Welcome

Welcome Back to the 2026–2027 School Year!

Dear Steelton-Highspire School District Students and Families,

On behalf of the Steelton-Highspire School District Board of School Directors, administration, faculty, and staff, it is my great pleasure to welcome you to the 2026–2027 school year!

As we begin a new year together, we are filled with excitement and optimism for the opportunities that lie ahead. A new school year represents a fresh start—a chance to learn, grow, build new friendships, and achieve new goals. Whether you are joining us for the first time or returning as a familiar face, we are thrilled to have you as part of the Steelton-Highspire family.

Our commitment remains steadfast: to provide every student with a safe, welcoming, and engaging learning environment where they are challenged academically, supported socially and emotionally, and inspired to reach their fullest potential. We believe that every student has unique talents and abilities, and we are dedicated to helping each one succeed both inside and outside the classroom.

This year, we will continue to focus on academic excellence, student achievement, and preparing our students for success in college, careers, military service, and life. Through innovative instruction, extracurricular activities, athletics, fine arts, and community partnerships, we will provide meaningful opportunities that empower our students to become confident learners and responsible citizens.

Success is built through strong partnerships between our schools, families, and community. We encourage parents and guardians to stay engaged by communicating regularly with teachers, participating in school events, and supporting their children's educational journey. Together, we can create an environment where every student thrives.

To our students, I encourage you to approach this school year with curiosity, determination, and kindness. Challenge yourselves to set high goals, embrace new experiences, and support one another along the way. Remember that every day is an opportunity to learn something new and make a positive difference in our school community.

As we open our doors for another exciting year, thank you for your continued trust, support, and commitment to the Steelton-Highspire School District. We are honored to serve our students and families, and we look forward to celebrating your achievements throughout the year.

We wish each of you a successful, healthy, and rewarding 2026–2027 school year.

Welcome back, and let's make this our best year yet!

Sincerely,

Willie Slade
Superintendent
Steelton-Highspire School District

Mission Statement

Together, we work with members of the board, district staff and community to educate and develop the whole child to compete, produce, and lead in our ever-changing society.

Vision Statement

Steelton-Highspire School District is transforming to excellence in all services and for all students.

Our Shared Values

The Steelton-Highspire School District values relationships, tradition, competition, and our alumni.

We understand that for all students to be successful in post-secondary training and employment, the district must ensure the following:

- Students are our primary focus and responsibility.
- Everyone is treated with dignity and respected for his/her uniqueness.
- Cooperation among and commitment from students, parents, community, administration, faculty and support staff are essential parts of our learning environment.
- Disciplined behavior and pro-social skills are basic to continued growth for all students.
- A strong educational program supported by high quality resources will enhance the education of our students.
- District programs are enhanced when supported by continuous training of staff.

Attendance

Regular attendance at school is necessary to maintain a good scholastic rating and develop in the pupil the personal traits that are expected by future employers. When students are frequently absence or tardy, they lose valuable classroom instruction and experiences that cannot be made up. We encourage all students to attend school regularly. However, we know that students become ill, or have various appointments that can only be scheduled during the day. Every absence should be for a justifiable reason. Below you will find an abbreviated version of our attendance procedures. If you have additional questions, or would like to view our complete attendance policy, you may call your student's school or visit our website at www.shsd.k12.pa.us.

Attendance Procedures

1) On the day of the absence, you will receive a phone call and a text message. You must submit an excuse note within 3 days of the absence or it will be considered unlawful/unexcused. To submit the absence note, you can respond to the text message, call the office, or email our attendance emails. We do not recommend sending in paper notes, as they may be misplaced. The absence note must contain the student's full name, reason for the absence, date(s) of absence, and parent/guardian name.
2) Unexcused tardiness can be cumulative and converted into days of unexcused absence. This action may result in an offense punishable by a fine for students of compulsory a school age or a referral for disciplinary action.
3) Students who miss 10+ days of school will be placed on a doctor's note restriction, which means that for all absences moving forward, we cannot accept a parent/guardian excuse. A doctor's note must then be provided for all future absences or the absence(s) will be considered unlawful.
4) If you elect to register your child for kindergarten, your child will be subject to compulsory education (attendance) rules as outlined by the Commonwealth of Pennsylvania.
5) Educational trips for a maximum of up to 5 school days must be approved prior to the trip by the building principal.

Dress Code

At Steelton-Highspire School District, we believe students should dress comfortably and appropriately for a focused and respectful learning environment. These guidelines help everyone stay safe, confident and distraction-free.

- Transparent or immodest clothing which attracts undue attention may not be worn.
- No midriff or underwear may be visible.
- Small headbands and barrettes may be worn for the purpose of restraining hair. Hats, sunglasses, bandannas, or head coverings of any type are not permitted. (Hats will be permitted on administratively sanctioned “Hat Days”.) Ski masks, bonnets, and hoods are not permitted.
- Shoes must be worn at all times. (Flip flops, slides and platform shoes are prohibited due to the potential for injury.)
- Any clothing that presents a safety hazard or interferes with the educational process will not be allowed.
- Coats, gloves and jackets must be kept in coat rack/locker areas during instructional time. Exceptions to this rule may be made by the administration or the classroom teacher.
- Clothing with slogans/pictures displaying or suggesting the use of tobacco, weapons, alcohol, drugs, obscene language, sexual innuendos, lewd or illegal behavior or which is derogatory to any person/group for reasons of race, religion, disability, age, gender, national origin or sexual orientation in violation of civil rights laws prohibiting harassment or discrimination is not permitted.
- Clothing with ornamentation that will scratch or mark furniture or presents possible danger of injury to the wearer or others (chains, spiked wristbands, studded bracelets or belts) may not be worn.
- Pajamas (including pajama bottoms/pants) are not permitted.
- Small purses will be allowed.

Students not abiding by this dress code will be required to change into an appropriate outfit utilizing the items on hand at school, or if necessary, parents will be called to bring appropriate clothing so that the student may resume their regular schedule. Our dress code is designed to promote a safe, inclusive and respectful environment. Thank you for your anticipated cooperation.

Questions regarding student dress code guidelines may be directed to building administration.

English Language Development

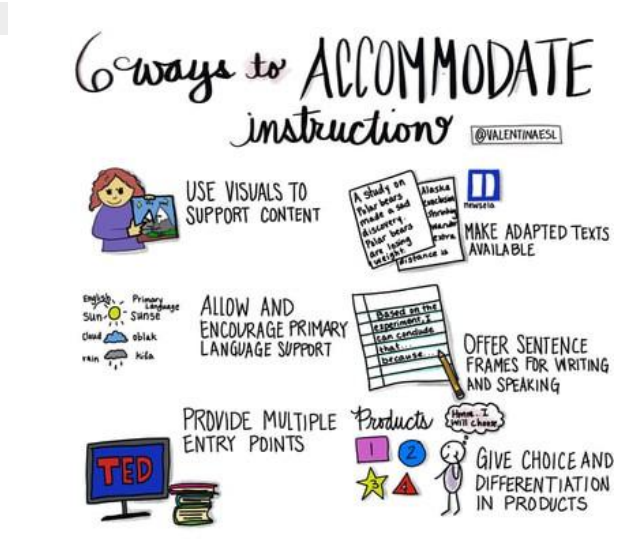

In Steelton-Highspire School District, nearly 10% of our students and their families use a language at home other than English, including Spanish, Swahili, Arabic, and Haitian Creole. Steelton-Highspire School District provides targeted services and supports to assist students in mastering the English language through our ELD Program (English Language Development Program).

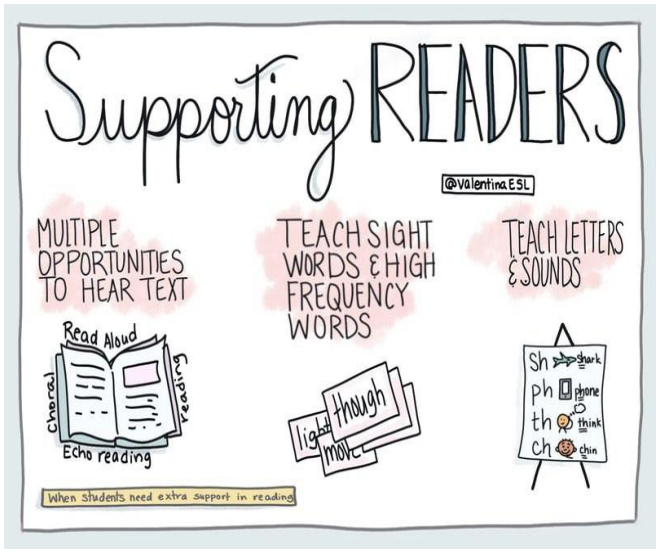

How do you know if ELD support is right for your child?

When a new student enrolls in Steelton-Highspire School District, our ELD Coordinator reviews each student's home language survey. If a family indicates that a language other than English is spoken at home, we will conduct our Family Interview to get further information about what language looks like in your home. Then potential English learners are screened in reading, writing, speaking, and listening to determine their English proficiency.

Parents whose children qualify for ELD services are notified, in a language they understand, of the assessment results, which include an English Language Proficiency level. Scores are reported as an English Language Proficiency (ELP) Level from 1 to 6.

If your child qualifies for ELD services (English Language Development), he or she will receive a combination of a variety of instructional supports such as:

Gonzalez, V. (n.d.). *Infographics*. Serving Multilingual Learners of All Ages. Retrieved from https://www.valentinaesl.com/infographics.html

Special Education Services

Special Education Services and Programs, Services for Gifted Students and Services for Protected Handicapped Students

According to state and federal special education regulations, annual public notice to parents of children who reside within a school district is required regarding child find responsibilities. School districts are required to conduct child find activities for children:

- who may be eligible for services via Chapter 14 of the Individuals with Disabilities Educational Improvement Act of 2004 (IDEA). For additional information related to Chapter 14/IDEA, please refer to Chapter 14, IDEA, or to the website: //www.pattan.net/.
- who may be eligible for services via Section 504 of the Rehabilitation Act of 1973. For additional information related to Section 504/Chapter 15 services, please refer to Section 504, Chapter 15, or the Basic Education Circular, titled "Implementation of Chapter 15."
- who may be eligible for gifted services via 22 PA Code Chapter 16. For additional information regarding gifted services, please refer to 22 PA Code Chapter 26. If a student is both gifted and eligible for special education, the procedures in IDEA and Chapter 14 shall take precedence.

This notice shall inform parents throughout the Steelton-Highspire School District of the child identification activities and of the procedures followed to ensure confidentiality of information pertaining to students with disabilities or eligible young children. This information is also published on the District website.

All school age children can be eligible for special education programs and services. If parents believe that their child may be eligible for special education, the parent should contact the principal of the child's school, or the Special Education Office at (717) 704-3800 ext. 3349.

Children ages three through the school-age admission are eligible for Early Intervention services if they have developmental delays and, as a result, need special education and related services. Children who are less than the age of beginners and at least 3 years of age are considered to have developmental delay when difficulties exist in the areas of cognitive, communicative, physical, social/emotional, and self-help development.

If you have questions regarding Early Intervention, please contact the Capital Area Intermediate Unit 15 Early Intervention Program at (717) 732-8400.

Roller Cyber Academy

The mission of the Roller Cyber Academy (RCA) is to provide a rigorous education through virtual learning to encourage students to achieve academically and engage in a 21st-century learning environment while developing socially and emotionally to become lifelong learners.

The SHSD cyber program utilizes a combination of online learning platforms including CAOLA and ACELLUS. Platforms are assigned to students based on the required courses that they will need to progress to the next grade level. The district monitors student's cyber attendance, work completion, and grades very closely to ensure that the cyber platform is an appropriate learning option for each student.

To apply for the RCA, parents should submit an online application at https://secure.smore.com/n/ec681. Paper applications can also be provided. Once the application is received, it will be reviewed for approval. Approval is based on the student's grades, needs, and any previous cyber experience (if applicable). Once approved, parents and students are required to attend an orientation and parents must sign off on our RCA agreement form. Courses will then be assigned and your student(s) will be monitored weekly so that we can provide support as needed.

For more information on the Roller Cyber Academy, please contact our Student Success Advisor, Mrs. Leane Thorn-Beckey, at lthorn-beckey@shsd.k12.pa.us or 717-704-3800 (Ext. 3876).

Other Important Information

- Once your registration has been completed, you should hear from your building within a few business days regarding your student's start date. If you have questions once your registration is complete, please get in touch with the appropriate building.

- SHSD utilizes an automated communication system for district/building communications, events, and emergencies. Please be sure to attend to these communications, as they will provide need-to-know information for your student.

- Subscribe to our social media pages for ongoing communications.

- Free breakfast and free lunch is provided to all students.

- To contact the Department of Student Services, Special Education Department, or upper administration, please call 717-704-3800 (Ext. 4).
