Important operating notes

- UID Enrollment Event files are due September 11, 2026; thereafter, submit weekly when enrollment or withdrawal activity occurs.
- RFT data should continue to be reported as students enter or exit residential facilities, or at least monthly throughout the school year.
- For year-round LEAs, the PEIMS Summer resubmission may be delayed until two weeks after the latest track ends or August 19, 2027, whichever comes first. The initial submission remains due June 17, 2027.

Dates are organized chronologically for planning convenience. Refer to official TEA guidance for changes or extensions.
