York School District One Athletic Director Earns National Certification

York, SC – York School District One is proud to announce that York Comprehensive High School Athletic Director Travis Miller has earned the prestigious designation of Certified Athletic Administrator (CAA) from the National Interscholastic Athletic Administrators Association (NIAAA).

The Certified Athletic Administrator designation recognizes athletic administrators who have demonstrated the highest level of knowledge, professionalism, and expertise in the field of interscholastic athletic administration.

To earn this national certification, Miller successfully completed the NIAAA's voluntary certification process, which includes a comprehensive evaluation of an individual's educational background, professional experience, and contributions to the profession, as well as successfully passing a rigorous written examination.

Miller joins an elite group of athletic administrators across the nation who have achieved this distinguished credential, demonstrating his commitment to excellence and continuous professional growth.

"This recognition reflects Travis's dedication to providing outstanding leadership for our student-athletes, coaches, and athletic programs," said York School District One Superintendent Dr. Heath Branham. "Athletics play an important role in developing character, teamwork, leadership, and school pride. Travis's commitment to professional excellence helps ensure our students have the best possible experience both on and off the field. We are incredibly proud of this achievement."

As Athletic Director at York Comprehensive High School, Miller oversees the school's athletic programs and works to provide student-athletes with opportunities to compete, grow as leaders, and represent York One with pride and integrity.

York School District One congratulates Travis Miller on this outstanding professional accomplishment and thanks him for his continued dedication to serving York One students, coaches, and families.
