

Liberty Middle School

Want to support LMS?

Liberty Middle School is more than just a place for learning - it's a hub where students, families, and community members come together to **learn, grow, and thrive**. Whether you contribute financially or donate your time and services, your generosity helps us provide our students with the resources they need to thrive. With your help, we can fund classroom materials, support student programs, improve our campus, recognize our hard-working teachers, and celebrate student's many achievements. Thank you for helping us build **stronger school and a bright future for every student.**
