JEFFERSON PARISH SENIOR CAR GIVEAWAY:

We are pleased to announce that Premier Automotive, one of our valued community partners, is once again sponsoring the Senior Perfect Attendance Car Giveaway for the 2026 through 2027 school year. Through this exciting attendance incentive, one eligible Jefferson Parish Schools senior with perfect attendance will have the opportunity to win a brand new vehicle.

This initiative encourages students to make attendance a priority throughout their senior year while reinforcing the connection between consistent attendance, academic success, positive behavior, and future opportunities.

Eligibility Requirements

To be eligible for the drawing, a student must meet all of the following requirements:

• Be a first time senior with 18 or more credits and be on track to graduate in May 2027.

• Be continuously enrolled in a Jefferson Parish high school for the entire 26-27 school year. Students who graduate at midyear are not eligible.

• Maintain perfect attendance for the entire 26-27 school year.

• Perfect attendance means no absences (excused or unexcused), no suspensions, no tardies, and no early checkouts.

The only exemptions to the perfect attendance requirement are documented bus related absences that have been verified and approved as excused and absences for approved school related business. No other exceptions will be permitted.

Prize Information

The winning student and the student's parent or legal guardian, if the student is under 18 years of age, are responsible for all costs associated with accepting the prize, including tax, title, license, registration, insurance, and any other applicable fees.

School begins for seniors on Friday, August 7, 2026. Please encourage your senior class to begin the year with a commitment to attending school every day. Promotional posters will be delivered to your campus for display.

Message from our school nurse:

Please note, emailed or physical copies of immunization records do not need to be sent to school. All immunization certificates are verified through the LINKS system by the nurse. If there is a deficiency when these are checked, a letter will be sent home indicating what vaccinations are deficient and you will be able to reach out with any questions or concerns.

Thank you.

Medication Reminder

For the safety of all students, please remember that students are **not permitted to carry any over-the-counter medications or prescription medications** in their pockets, backpacks, purses, athletic bags or any other personal bags while at school.

All medications must be checked in with the school nurse and administered according to school policy. Students who need to carry an inhaler or EpiPen for medical reasons may do so only after the medication has been checked in with the nurse and a **Contract to Carry** has been completed and approved by the school nurse.

Thank you for helping us maintain a safe and healthy learning environment for all students.

Any student found in violation of this policy, will receive disciplinary action.

Work Permits:

Effective immediately, schools are no longer authorized to issue Employment Certificates.

Pursuant to Louisiana House Bill 232 (2026), signed into law by Governor Jeff Landry on May 11, 2026, the responsibility for issuing Employment Certificates has transferred from school issuing officers to employers.

The updated process is as follows:

1. A student first accepts an offer of employment.
2. The employer provides the student with the Employment Certificate Form.
3. The form is available at www.laworks.net.
4. After the form is completed, the employer submits it by email to EmploymentCertificate@la.gov.
5. The Employment Certificate is considered issued once the employer receives email confirmation from the Louisiana Workforce Commission.

If families or employers have questions regarding the new process, they may contact the Louisiana Workforce Commission at: Email: EmploymentCertificate@la.gov, Phone: 225-342-2683.

Parent Notes:

Parent notes for unexcused absences will no longer excuse days for promotional purposes. If a student is absent from school, a doctor's note is needed to excuse the day. A parent note is now classified as Non-Exempt/Excused which will allow the student to make up the missed school work but will not excuse the day. Attendance/promotion policy is below.

Elementary/Middle Schools:

According to the policy a middle school student can miss no more than 14 days of school to be eligible for promotion. Remember, a parent note WILL NOT excuse any absent days from this count. A student who misses more than 14 days, will need doctor notes to excuse the excessive absences or the student will have to complete M.U.S.T (Make Up Seat Time) in order to pass the class. Failure to turn in Dr. Notes or complete M.U.S.T. will result in the student failing the class due to the attendance policy.

High School Students:

In order to receive grades for a semester/year, high school students can miss no more than 7 days per class in the first semester and 7 days per class in the second semester. Remember, a parent note WILL NOT excuse any absent days from this count. A student who misses more than 7 days in a semester, will need doctor notes to excuse the excessive absences or the student will have to complete M.U.S.T (Make Up Seat Time) in order to pass the class. Failure to turn in Dr. Notes or complete M.U.S.T. will result in the student failing the class due to the attendance policy.

Required Attendance:

All students are required to attend one day within the first 5 days of school. **Failure to attend Haynes Academy within the first 5 days of school**, **will forfeit your child's seat at our school.** Attendance will be taken at every period. Students need to make sure they are in class on time.

More information regarding the Attendance policy can be found here:

A student driver who is late to school must check in at the front office prior to heading to class. Arrive early enough to park and make it to class on time. Parking is not an excuse for being tardy to class. If you are tardy, the gate will be locked. You will have to walk around the school and come to the front office to get a tardy slip

Parking Passes (student drivers):

Parking passes will be available in the front office. Parking passes cost $4.00 and can be paid for using www.Schoolcashonline.com. Bring all of the following with you when you come to the front office to obtain your parking pass:

Student Fees:

All students are required to pay student fees. Students may receive a 50% reduction in some student fees if their family meets the guidelines for the JP Schools economic waiver. The Haynes Academy Students Fees for the 2025-26 school year are posted here:

Haynes School Fees

If you need to file for a reduced fee waiver, please contact Tanya.Heck@jpschools.org to get the Jefferson Parish School Economic Waiver form.

Cashless:

To improve efficiency and accuracy in our financial processes, we are transitioning to a cashless payment system for items, fees, activities, sports, and similar expenses. Any payment over $5 will be processed through School Cash Online. School Cash Online provides an electronic receipt immediately upon payment, allowing you to keep a clear record of all fees you have paid. This system benefits both our bookkeeping process and your ability to track payments, while also eliminating the risk of lost paper receipts through students.

    - Middle/High Schools (grades 6-12) are required to submit (2) monthly drills due by the 15th and the 30th of each month

Student Schedules and Schedule Changes:

Student schedules should be available in the Student Progress Center (SPC) around the first week of school. **If possible, please print them as students will not be allowed to access their schedules from their phone due to state law changes regarding cell phones on campus.**

Once students enter high school, their password is changed by the parish to give them access to our Jefferson Parish Email Accounts. Students will receive their password and login information in their welcome packets.

****Important Update for the 26-27 School year and beyond****

Late Work and Make Up Work Policy

Haynes Academy holds students to high expectations in order to ensure they're prepared for their future. Meeting deadlines and being held accountable for completing their schoolwork in a timely fashion is incredibly important preparation for their futures. Because of this, Haynes has a campus-wide late work policy that will be used in every teacher's classroom.

For student athletes and those attending school sponsored field trips, the expectation is that students reach out to their teachers before the missed class(es) for their work and to plan any make-up dates. It is the responsibility of the student, not the teacher, to reach out regarding assignments.

If a child received an assignment at school but is absent on the date an assignment is DUE, the child is expected to turn in that assignment on the day he/she returns to school.

Please read this policy and familiarize the expectations to avoid any misunderstandings.

Policy:

Late major/minor assignments will affect a student's grades. The following policy is in effect for our entire student body.

Late Work (not due to an excused absence)-
Turning an assignment in late will affect a student's grades in the following ways:

- **Assignments categorized as participation are not eligible for submission after the original due date provided by the teacher of record. A 50% F will be earned.**
- **For assignments that are categorized as major or minor, they may be turned in on the next day their class meets and in exchange they will have 10 percentage points deducted from their earned grade. This opportunity qualifies as their opportunity for grade recovery.**
- **Major/minor assignments submitted later than one day earn a 50% F and are ineligible for grade recovery. Students may submit this work for teacher feedback, as long as that is the teacher's policy. This ensures that students do not fall behind in academic progress.**
- **Students that miss an assessment will be given an alternative version of the assessment. These assessments must be completed within three days of their return. Students should communicate with their teacher to establish the make-up time and location.**
- **Students with "extended time" on their IEP/IAP must turn in work on the date their individual assignments are due, per the teacher.**

*Make-Up Work (due to an excused absence**)-*
When a student is absent from a class and is excused, the following guidance must be followed to earn a grade for their missed work:

- Students absent for one to two days are given three days to complete all make-up work due while they are absent. For example, a student absent on Monday only would have until the end of the school day Thursday to complete all missed assignments from Monday.

- Students absent for three to five days are given one calendar week from their return to complete all make-up work due while they are absent. For example, a student absent Monday, Tuesday, and Wednesday would have until the end of the school day on the following Thursday to complete all missed assignments.
- Students out six or more days must meet with their teachers to determine a plan for completion of work in a timely fashion.

In all cases of a student being absent and wishing to complete make-up work, it is the responsibility of the student to communicate with their teacher about makeup work. If a student fails to discuss their responsibilities with their teacher, within the time frames listed above, they will earn 50% for all missed work including major assessments.

Special note for students with the "extended time" notation on a 504 or IEP document:
Extended time students fall within the above categories as the student is given extended time to make up their work. In this instance, students would have to communicate with their teacher on the exact due date plan for them to ensure accommodations are met.

If there is any confusion regarding this portion of the policy, please reach out to the assigning teacher for specifics regarding their expectation.

****Types of Excused Absences**

- Exempted and Excused: The student is allowed to make up missed work and the absence is not counted against attendance requirements. Examples are doctor appointments and/or extended illness documented by doctor's note, court, death in immediate family, or religious holidays with proper verification.
- Non-Exempt and Excused: Absences incurred due to personal illness documented by parental notes. The student is allowed to make up missed work and absences are considered when determining whether the student meets attendance requirements. Therefore, the instructional minutes missed must be made up to receive credit for the course/school year completed.
