August, 2026

Dear Fourth-Grader,

My name is Mrs. Dutlinger and I will be your fourth-grade teacher! I am so excited to have you in my class. This year will be packed with new and exciting adventures, and I can't wait to get started!

This will be my seventh year teaching, and my second year in fourth grade at Antolini. This summer was filled with many adventures with my two year old daughter, Harper, who you will hear a lot about this year. You will also hear so much about her baby brother who we just added to our family. Because of this, I won't be starting the school year with you, but rather in November. We are working to find the perfect long-term substitute to start our year. You will receive more information very soon!

Parents: Please email me from all of your preferred email accounts. These are the addresses that I will use for frequent communication. In this email, feel free to share any information you believe will help me support your child throughout this year. I would love to know strengths, challenges, preferences, ideas that have worked in the past, or any information that is important for me to know. Our partnership is key for your child's success this year.

We will have a meet and greet at the end of August where you can come see our classroom! You also will be receiving a supply list for our class. If you have any questions about any of the items, please contact me.

Enjoy the next few weeks. I am looking forward to meeting you!

Love,

Mrs. Dutlinger

dutlingerh@newhtfd.org
