

BONDUPDATES

tomballisd.net/bond

We're excited to keep our community informed as bond projects move forward. Some updates may seem small, others more noticeable, but each one is an important step in providing the best opportunities for our students.

Thank you for your continued support in making these improvements possible!

AUGUST 2026

Tomball West High School

Bond 2021

Grand Opening & Ribbon Cutting

- Tomball ISD celebrated the official Grand Opening and Ribbon Cutting of its third comprehensive high school, Tomball West High School on July 27.
- Over 1,000 students, staff, families and community members celebrated the historic day.

Agricultural Project Barn & Competitive Soccer Field

- As of July 29, final wrap up is underway for both facilities as the contractors work through punch list items prior to the start of school.

Forced Main Sewer Connection - West Complex Site Development

- Deanco has completed the underground boring connecting the West Complex to Tomball ISD's wastewater treatment plant. Final connections and cleanup is underway to have the system fully operational this August.
-

Creekside Park Addition Bond 2021

- Construction on the 5th grade addition has reached substantial completion.
- Final cleanup of the building and parking lots are underway to prepare the campus for staff and students this August.

Transportation Center

Bond 2025

- Gamma Construction began site development work on the parking lot expansion in July.
- The expansion project will increase parking space to accommodate a total of 365 buses and 304 staff vehicles.
- Also included in the scope of work will be the realignment of the main entrances, new security gate, updated lighting, security fencing and security cameras.

Turf Installation

Bond 2025

- The artificial turf and track replacement at Tomball High School began in June 2026 and is nearing final completion with the field available for use this August.

Elementary Campus Refresh

Bond 2025

- Elementary campus refresh projects are underway at Tomball Elementary, Decker Prairie Elementary, Willow Creek Elementary, Canyon Pointe Elementary, Rosehill Elementary as part of the 2025 Bond campus refresh projects.
- Refresh projects may include updates to libraries, gymnasiums, front offices, and cafeterias, and will create bright, inviting spaces that support learning, collaboration, and daily campus life.
- Construction activities will continue throughout the early weeks of the school year, with work carefully coordinated to minimize disruptions to teaching and learning.
- These campus refresh projects introduce consistent branding, colors, and design elements throughout Tomball ISD, creating a cohesive experience for students, staff, and visitors while celebrating the district's identity.

Below are a few examples of what refresh projects are underway.
