Dear Parent or Guardian,

We are pleased to announce that the Craig City School District will continue participating in the Community Eligibility Provision (CEP) for the 2026–2027 school year. Through this program, all students enrolled at Craig Elementary School, Craig Middle School, and Craig High School are eligible to receive a healthy breakfast and lunch each school day at no cost.

What does this mean for your family?

- All enrolled students may receive one breakfast and one lunch each school day at no charge.
- No meal application is required.
- No further action is needed from you to participate in the program.

Our goal is to ensure every student has access to nutritious meals that support learning and academic success.

If you have any questions or need additional information, please contact the District Office at 907-826-3274.

Sincerely,

Melinda Bass
Business Manager
