

ATHLETIC PLACEMENT PROCESS (APP)

PARENT/GUARDIAN PERMISSION

The Athletic Placement Process (APP) is a program for evaluating (7th & 8th grade) students who want to participate in sports at a higher level (Varsity/Junior Varsity), allowing them to participate safely at an appropriate level of competition based upon physical and emotional readiness and athletic ability. Students do not mature at the same rate, and there can be tremendous developmental differences between students at the same age. The APP is aimed at the few, select students who can benefit from such placement because of their readiness. Remember, at the higher level of play your child will be exposed to the social atmosphere that is common among older students in high school environment. Therefore, it is important to take into account your child's ability to handle the additional demands.

You must have a valid physical that includes approval to participate in sports.

***** Please note: A Tanner score and passing of a fitness test are no longer required. Attendance at tryouts is mandatory.
