Student's Name _____ Grade: _____

Room #: _____ Teacher's Name _____

Student Cell Phone #: _____

Current state law allows students to bring cellphones to school, with parental permission, for use during an emergency. District policy permits the use of cell phones **for emergencies only** and their presence on school grounds will be allowed as long as students follow the guidelines below.

This policy applies to all personal electronic devices. This includes, but is not limited to:

- Cell phones and smartphones
- Smartwatches
- Tablets and personal laptops
- Handheld gaming devices
- Wireless earbuds and headphones

1. Personal mobile devices must be turned completely off (or set to silent) and securely stored for the entirety of the school day.
2. This policy is in effect from the morning arrival until the final dismissal. It includes all instructional time, passing periods, recess, lunch, and school-sponsored activities during standard hours.
3. Cell phones are to be turned into the teacher each morning and returned at the end of the day. If a student fails to abide by these rules, he/she may lose the right to carry a cell phone with him/her during school hours.
4. Cell phones are not to be used to call parents, friends, or relatives during the school day in place of school phones except for extreme emergencies and with school permission.
5. The school is not responsible for cell phones brought to school and will not be liable for damaged, destroyed or lost cell phones.

I give my child permission to have a cell phone at school. My child and I have reviewed the guidelines listed above and agree to abide by these rules. If the student fails to abide by these rules and the cell phone is taken away for the day, a parent or guardian will need to come to the office and pick the cell phone up.
