

Important Health Records Required for All Incoming Freshmen and Transfers

Dear Parents/Guardians,

All incoming freshmen and transfers are required to submit the following health records to the Main Office by September 11, 2026:

- Complete and up-to-date immunization records
- Health physical examination completed within the current year

If your student has a medical condition or health concern, appropriate documentation from the student's healthcare provider must also be submitted to the Main Office, Attention: Mr. Matthew Cumber. .

Students with asthma or a seizure disorder must have the following on file:

- A current Asthma Action Plan or Seizure Action Plan completed by the student's physician
- Any medications needed to manage the condition
- Emergency medication required by the student must be supplied by the parent/guardian and kept in the School Nurse's office, in accordance with school requirements.

Please ensure that all required health records and documentation are submitted directly to the Main Office, Attention: Mr. Matthew Cumber, by September 11, 2026. Having these records on file is essential to ensure that we can properly respond to your student's health and safety needs while at school.

All medical forms are available at: www.stahs.net/forms

If you have any questions regarding the required documentation, please contact the Main Office.

Thank you for your cooperation in helping us maintain a safe and healthy school environment for all of our students.

Sincerely,

Mr. Augustus Modla
Principal
