Dear Keansburg Parents and Guardians,

We hope this letter finds you well. As we prepare to begin another exciting school year, we want to extend a warm welcome to all of our returning families and a special greeting to those who are new to the Keansburg School District. We are excited to have you with us for a year filled with growth, learning, and meaningful experiences.

The first day of school is **Thursday, September 3, 2026**. Throughout the summer, our dedicated teachers, administrators, and staff have been working diligently to prepare safe, engaging, and nurturing learning environments for all students. We remain committed to providing an exceptional educational experience that equips every child with the skills, knowledge, and confidence needed to succeed in an ever-changing world. We are excited for you to see the many improvements taking place across our schools, with even more exciting initiatives to come throughout the year!

One of the most important tools that helps strengthen the partnership between home and school is the **Genesis Parent Portal**. This online platform allows families to stay informed and actively engaged in their child's educational experience.

Beginning Tuesday, August 11, 2026, the Genesis Parent Portal will open for all parents, students, and staff. Student schedules and class assignments will be available at that time. Before you can view your child's schedule, you must complete the required online forms for **each student**.

As part of this process, please:

- Review and update your child's emergency contact information.
- Ensure that **mobile phone numbers** are entered for both **Guardian 1** and **Guardian 2** so you can receive important district communications through **TalkingPoints**.
- Complete any required student forms. (Some forms require student acknowledgment at the middle and high school levels.)
- Upload **two current proofs of residency** for each family.

Acceptable proofs of residency include:

Primary Proof

- Lease agreement
- Mortgage statement
- Certificate of Occupancy
