July 25, 2026

Dear North Star Online School Families,

We are excited to welcome you to the 2026–2027 school year! We look forward to a successful year focused on supporting every student in reaching their highest potential. We value our families and recognize that a strong partnership between home and school is essential to student success.

At North Star, we are committed to providing high-quality educational opportunities, meaningful support, and a positive learning environment. Making a difference in the lives of students and ensuring their academic and social-emotional needs are met remain our highest priorities. We look forward to partnering with you and being a part of your child's educational journey.

The first day of school is Monday, August 10, 2026. Students should have access to a computer (laptop or desktop) that is ready for use. Please note that Chromebooks, tablets, and phones do not work properly with all of our online curriculum platforms. If you need to borrow a laptop for the school year, please contact the office at 775-353-6900 by July 29, 2026, to arrange checkout and pickup.

On August 10, all students are required to attend a virtual onboarding session with their Advisory teacher and complete a lesson in each course.

- For students in grades K–8, the Advisory teacher is the classroom teacher.
- For students in grades 9–12, the Advisory teacher is listed on the student's schedule in Infinite Campus.

All Advisory teachers will contact their students no later than Friday, August 7, with introductions, schedules, and links for the first day of school onboarding session.

Online Curriculum Platforms

North Star uses multiple online curriculum platforms:

Connexus

- K–8 courses are identified by OL on the student's schedule.

Edmentum

- High school courses and middle school advanced math courses are identified by OLE on the student's schedule.

Student Activity Fee

North Star Online School has a $20 Student Activity Fee that supports school events, activities, and student programs. Payments may be made by cash or check in the office or online through the Infinite Campus Parent Portal using a credit or debit card.

If you have questions or need assistance with payment, please contact the office and ask for Gina Ogg. We are happy to help.

Important Documents

The following documents are included with this letter and are also available on our website under the Resources tab:

- Important Information: Getting Started with North Star
- North Star Attendance Policy
- Mandatory Testing Expectations and Requirements
- Student Academic Integrity Expectations
- 2026–2027 WCSD Balanced Calendar
- Important Login Information
- Staff Contact Information

If you need assistance at any time, please contact the office at 775-353-6900.

On behalf of the entire staff at North Star Online School, thank you for your support and partnership. We look forward to a wonderful school year!

Sincerely,
Cristina Oronoz, Principal
Vicki Hardy, Assistant Principal

2026-2027
Getting Started at North Star Online School

1. Log-in and Communication Information

Microsoft Office 365 via WCSD (includes Outlook email) (all WCSD students have a free account)

- Log in path:
  - WCSD Website → Students & Families → Student Login → Office 365
    - **Username:** StudentID@washoeschools.org
    - **Password:**
      - Same password as last year for all students returning to North Star
      - If new to North Star, use your student ID as the password the first time you log in. The system will prompt you to create a permanent password. Write it down.
        - This new password will also be used for Clever for all grade levels.

Kindergarten–8th Grade (Connexus/Pearson Platform)

- Students and parents/guardians will receive separate login credentials via email from an **@pearson.com** address.
- Usernames and passwords are sent in separate emails; check junk/spam folders.
- Families must confirm access to Connexus before the student's first day.
  - If credentials are not received by Friday, August 7, 2026, contact the office at **775-353-6900**.
- Access Connexus at: www.connexus.com
- Teachers will send welcome messages to students and parents/guardians through the Connexus messaging system.
- Parents and students should monitor Connexus webmail daily, as some communications are sent only to parents/guardians.

9th–12th Grade (Edmentum Platform)

- Log in path:
  - Go to the WCSD Student Login page: https://www.washoeschools.net/student-and-families/student-login
  - Select Clever
  - Log in using the student's WCSD email and password
  - Once in Clever, select the Edmentum icon
- Parents should monitor primary email daily, as some communications are sent only to parents/guardians.
- Students should monitor their Edmentum messaging daily for tips and information from their teachers.

2. First Day of Semester Requirements

Kindergarten–8th Grade

- Students must attend a required virtual onboarding/live lesson via Microsoft Teams with their teacher at 9:45am or 12:30pm. Parents/guardians are required to attend the meeting as well for grades K-5.
    - Meeting links will be posted on student planners within the Connexus system.
- Students must complete **a lesson in every course** on the first day.
- Teacher information can be found on the student's schedule in Infinite Campus.

9th–12th Grade

- Students must attend a required **virtual onboarding session** with their Advisory teacher during the regularly scheduled Advisory/Open-Office Hours meeting times of 9:45am or 12:30pm.
    - Links and times will be sent via Edmentum messenger and to student WCSD emails.
- Students must complete **a lesson in every course** on the first day.
- Teacher information can be found on the student's schedule in Infinite Campus.

3. Late Start Requirements

Kindergarten–8th Grade

- Ensure student and parent/guardian log in credentials have been received by the Friday before the student's assigned start date.
    - If not, call the office at 775-353-6900 for assistance.
- Students must attend a required virtual onboarding/live lesson via Microsoft Teams on the student's assigned first day of school, which is determined by the student's registration date.
    - Students who enroll after the start of the school year will begin on a Tuesday and attend their required onboarding meeting on that day.
- Students must complete **a lesson in every course** on the first day.
- Teacher information can be found on the student's schedule in Infinite Campus.

9th–12th Grade

- Students must attend a required **in-person onboarding session at 9:00am** on their assigned first day of school with North Star.
    - 5450 Riggins Court, Suite 6- Reno, NV 89502
- Meetings are held on the student's assigned first day of school, which is determined by the student's registration date.
    - Students who enroll after the start of the school year will begin on a Tuesday and attend their required onboarding meeting on that day.
- Students must complete **a lesson in every course** on the first day.
- Teacher information can be found on the student's schedule in Infinite Campus.

2026-27 North Star Online School Student Academic Integrity Expectations (v 6/10/26)

Academic integrity is fundamental to the educational process and ensures that student achievement accurately reflects individual learning, effort, and mastery. As an online school, North Star relies on students to engage in their coursework with honesty, responsibility, and independence. Practices such as cheating, plagiarism, and the misuse of technology undermine the learning process and compromise the integrity of academic work. North Star Online School is committed to maintaining high standards of academic integrity and expects all students to submit work that authentically represents their own learning.

Cheating and plagiarism involve presenting another person's ideas, words, answers, or work as one's own. Examples of academic dishonesty include, but are not limited to:

- Copying another student's homework, assignments, quizzes, tests, or other academic work.
- Using answers obtained from online sources and submitting them as your own work.
- Using information from books, websites, articles, or other sources without proper citation.
- Allowing another person to copy your work or assessment responses.
- Sharing assessment content with students who have not yet completed the assessment
- Possessing, accessing, or viewing assessment materials without teacher authorization.
- Using Generative Artificial Intelligence (AI) tools to create, generate, or substantially complete assignments, essays, projects, assessments, discussion posts, or other submitted work unless specifically authorized by the teacher. Examples of Generative AI tools include, but are not limited to, ChatGPT, Grammarly AI, Microsoft Copilot, Google Gemini, and other AI-assisted writing or content-generation platforms. Assignments that reflect unauthorized use of AI may not receive credit.

If questions arise regarding the authenticity, originality, or academic integrity of a submitted assignment, the student may be asked to provide documentation, drafts, notes, research materials, revision history, AI transcripts, or other records demonstrating how the work was completed. For example, if AI use is suspected in an essay, the teacher may request the complete AI conversation or transcript to determine the extent of the tool's involvement. Similarly, students may be asked to provide evidence of their research process, drafting process, or individual contribution to the work.

Assignments are eligible for credit when students can demonstrate that the work was completed in accordance with school academic integrity and AI-use expectations. If requested documentation cannot be provided, or if evidence indicates that school expectations regarding academic honesty have not been followed, credit for the assignment may be reduced or withheld.

If a student is found to have violated the above academic integrity expectations, the school may implement one or more interventions and consequences based on the nature, severity, and frequency of the violation. Responses may include reteaching academic integrity expectations, meetings with the teacher, parent/guardian notification, required academic support measures, and documentation of the incident in Infinite Campus.

Academic consequences may include a reduction in credit, a zero on the assignment, opportunities for revision or resubmission when appropriate, or the loss of resubmission privileges. Additional interventions may include required attendance at live lessons, office hours, academic support sessions, regular teacher check-ins, or completion of assignments and assessments in a proctored setting.

Repeated or significant violations may result in administrative involvement, additional disciplinary action, required proctored assessments or final exams. Continued violations may affect a student's eligibility to earn course credit and may prompt a review of the most appropriate educational setting for the student's success.

2026-2027 North Star Online School Attendance Policy

Attendance for Initial Enrollment

All students are required to meet with their Advisory Teacher on their first day at North Star Online School. To complete the enrollment process, students must participate in either an in-person meeting, virtual meeting, or phone conference with a certified staff member to review their courses and program expectations. In addition, students must either complete and submit at least one lesson or assessment in each enrolled course within the online learning platform. Following initial enrollment, weekly attendance will be determined based on student course progress.

Weekly Attendance Expectations

Attendance at North Star Online School is measured by a student's academic progress in each enrolled course on a weekly basis. To be considered present for the attendance week, students must log in and demonstrate progress by completing and submitting coursework in every enrolled class. The attendance week begins at **12:00 a.m. on Friday** and ends at **11:59 a.m. on the following Friday**, providing students one full week to meet attendance requirements.

Progress in a course is demonstrated through the completion and submission of lessons and/or assessments within the online learning platform. While submitting a single assignment or assessment may satisfy weekly attendance requirements, it is not sufficient for successful course completion. To remain on pace for earning credit, students are expected to complete approximately 5–7% of each course per week, depending on the course and semester schedule. Students who consistently fall below this pacing expectation are at risk of not completing the course on time and earning credit.

Parents/guardians play an important role in supporting consistent student engagement and attendance. To help students maintain satisfactory academic progress and remain on pace for course completion, families are encouraged to schedule vacations and other extended absences during Washoe County School District's designated balanced calendar breaks whenever possible. Additionally, families should regularly monitor their student's progress by logging into the curriculum platform weekly to ensure expectations are being met and that the student has satisfied weekly attendance requirements.

Infinite Campus will send an automated notification to the parent/guardian's primary email address when an absence is recorded. As per the School of Choice attendance guidelines, students must adhere to the attendance policy.

Attendance Probation

Students who fail to demonstrate progress in one or more courses for more than one attendance week may be placed on attendance probation. Additionally, students enrolling at North Star who have a documented history of chronic absenteeism during the previous school year may be placed on attendance probation upon enrollment.

Attendance probation requires a meeting with the student and parent(s)/guardian(s) to review attendance concerns, identify barriers to participation, and develop a plan to support improved engagement and academic progress. As part of the probationary process, students may be placed on daily attendance monitoring, which requires them to demonstrate progress in their courses each school day in order to be marked present. Progress is demonstrated through the completion/submission of lessons and/or assessments within the online learning platform.

Withdrawal due to Non-Attendance

If a student is marked absent for 10 consecutive school days and the student's whereabouts are unknown, the student will be withdrawn from North Star Online School. When a student is withdrawn due to non-attendance, a referral will be made to Washoe County School District re-engagement specialists, who will work with the student and family to determine appropriate next steps and supports.

Students seeking to re-enroll at North Star after a withdrawal for non-attendance must register in person and meet with North Star administration and their parent/guardian to develop a plan for successful attendance and academic engagement. Students who are re-enrolled following a withdrawal for non-attendance will automatically be placed on attendance probation.

Contacting North Star

Parents/guardians are encouraged to notify the North Star office of any known student absences. If a student is marked absent and the school has not received notification, parents/guardians may receive automated attendance calls and/or direct communication from North Star staff to verify the absence and provide support as needed.

Families are encouraged to contact the North Star office with any questions regarding attendance expectations or if assistance is needed to support student attendance and engagement.

Política de Asistencia de North Star Online School 2026-2027

Asistencia para la Inscripción Inicial

Todos los estudiantes deben reunirse con su maestro(a) asesor(a) el primer día de clases en North Star Online School. Para completar el proceso de inscripción, los estudiantes deben participar en una reunión presencial, una reunión virtual o una conferencia telefónica con un miembro certificado del personal para revisar sus cursos y las expectativas del programa. Además, los estudiantes deben completar y entregar al menos una lección o evaluación en cada curso inscrito dentro de la plataforma de aprendizaje en línea. Después de la inscripción inicial, la asistencia semanal se determinará según el progreso académico del estudiante en sus cursos.

Expectativas de Asistencia Semanal

La asistencia en North Star Online School se mide mediante el progreso académico del estudiante en cada curso inscrito de manera semanal. Para ser considerado presente durante la semana de asistencia, los estudiantes deben iniciar sesión y demostrar progreso completando y entregando el trabajo en todas sus clases. La semana de asistencia comienza a las 12:00 a. m. del viernes y termina a las 11:59 a. m. del viernes siguiente, lo que proporciona a los estudiantes una semana completa para cumplir con los requisitos de asistencia. El progreso en un curso se demuestra mediante la finalización y entrega de lecciones y/o evaluaciones dentro de la plataforma de aprendizaje en línea. Aunque completar una sola tarea o evaluación puede cumplir con los requisitos de asistencia semanal, no es suficiente para completar exitosamente el curso. Para mantenerse al ritmo necesario para obtener créditos, se espera que los estudiantes completen aproximadamente entre el 5 % y el 7 % de cada curso por semana, dependiendo del curso y del calendario semestral. Los estudiantes que constantemente no cumplan con este ritmo corren el riesgo de no completar el curso a tiempo y no obtener crédito. Los padres, madres y tutores desempeñan un papel importante en el apoyo a la participación y asistencia constante de sus estudiantes. Para ayudar a los estudiantes a mantener un progreso académico satisfactorio y mantenerse al día con los cursos, se recomienda que las familias programen vacaciones y otras ausencias prolongadas durante los recesos designados del calendario equilibrado del Distrito Escolar del Condado de Washoe, siempre que sea posible. Además, las familias deben monitorear regularmente el progreso de sus estudiantes ingresando a la plataforma curricular cada semana para asegurar que se cumplan las expectativas y que el estudiante haya satisfecho los requisitos de asistencia semanal. Infinite Campus enviará una notificación automática al correo electrónico principal del padre/madre/tutor cuando se registre una ausencia. De acuerdo con las pautas de asistencia de las Escuelas de Elección (School of Choice), los estudiantes deben cumplir con esta política de asistencia.

Período de Prueba por Asistencia

Los estudiantes que no demuestren progreso en uno o más cursos durante más de una semana de asistencia pueden ser colocados en período de prueba por asistencia. Además, los estudiantes que se inscriban en North Star y tengan un historial documentado de ausentismo crónico durante el año escolar anterior también pueden ser colocados en período de prueba al momento de su inscripción. El período de prueba por asistencia requiere una reunión con el estudiante y sus padres o tutores para revisar las preocupaciones de asistencia, identificar barreras para la participación y desarrollar un plan para mejorar la participación y el progreso académico. Como parte del proceso de prueba, los estudiantes pueden ser colocados bajo monitoreo diario de asistencia, lo que requiere que demuestren progreso en sus cursos cada día escolar para ser considerados presentes. El progreso se demuestra mediante la finalización y entrega de lecciones y/o evaluaciones dentro de la plataforma de aprendizaje en línea.

Baja por Falta de Asistencia

Si un estudiante es marcado como ausente en una o más clases durante 10 días escolares consecutivos y su paradero es desconocido, será dado de baja de North Star Online School. Cuando esto ocurra, se realizará una referencia a los especialistas de reintegración del Distrito Escolar del Condado de Washoe para apoyar al estudiante y su familia en la identificación de próximos pasos. Para reingresar, los estudiantes deberán reunirse con la administración de North Star y sus padres o tutores para desarrollar un plan de asistencia y participación. Cualquier estudiante que se reinscriba después de una baja por falta de asistencia será colocado automáticamente en período de prueba por asistencia.

Cómo Comunicarse con North Star

Se recomienda a los padres, madres y tutores que informen a la oficina de North Star sobre cualquier ausencia conocida de su estudiante. Si un estudiante es marcado como ausente y la escuela no ha recibido notificación, los padres o tutores pueden recibir llamadas automáticas de asistencia y/o comunicación directa del personal de North Star para verificar la ausencia y brindar apoyo según sea necesario.

Se anima a las familias a comunicarse con la oficina de North Star si tienen preguntas sobre las expectativas de asistencia o si necesitan apoyo para ayudar a su estudiante a mantener una participación y asistencia constantes.

NORTHSTAR online school

Washoe County School District's Online School

Victoria Hardy: Assistant Principal

Dear North Star Families,

Welcome to the 2026-2027 school year with North Star Online School!

The North Star team has put together some important tid-bits of information to share with all North Star families. As always, if you have any questions at all, please call the office at 775-353-6900.

Important Information for All Families

1. **Update Contact Information**
   If your address, phone number, or email has changed, please contact the office so we can keep you informed.

2. **Daily Work Expectations**
   Students should spend 4–6 hours per day on coursework, take notes, stay focused, and show evidence of learning.

3. **Weekly Advisory Check-In**
   All students must attend one virtual advisory/open office check-in each week with their teacher.

4. **Student Support Sessions (Microsoft Teams)**
   Synchronous student support sessions are a key part of student success and are especially important for students who are struggling.

5. **Attendance Requirements**
   - Students must make forward progress in every course, weekly.
   - Lack of progress may result in course failure or school withdrawal.
   - Please read the formal North Star Attendance Policy thoroughly.

6. **Progress Requirements**
   - Students must complete 6%–7% of each course weekly to stay on pace for semester completion and earning credit.
   - Not meeting progress expectations can lead to course failure or withdrawal.

7. **$20 Student Activity Fee**
   Due September 30, 2026. Pay by cash/check (mail or in person) or via Infinite Campus.

8. **Check Parent Email/Webmail Daily**
   Students and Learning Coaches should check email/webmail every day and respond to school communications.

9. **Submitting Assignments**

Blank submissions, placeholder documents, or intentionally incorrect files (including portfolio submissions) will receive a score of zero (0).

- If you need assistance with the upload process, please reach out to staff for support before submitting.

10. **Academic Integrity**
    Please review the Academic Integrity Expectations with your student. Contact your child's teacher with questions.

11. **Password Resets and other Support Needs**
    North Star Main Office (start here when in need of support)
    General school/technical support, questions, password resets, login help: 775-353-6900

12. **Connexus Help (K–8)**
    Technical issues with Connexus: 888-679-7740

North Star Testing Expectations and Requirements

Overview:
All students enrolled at North Star Online School are required to participate in state and district-mandated assessments. These tests provide essential data for measuring individual academic progress, school performance, and meeting state and federal accountability requirements.

Assessments for High School Students:
Students must attend testing in person on the North Star campus for the following required assessments:

- **High School Science** – Administered to 9th grade students and 10th grade students who have taken or are currently taking Biology.
  - This assessment must be taken on the North Star campus in a proctored group setting.
- **ACT with Writing** – Required for all 11th grade students (and any 12th grade student who has not yet taken it).
  - *Note: This is a Nevada State Graduation Requirement.*
  - This assessment must be taken on the North Star campus in a proctored group setting.
- **PSAT** (Optional) – Available to all 10th grade students at no cost and to 11th grade students for a $20.00 fee.
  - Information on how to sign up to take the PSAT will be sent out in September via email and US Mail.
  - *Note: The PSAT is a prerequisite for the National Merit Scholarship for 11th grade students.*
- **Course Finals** - High school finals must be completed **within two weeks** of finishing the corresponding course.
  - Course finals can be taken at home in most cases.
    - If a student has been assigned proctored final exams due to academic integrity violations or other reasons, they will be required to take the final exams in person on the North Star campus in a proctored setting.

Assessments for K–3 Students:
K–3rd grade students will participate in the following assessments:

- **Kinder Screening** - Administered in the fall or within 30 days of entering the school system.
  - The kindergarten teacher will schedule each student for an individual, in-person session on campus.
- **iReady Math and Reading** – Administered in fall, winter, and spring.
  - This assessment must be taken on the North Star campus in a proctored group setting.
- **SBAC (grades 3-8)** – Administered in the spring.
  - This assessment must be taken on the North Star campus in a proctored group setting.

Assessments for 4-8 Students:

4th-8th grade students will participate in the following assessments:

- **iReady Math and Reading** – Administered in fall, winter, and spring.
  - This assessment may be taken at home for students in grades 4-8.
    - No adult assistance or outside resources are permitted during testing. Technical support from an adult may be provided as needed.
- **SBAC (grades 3-8)** – Administered in the spring.
  - This assessment must be taken on the North Star campus in a proctored group setting.

Test Notifications and Communication:

Notifications for required testing sessions will be sent in advance whenever possible using multiple methods:

- **ConnectEd Messages** – Sent to the parent's primary email, phone, and via text.
  - Please ensure your family has not opted out of ConnectEd messaging and that your contact information is current.
- **U.S. Mail** – Letters will be mailed to the home address on file.
- **Connexus Messages** – Sent to both student and guardian accounts.

Additional Notes:

- Personal items such as cell phones, smartwatches, and backpacks are not allowed during testing.
- Students with accommodations (IEP, 504, EL) will receive appropriate supports and accommodations as outlined in their plans.
- Non-participation may impact school accountability and a student's variance approval status.
