
- c) Students will sit where staff members direct them. They will fill all the rows beginning from the front of the auditorium filling every seat.
- d) Students will face the front of the space where the assembly is being held, not talk during the presentation, and will sit quietly while waiting for the program to begin.
- e) In keeping with school rules, no electronic devices will be used during any assembly.

Care of Property

PERSONAL PROPERTY - Each student is responsible for his/her personal property. Large sums of money, watches, any type of electronic equipment, and jewelry should be left at home. If an article is lost, check to see if it has been turned in to the Main Office.

The Lincoln Public Schools are not responsible for lost or stolen school property articles.

LMS PROPERTY - The School Committee supplies each student with all necessary textbooks/tech books. When a student receives a book, he/she signs his/her name in the book indicating that he/she is responsible for the care of the book and that he/she will be liable for all damages to it or for its loss. Books will be inspected periodically by subject teachers. Each student will be required to pay for the cost or replacement of any lost or damaged book or tech book.

LOCKER POLICY AND PHYSICAL EDUCATION LOCKERS

1. Each student is assigned a locker for his/her use only and may only use the locker that is assigned to him/her. Sharing lockers is not allowed.
2. Each student is required to use the school-issued combination lock. Any unauthorized lock will be removed.

4. It is the student's responsibility to report all broken lockers to his/her homeroom teacher.
5. No materials should be pasted on the outside of the locker.
6. No student is to write on any locker or mark it in any way.

Prohibited & Restricted Materials

The following items interfere directly with the educational environment and are therefore prohibited and/or restricted at Lincoln Middle School. Among such items include but are not limited to:

RESTRICTED ITEMS include but are not limited to:	
• Body Sprays/Perfumes • Cellular Phones • Earbuds/Headphones	• Smart Watches • Tablets • Toys or other distracting items

PROHIBITED ITEMS include but are not limited to:		
• Any alcohol, drugs, and/or paraphernalia • Laser Pointers • Skateboards	• Any item that constitutes as a weapon as defined by the Lincoln School Committee Weapons Policy	• Tobacco products/vapes/lighters/matches

Possession of prohibited/restricted materials will result in disciplinary referral to the administration. Students who are repeat offenders may face disciplinary consequences for continuing to bring prohibited items or misusing restricted materials. Tobacco products, illegal substances and accompanying paraphernalia will not be returned to students.

Student cell phone and smart device use is prohibited at LMS unless utilized as part of classroom curriculum per teacher's discretion. Cell phones are to be "off and away", secured in student backpacks/lockers upon arrival and are not to be removed until students have **exited** the building at dismissal. At the point of dismissal, students who are not using their cell phones/smart devices appropriately, and/or are impeding the dismissal process will be asked to leave their devices off and away until they leave school grounds.

A school phone in the main office is available for emergency use. Student cell phones are not to be used to make social arrangements or to change afternoon transportation.

Attendance

Rhode Island State Law requires the regular attendance of all students enrolled in a public school. The basic intent of the law is to give you the opportunity to receive an education that will enable you to prepare for a happy and successful life. Parents or guardians have the responsibility of ensuring attendance and punctuality.

It should also be pointed out that attendance becomes part of the student's permanent records. **Parents are urged to call the middle school between 8:00 AM and 9:00 AM** each morning to report their child's absence. If no call is received, the school will attempt to contact the parent at home, or at work, to verify the absence. A written excuse for absence is required by State Law. Please send a written excuse for absence on the same day your child returns to school even if you called the school regarding the absence.

A student who is absent on the last day of school before a weekend, vacation, or holiday cannot participate in school activities during that weekend or vacation, or holiday period.

ABSENCE FROM CLASS - Attendance to all assigned classes is mandatory for all students. An unauthorized absence from class will be considered a skip. Students skipping class will receive a zero on all quizzes, tests, papers, and projects given or due in class that day. Additionally, skips may result in further disciplinary action including detention, assignment to ISD, or suspension. A student tardy to class 15 minutes or more without a pass will be sent to administration.

DISMISSAL FROM SCHOOL - Students who must be dismissed from school before 2:30 PM are required to **present a note** from a parent or guardian to the Main Office prior to the first period. Students are expected to make appointments after the school day. Excuses to leave school for appointments should be unnecessary, but if a student is excused, upon return to school the student must present evidence of the appointment. All students must sign out in the Main Office and are to leave the school campus promptly. Approval for dismissal is at the discretion of the administration. Students released early, who have not attended at least half the school day, will not be allowed to participate in after-school activities on that date.

TARDINESS - Time lost from class hinders your child's academic progress. With these goals in mind, the following expectations have been established.

1. Any student not in school by 11:30 AM cannot participate in any after-school activities that day, unless he/she has an excused tardy. **Tardies are excused with a note from the doctor's/dentist's office.**
2. Students will be admitted after 11:30 AM only if a parent notifies the student's Assistant Principal (either in person or by phone) or the student provides written documentation as to why he/she is late, such as a doctor's note, etc. All unauthorized or intentional tardies to school will result in disciplinary consequences.
3. Students, who are not in class by 8:05 AM, will be considered tardy and must report to the Main Office, sign in and receive a late slip **before** reporting to class. Please be advised that a note from a parent or guardian acknowledging the tardiness does not automatically excuse it. Only an administrator can excuse lateness to school because of extenuating circumstances (verified doctor's appointment, a religious obligation, court appearance, etc.) Lateness to school is not an excuse for missing class. Even though the number of times tardy for the quarter resets at the start of each quarter, a cumulative record of a student's tardiness is maintained.

TRUANCY - A student who is absent from school without proper authorization is truant. Rhode Island General Law, Section 16-19-1, states in part

“Every child who has completed or will have completed six (6) years of life on or before September 1 of any school year and has not completed eighteen (18) years of life shall regularly attend some public day school during all the days and hours that the public schools are in session in the city or town in which the child resides. Every person having under his or her control a child as described in this section shall cause the child to attend school as required by this section, and for every neglect of this duty the person having control of the child shall be fined not exceeding fifty dollars (\$50.00) for each day or part of a day that the child fails to attend school, and if the total of these days is more than thirty (30) school days during any school year, then the person shall, upon conviction, be imprisoned not exceeding six (6) months or shall be fined not more than five hundred dollars (\$500), or both...”

In an effort to prevent truancy, the Lincoln Public Schools will continue:

1. To implement procedures for noting daily absenteeism and investigating absences, including procedures for noting the required period of attendance of students attending at-home instruction approved by the School Committee or at a private day school approved by the Commissioner of Education.
2. To appoint a Truant (or Attendance) Officer whose duties shall include referring truant students to appropriate school support services, and if necessary, procedures for enforcing any case through civil action filed in Family Court.
3. To notify the parent(s)/guardian(s) when a child has been absent five (5) or more consecutive days or ten (10) or more cumulative days without proper documentation i.e. unexcused, the administration will be notified for a possible referral to the Truant Officer and subsequently the Truancy Court. This does not preclude the administration from contacting the Truant Officer and also the Truancy Court for any shorter period of truancy if deemed necessary.

Positive Behavioral Interventions and Supports (PBIS)

Throughout the course of the school year, students have the opportunity to earn “Lions Bucks” for acting in a manner that is indicative of the core tenets of what it means to be an LMS student: “Be Respectful, Be Responsible, and Be Ready to Learn”. Students will then have the opportunity to “cash-in” their Lions Bucks for small prizes/rewards, or as raffle tickets for bigger prizes, such as gift cards to local stores/restaurants. Additional information on PBIS is posted throughout the building and shared regularly with students and families.

Library/Media Center

The Library Media Center is located on the main level of the Lincoln Middle School. It is open throughout the school year during school hours. Students come to the Media Center with their teachers to work on projects that integrate information literacy (research skills) and content area knowledge. Teachers also bring classes for book talks and book selection.

Building Guests/Visitors

As a general rule, visitors are not allowed on school grounds during the school day without administrative approval. All approved visitors are to report to the Main Office upon entering the building. They will sign in and receive a guest badge to be worn for the duration of their visit. Guests need to sign out before exiting the building. Any person interested in touring the school should contact the building principal. Non-registered students are not allowed to visit the school.

Early Dismissal From School

Students who must be dismissed from school before 2:30 PM are required to **present a note** from a parent or guardian to the Main Office prior to the first period. Students are expected to make appointments after the school day. Excuses to leave school for appointments should be unnecessary, but if a student is excused, upon return to school the student must present evidence of the appointment. All students must sign out in the Main Office and are to leave the school campus promptly. Approval for dismissal is at the discretion of the administration. Students released early, who have not attended at least half the school day, will not be allowed to participate in after-school activities on that date.

Announcements

Announcements are made from the Main Office. These announcements occur daily during homeroom (8:05), Prior to lunch in the cafeteria (11:20), and at the end of the school day (2:00). All announcements are to be submitted electronically to the office by the faculty/staff member sponsoring the activity.

Security Cameras

Students, Faculty, and Staff are responsible for the purchase of their meals. More information regarding payment, prepayment, and free/reduced meal applications can be found in the district/school department policies section of this handbook.

Chaperones/Volunteers

All chaperones/volunteers need to have a current BCI check on file with the Lincoln Public Schools. All chaperones are expected to maintain confidentiality of our students, faculty, and staff.

STUDENT CODE OF CONDUCT INFORMATION

Lincoln's Behavior Code is the common foundation from which students, parents, teachers, and administrators base decisions concerning behavior. The use of the code ensures that all students will be treated fairly, and the issues will be resolved as promptly as possible. All students will be disciplined in a manner consistent with this guide. This code applies to the school day which covers pre and post school time, in school buildings, and on school grounds. It also pertains to any school function, or any school related/sponsored activity, whether off or on school grounds.

The underlying principle of this guide is that each pupil in the Lincoln Public Schools has the right to be educated without the interference of disruptive students. Accordingly, expectations of acceptable student behavior are specified through this code. Corresponding disciplinary actions are also specified so that each student will be aware of the consequences for non-acceptable behavior.

The goal of the Behavior Code is to foster a positive environment, which promotes learning. A positive school environment is more than a set of rules and their corresponding punishments. The Lincoln Public Schools will continue to provide a structure of incentives to acknowledge and reward students for proper behavior and academic achievement. The administration's judgment will qualify and determine any final decision, which may be appealed to the principal. Such an appeal must be filed in writing within 24 hours of the imposition of a sanction and will be heard immediately.

The Lincoln Public Schools use this chart as a guideline for administrators in applying the school behavior code. It is the administrator's responsibility to investigate, gather information, and make the final decision in applying the discipline code.

Administrative Guidelines for Applying the School Behavior Code

The list on this and the following page is used as a guideline for administrators in applying the school behavior code. It is the administrator's responsibility to investigate, gather information, and make the final decision in applying the discipline code

Consequences

Detention: For a first offense no more than three sessions of detention may be assigned. **Recurrence of the same offense will result in more progressive discipline and may result in activating the suspension process.**

Detention falls into two categories: teacher detention and administrative detention. Failure to report for teacher detention will result in administrative detention. Failure to report for administrative detention may result in a doubling of the originally assigned time. A second offense can result in school detention (ISD) or suspension. Parents of secondary school children will be notified, by the teacher for teacher detention or an administrator for administrative detention, within twenty-four hours of assignment of detention.

Administrative Detention Rules

1. Detention is held from 2:45 to 3:45 PM in a location to be determined by the administration.
2. Lateness is not excusable; students arriving late will be refused admittance and referred to administration.
3. Students are not allowed to bring candy, soda, gum, or food of any description to the session. The use of any type of electronic device is forbidden.

4. Students must perform school-related work or assigned work for the duration of the detention period.
5. Students must maintain absolute silence throughout the session.
6. An unexcused absence will result in the assignment of two additional detentions, in-school suspension or suspension.

In School Detention

In School Detention (ISD) is an attempt by the school district to keep a student in school and may be assigned by an administrator in lieu of *Out-Of-School Suspension*. A student who has been assigned ISD is not to participate in after-school activities on the day of the assignment. A student will receive assignments from each of his/her teachers and is expected to complete each one. Electronic devices not required to complete specific academic assignments are not allowed in ISD. A student must secure these items in his/her locker or relinquish them to an administrator prior to entering ISD.

Failure to report to ISD, unless excused by an administrator, will result in additional disciplinary consequences. A student is expected to adhere to the rules of ISD. If a student refuses to comply with the rules of ISD, he/she may be suspended out of school for a minimum of 1 day.

If a student completes work assignments in ISD, he/she will receive full credit. Refusal to complete an assignment will result in a grade of zero for the assignment without the opportunity to make up the assignment at a later date. If a teacher has an assignment that cannot be completed in ISD (test, quiz, etc.), the student must make arrangements with the teacher to complete the assignment within 2 days, with a possible loss of points.

Suspension

Suspension is the responsibility of the building administrator and will not be assigned for less than one (1) school day or more than ten (10) school days. (A twenty-four (24) hour period from 8:00 AM to 8:00 AM will constitute one (1) day of suspension.)

1. Suspended students will be afforded an opportunity to make up work missed during the time of suspension. If feasible, tests will be made up after school hours in a designated location. Prior to suspension, a student will be informed of the misconduct with which he/she has been charged: evidence supporting the allegation will be explained and an opportunity for the student to explain his/her position and present his/her side of the controversy will be offered. The administrator will consider the explanation of the student when determining whether suspension is appropriate. The hearing will precede the student's removal from school and shall follow the incident as closely as possible. In the event that the student's continued presence endangers him or herself, other persons or property, or threatens disruption of the educational process, removal will be immediate and the hearing shall follow as soon as practicable.
2. In all cases of suspension, an effort will be made by the administration to contact the parents immediately, and inform them of the reason and duration of the suspension. Notification of the reason and duration of suspension in writing will be mailed to parents within forty-eight (48) hours.
3. Students may not take part in any school activity during the period of suspension and must be accompanied by parents for a conference with the administrator prior to their return to school. Long Term Suspension is the removal of a student from the school for more than ten (10) school days following a hearing and formal action by the School Committee.
4. Students suspended OSS must meet after 8:05 AM with administration and their parents for re-admittance.

5. A STUDENT IS SUBJECT TO SUSPENSION AND/OR EXCLUSION FROM ALL EXTRACURRICULAR ACTIVITIES FOR A PERIOD OF UP TO 1 YEAR FOR A VIOLATION(S) OF THE STUDENT BEHAVIOR CODE.
6. Conduct that endangers persons or property or is seriously disruptive of the educational process. Included within, but not limited to, such prohibited conduct are the following acts.
 - a) Conduct causing a threat of danger to the physical well-being of himself/herself or other people.
 - b) Physical assault on another person on school premises or buses, or school-sponsored events or activities, which is not reasonably necessary for self-defense.
 - c) Taking or attempting to take, personal property or money from another pupil, or from his person, by means of force, or threat of force.
 - d) Causing, or attempting to cause damage to school property.
 - e) Defiance of the authority of any teacher or person having authority over the student, including verbal abuse of said teacher or person.
 - f) Leaving the school grounds without administrative permission.
 - g) Smoking in any area on school property during school, or at any school function.
 - h) The use or possession of alcoholic beverages, narcotics, marijuana, prescription medication, etc., on school property, during school, or at any school function.

Due Process

When a suspension of ten (10) days or less is appropriate, the administrator will be responsible for implementing the following procedure as outlined by the Board of Regents' Regulation:

- a. That the student is given oral or written notice of the charges against him/her.
- b. That if the student denies the charges, the student is given an explanation of the evidence the authorities possess.
- c. That the student is given the opportunity to present his/her version, and
- d. That notice and hearing generally should precede the student's removal from school since the hearing may almost immediately follow the incident, but if prior notice and hearing are not feasible, as where the student's presence endangers persons or property or threatens disruption of the academic process, thus justifying immediate removal from school, the necessary notice or hearing shall follow as soon as practicable.
- e. A notice containing the reason for suspension and the duration thereof will be given to the parent(s) or guardian(s). Such notice shall be given in the parent's spoken language unless it is clearly not feasible to do so.
- f. The imposition of suspension for ten (10) days or less shall not preclude reference of the matter to the Superintendent and School Committee for possible imposition of suspension in accordance with the procedures for long-term suspensions.

When suspensions of more than ten (10) days (Long Term Suspension) may be appropriate, the Superintendent and School Committee will be responsible for implementing the following procedures as outlined by the Board of Regents' Regulations.

1. Prior to suspension, except for such time as not feasible, as where the student's presence endangers persons or property or threatens disruption of the academic process, thus justifying immediate removal from school, the necessary notice or hearing shall follow as soon as practicable, the student shall be afforded:

- i. a clear, written statement of the reasons for the suspension that may be imposed.
 - ii. notice of the right to prompt public or private hearing, before the School Committee, at the student's election, and the right to be represented by counsel at such hearing, and
 - iii. if a hearing is requested, the student shall be given a prompt notice setting the time and place of such hearing, said time and place to be reasonably set so as to allow sufficient time for preparation, without undue delay.
2. In the event a student has not attained the age of majority (18 years), the parent or guardian shall be afforded the procedures stated in Sections i., ii., and iii. above. Such notice shall be written in the parent's spoken language unless it is clearly not feasible to do so.
3. The student shall be afforded a hearing at which the student shall have the right to:
 - i. representation and participation by counsel, and
 - ii. cross-examine witnesses and present evidence on their behalf.
4. There shall be a complete and accurate (stenographic or electronic) record of the hearing including all exhibits. The record shall be preserved for transmission to the Commissioner of Education as soon as possible in the event of an appeal.
5. The student shall be furnished with a copy of the record without cost.
6. A written decision shall be rendered, within a reasonable time, based exclusively on the record detailing the reasons and factual basis thereof.
7. The student shall promptly be provided with a copy of the said decision.
8. A copy of the decision, together with the record, shall be promptly forwarded to the Commissioner of Education if there is an appeal.

Notification of Suspension

In all cases of suspension no student will be released early from the school building without his/her parent's knowledge. If the building administrator deems it necessary, the police will be notified and may be requested to become involved.

Appeals Process for a Disciplinary Action

If a parent/guardian believes a disciplinary action toward their child was unjust, they may appeal using the following process. The appeal process should be initiated within three (3) days of notification.

1. Contact the administrator who assigned the punishment and request a meeting.
2. If the parent(s)/guardian(s) are not satisfied with the results of the meeting with the administrator, they may appeal to the Principal. They should contact the Principal's Office.
3. If the parent(s)/guardian(s) are not satisfied with the results of the meeting with the Principal, they may appeal to the Superintendent. The parent(s)/guardian(s) should contact the Office of the Superintendent.
4. If the parent(s)/guardian(s) are not satisfied with the results of the meeting with the Superintendent, they may request a meeting with the School Committee.
5. Appeals of School Committee decisions are directed to the Rhode Island Department of Education and/or the court system. The Superintendent's Office, or Legal Counsel to the Lincoln Public Schools, will give direction.
