TROUP HIGH SCHOOL POLICIES AND EXPECTATIONS ANNOUNCEMENTS

Announcements regarding THS activities are made each morning at the beginning of first period and will be posted on the school's social media each day. Students are expected to pay attention to these announcements.

Georgia state law requires that every public school student be afforded the opportunity to recite the Pledge of Allegiance each day and to have a moment of silent reflection. This will occur at the beginning of first period. All students at Troup High School are expected to remain silent during the Moment of Silent Reflection.

ARRIVAL

- THS campus will open and students may enter the building **through the gym doors at 7:40** a.m. each morning.
- All car riders will be dropped off in the front of the school. Because of safety concerns, car riders may not be dropped off on the bus landing area.
- Car riders arriving to school **between 7:30 and 7:50** will walk around the side of the building to the bus landing and enter through the gym doors.
- **At 7:50 a.m.**, the D Hall front door of the school will open and students may enter through the front doors to report to the cafeteria.
- When a student arrives on campus by bus or by car they must enter the school building. Students are not permitted to loiter in parking lots or parked vehicles.
- At **8:00 a.m.** all students will be dismissed to their first period class.
- Students are not permitted to loiter in the parking areas, restrooms or hallways.
- Students should not enter the building through A, B, or C Halls. Students may only enter through the gym doors and D Hall front doors.
- When a student physically arrives on campus (regardless of the time of day) they are considered present. He/she may not leave the campus for any reason (walking or driving) without following proper check-out procedures through the front office. This is considered 'skipping.' If a student arrives on campus and does not enter their designated classroom or area they will be considered tardy/absent/or skipping.
- Students arriving after the 8:10 a.m. tardy bell must enter through the front door, check in at the front office, secure a tardy pass and proceed to class. Teachers should not allow students into class without a tardy pass after the 8:10 a.m. bell.
- If a student needs to go to their car after arriving on campus, the student must obtain approval from an administrator or the front office.

DISMISSAL

- At the 3:20 dismissal bell it is imperative that students leave campus and go directly to their bus, car, practice or after school sponsored activity. There can be no loitering in the cafeteria or on school grounds once school has dismissed for the day.
- Students should go directly to their area for afternoon departure and leave as soon as transportation is available.
- Car riders must be picked up no later than 4:00 pm and students will NOT be allowed to remain in the building to wait for their rides. Students **MUST WAIT OUTSIDE THE BUILDING**. Car riders are to be picked up in the front of the school by the flag pole only.

- There should be no student in the building after 3:30 pm who is not under the direct supervision of a coach, teacher, or other school personnel.
- Transportation is available to all TCSS students at the end of the regular school day.
- Anyone who cannot have their ride here before 4:00 pm must ride the bus home.
- The building will be officially closed at 4:00 pm. Students cannot remain on campus, unsupervised after this time.

ATTENDANCE

ABSENCES

Georgia Law requires students ages six to sixteen to enroll in school by the opening date and be in regular attendance. Absences may be excused under the following conditions:

- 1) Personal illness,
- 2) Serious illness or death of immediate family member,
- 3) Mandated by order of governmental agencies or court order,
- 4) Observing of religious holidays of the faith embraced by the student necessitating absence from school,
- 5) When conditions render school attendance impossible or hazardous to the student's health or safety,
- 6) Registering to vote or voting (not to exceed one day),
- 7) Serving as Pages of the General Assembly
- 8) Parent of student is in the military and has been called for deployment (limited to 5 excused days per school year).

Absences are unexcused for all other reasons, including, but not limited to:

Missing the Bus	Vacations, Trips	Power Outage
Oversleeping	Babysitting	Car Trouble
Errands	Family Visits	

Once a student returns to school from being absent they must bring either a written note from a parent, note from a doctor/dentist or court order and turn this note in to the front office within 3 days of return to school/class.

Handwritten notes must be signed by a parent/guardian, include a current phone number for the parent/guardian, and must state the reason for the absence. Failure to bring a note results in an unexcused absence. After 5 handwritten parent notes in a semester, administrators or a designee may require a doctor's note.

Students missing more than 29 minutes of a class period/block are considered absent from the class.

Absences due to a school sponsored activity are excused, and do not count toward exam exemptions, provided that the student has the activity absence form completely filled out by teachers and parents prior to the absence.

It is necessary that we know where to reach a parent/guardian at all times. Home numbers, cell phone numbers, work numbers, and email addresses should be updated through the Infinite Campus Parent Portal. To improve the partnership between school and home, Send It (an automated communication system) will be used to share attendance information and other important communications. The student's attendance record is always available for parent review in Infinite Campus. Several cell phone providers offer apps that are compatible with Infinite Campus and offer automatic notification of absences and the posting of grades. Contact the THS media center for more information regarding Infinite Campus Parent Portal.

ABSENCES FOR COLLEGE VISITS

Seniors may have four days for college visits during the school year. Juniors may have two days for college visits during the school year. To request permission for an excused absence for a college visit, students are required to complete a form prior to the scheduled visit. These forms are available in the Guidance Office and must be completed by the student, signed by teachers and parent/guardian. Upon returning from the visit, it is the responsibility of the student to provide documentation from the college confirming the visit before the absence will be considered excused.

EARLY CHECK OUT

Students checking out of school early must check out in the front office. Students should bring a check-out note to the front office in the mornings so office staff have enough time to call and get verification from a parent/guardian to authorize the checkout. Check-out notes can be a parent note, doctor appointment note, court appearance summons, or other certified documentation. The note should include a phone number whereby the parent can be reached for verification. Once the check-out has been approved, the student will receive a check out slip.

If a parent or adult listed on a student's registration form/ Infinite Campus is picking up a student from school during the day, the parent/adult will present their photo ID to the front office staff. Once the parent's/adult's identity is verified/authorized to check-out a student, they will be asked to return to their vehicle and wait for the student(s) to walk outside to them. Parents wishing to check-out their student in person can call 706-812-7957 ext. 4701.

***** Bringing in a check-out note from parent will eliminate this need/process*****

ATTENDANCE FOR COURSE CREDIT IN GRADES 9-12

When a student has had more than five (5) unexcused absences from first period, the school will notify the parents and juvenile authorities. When a student in grades 9-12 has more than five (5) absences in a course, whether excused or unexcused, the student is in danger of losing credit for the specified class. Students with serious medical illnesses/conditions may be eligible for homebound services.

All work missed is expected to be made up for all absences. Students are expected to make arrangements within three (3) days to make up missed work following their return to school.

ATTENDANCE RECOVERY

According to TCSS policy, students with more than five unexcused absences per class will not earn credit for that course. However, students may participate in the school's Attendance Recovery Program which will be held on designated days throughout the school year. Each hour that a student participates in this program will replace one unexcused absence for a class.

Please note that students have to make up the missed attendance during the school year in which the absences occurred. Students have from August to June to make up unexcused absences over five. Failure to do so by the end of summer school of the same school year will result in the student receiving a failing grade and having to retake the course either on the schedule for the next school year or in credit recovery (during school and/or after school)

BULLYING

The Board of Education believes that all students can learn better in a safe school environment. Behavior that infringes on the safety of students will not be tolerated. Bullying, as the term is defined in Georgia law, of a student by another student is strictly prohibited. Such prohibition shall be included in the Student Code of Conduct for all schools within the school system.

Bullying is defined as follows: An act that is:

1. Any willful attempt or threat to inflict injury on another person, when accompanied by an apparent present ability to do so;
2. Any intentional display of force such as would give the victim reason to fear or expect immediate bodily harm; or
3. Any intentional written, verbal, or physical act, which a reasonable person would perceive as being intended to threaten, harass, or intimidate, that:
 - a. Causes another person substantial physical harm within the meaning of Code Section 16-5-23.1 or visible bodily harm as such term is defined in Code Section 16-5-23.1;
 - b. Has the effect of substantially interfering with a student's education;
 - c. Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
 - d. Has the effect of substantially disrupting the orderly operation of the school.

The term applies to acts which occur on school property, on school vehicles, at designated school bus stops, or at school related functions or activities or by use of data or software that is accessed through a computer, computer system, computer network, or other electronic technology of a local school system. The term also applies to acts of cyberbullying which occur through the use of electronic communication, whether or not electronic act originated on school property or with school equipment, if the electronic communication (1) is directed specifically at students or school personnel, (2) is maliciously intended for the purpose of threatening the safety of those specified or substantially disrupting the orderly operation of the school, and (3) creates a reasonable fear of harm to the students' or school personnel's person or property or has a high likelihood of succeeding in that purpose. Electronic communication includes, but is not limited to, any transfer of signs, signals, writings, images, sounds, data or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic, photo electronic or photo optical system.

Procedures may be developed at each school encouraging a teacher or other school employee, student, parent, guardian, or other person who has control or charge of a student, either anonymously or in the person's name, at the person's option, to report or otherwise provide information on bullying activity. Any teacher or other school employee who, in the exercise of his or her personal judgment and discretion, believes he or she has reliable information that would lead a reasonable person to suspect that someone is a target of bullying is encouraged to immediately report it to the school principal. Any report will be appropriately investigated by

the administration based on the nature of the complaint in a timely manner to determine whether bullying has occurred, whether there are other procedures related to illegal harassment or discrimination that should be implemented and what other steps should be taken. Any report of retaliation for reporting bullying will also be investigated and addressed as called for in this policy and in accordance with school procedures.

Acts of bullying shall be punished by a range of consequences through the progressive discipline process, as stated in the Code of Conduct. However, upon a finding by the disciplinary hearing officer, panel or tribunal that a student in grades 6-12 has committed the offense of bullying for the third time in a school year, the student shall be assigned to an alternative school.

Upon a finding by a school administrator that a student has committed an act of bullying or is a victim of bullying, the administrator or designee shall notify the parent, guardian, or other person having control or charge of the student by telephone call or through written notice, which may be done electronically.

Students and parents will be notified of the prohibition against bullying and the penalties for violating the prohibition by posting information at each school and by including such information in the student/parent handbooks.

BUS CHANGES

In order to get our students home safely, any change in bus transportation must be submitted in writing to the front office. The note must be submitted in the morning in order to allow the front office time to call parents/guardians for verification.

BUS REGULATIONS

The Troup County Board of Education is vitally concerned about the safety and welfare of the students riding buses. In an effort to inform students and parents or guardians of acts that can threaten that safety and welfare, bus rules and regulations have been adopted. The driver, together with the transportation supervisor and the school principal, shall have full responsibility for discipline on buses.

1. Pupils shall obey the driver willingly and promptly. The driver is in full charge of the bus and pupils.
2. The driver has the right to assign seats as he/she deems necessary.
3. Pupils are to help keep their bus clean by not throwing trash on the floor. Pupils shall not throw any refuse out the windows.
4. No pupil shall at any time extend his/her head, hands, or arms, or any part of his body out the window.
5. Any damages done to bus or equipment must be paid for by that individual.
6. No soft drink bottles or cans, knives, sharp objects, or any object that might endanger another student can be brought onto the bus at any time.
7. Students must ride the bus in which they have been assigned. If a student wishes to ride any other bus, the student must present a note, signed by a parent or guardian, to the front office

- prior to 9:00 a.m. Office personnel will contact the parent to verify the bus change and sign the note. The note must then be presented to the bus driver in order to board the bus.
8. Students should remain seated and should face the front of the bus at all times.
 9. No food or drinks are permitted to be consumed on the bus.
 10. Pupils shall behave in an appropriate and orderly manner.

CAFETERIA AND BREAKFAST/LUNCH

Chartwells is committed to preparing a variety of nutritious meals for our students. Students are encouraged pay for lunches in advance with cash or check. THS cashiers do not make change; any balance will be credited to a student's account for future purchases. Parents/guardians can prepay for meals online by registering for a PayPAMS account at www.paypams.com. Troup High School discourages charging of meals. However, students who do not have enough money to cover a reimbursable lunch will be allowed to charge up to five reimbursable lunches. Student who exceed the charge limit of five reimbursable lunches will receive an alternative meal. Ala carte food and breakfast may not be charged.

- All students are required to report directly to the cafeteria during their assigned lunch period and must remain in the cafeteria, courtyard or bus landing during this time. Students found outside the designated lunch area without a pass will be considered skipping.
- Students may not leave the building/campus during lunch without following checkout procedures.
- All students are encouraged to apply for free or reduced-price meals by completing the application.
- Students will be required to pay for meals beginning on the first day of school so it is important to fill out a new application for free or reduced lunch as soon as possible and return it to the cafeteria staff.

2026-27' MEAL PRICES:

		<u>Breakfast</u>			<u>Lunch</u>
Students	No Charge		Students	No Charge	
Adults	\$2.50		Adults	\$5.00	
Ala Cart Items will need to be paid for at time of purchase.					

CERTIFICATE OF ATTENDANCE/ADAP CARDS

A student must have a completed, notarized copy of the Certificate of Attendance form to obtain a Georgia Driver's permit or license. Certificate of Attendance form are available in the Front Office. Certificates will not be available without at least three (3) days' notice. The ADAP card is earned through the student's health or ROTC class. ADAP cards are required for a student to obtain a Georgia Driver's License.

CHEATING/ACADEMIC HONESTY

Students must demonstrate honesty and ethical choices when fulfilling academic obligations. Cheating and plagiarism will not be tolerated.

Cheating is defined as using dishonest methods to gain an advantage. A student shall not cheat on tests, examinations, projects, homework, or reports by giving or receiving unauthorized assistance.

This includes utilizing any kind of secretive means of gaining information for use on quizzes, tests, or homework. This also includes the use of artificial intelligence, chat GPT, open AI, etc.

Plagiarism is the intentional or unintentional use of another person's ideas, opinions, or theories in one's own work without clearly and accurately acknowledging the source of the information. Plagiarism occurs when one submits work that has been written by someone else, purchased or retrieved from electronic sources, or summarized/ paraphrased from other print or non-print sources. When a student knowingly submits someone's work as their own, they are guilty of intentional plagiarism. When a student fails to acknowledge the source of information due to oversight or fails to provide accurate reference data for the source of information, they are guilty of unintentional plagiarism. Regardless of intent, plagiarism is dishonest and unethical.

Any student who is guilty of any of the above will receive a zero on the suspect assignment and may be referred to the office for disciplinary consequences. For grading purposes, the zero will stand as the grade for the assignment. Students will not be eligible for the 40 participation grade as stated in the system grading protocol. Disciplinary consequences will be based on the number and severity of offenses. (See BOE policy IHA-R 1 at www.troup.org)

2026-2027 Bell-to-Bell Personal Electronic Device Policy

Beginning with the 2026-2027 school year, Troup High School will fully implement Georgia's Bell-to-Bell Personal Electronic Device Policy in accordance with Georgia House Bill 1009 and the Troup County School System.

Beginning at the first bell (7:40 a.m.) and continuing until the final bell (3:20 p.m.), students should not have a personal electronic device on their person. Whenever possible, personal electronic devices should be left in the student's vehicle or secured in the student's book bag before entering the building. Devices may not be carried in pockets, hoodies, waistbands, or any other location on a student's person during the school day.

Personal electronic devices—including cell phones, smartwatches, tablets, earbuds, headphones, e-readers, smart lenses, and any device capable of recording—must be powered off, secured, and remain out of sight for the entire instructional day, including during class changes, in hallways, at lunch, and during all other school activities from 7:40 a.m. until 3:20 p.m.

If any faculty or staff member visibly sees a personal electronic device at any time between 7:40 a.m. and 3:20 p.m., the device will be confiscated immediately. There will be no warnings or exceptions unless the student has an approved medical plan, IEP, or Section 504 Plan that specifically requires the use of a personal electronic device.

Personal electronic devices are never permitted in restrooms or locker rooms. District-issued instructional devices used for instruction are not affected by this policy.

Parents and guardians who need to contact their child during the school day should call the school's front office, and school personnel will ensure the message is delivered promptly.

Disciplinary Consequences for Violations

First Offense

- The personal electronic device will be confiscated immediately and secured in the main office.
- A parent or guardian will be notified and must physically come to the school to retrieve the device.

Second Offense

- The personal electronic device will be confiscated immediately.
- The device will be held for one (1) week and must be picked up by a parent or guardian.
- The student could receive additional disciplinary consequences, which may include In-School Suspension (ISS).

Third and Subsequent Offenses

- The personal electronic device will be confiscated immediately.
- The device will be held for two (2) weeks and must be picked up by a parent or guardian.
- The student could receive additional disciplinary consequences, which may include In-School Suspension (ISS) and other disciplinary actions in accordance with the Student Code of Conduct.

Refusal to comply with the personal electronic device policy, including a student's refusal to surrender a device when directed by a staff member, or a parent/guardian requesting early release of a confiscated device, will result in three (3) days out of school suspension (OSS).

Our goal is not to punish students but to create a learning environment free from distractions where every student can fully engage in instruction and maximize their academic success.

EMERGENCY MANAGEMENT

THS and the Troup County Board of Education have developed an emergency management plan to address hazards which threaten the safety of students. This plan provides appropriate direction in the event of an imminent or actual disaster. Situations addressed in this plan include, but are not limited to, severe weather, evacuations, intruders, assaults, and weapons. In the event of an emergency or emergency drill, the doors to the school will be locked in accordance with the safety plan. Parents will have access to their student upon the all clear signal.

FIGHTING AND VERBAL ALTERCATIONS

Our primary goal at THS is to provide a safe learning environment to ensure the growth and success of our students. In order to ensure this, the consequences below will be implemented. All students involved in a physical altercation (intentionally making physical contact in an insulting or provoking nature), disturbing the educational setting of the school, are subject to any discipline deemed appropriate for the situation and context of the altercation per Administrative discretion. This may include but not be limited to a disciplinary tribunal hearing with the recommendation for placement at H.O.P.E. Academy or expulsion from the Troup County School System.

There will be no warning for this behavior. If a student is involved in a physical altercation at THS, they will be taken to tribunal with a recommendation for placement at HOPE Academy.

All students involved in a verbal altercation that requires adult intervention, regardless of who started the altercation, which disturbs the educational setting of the school will automatically receive 3 days of OSS or any other suitable punishment deemed appropriate by a school administrator.

FINES

Students at Troup High School must pay all fines owed the school before purchasing prom tickets and/or attending prom. Seniors must pay all fines as part of the exemption policy and before participating in graduation ceremonies

FINAL EXAMINATIONS POLICY (Descriptor Code: IHAA)

The intent of this policy is to encourage student attendance, proper behavior, and to maximize student exposure to instruction.

No middle or high school student who owes fines, has had a discipline referral resulting in ISS/OSS, or has been suspended from riding the bus is eligible for an exemption.

Middle and High School Exemptions

Middle and high school students who meet the discipline criteria are eligible to be exempt if:

1. They have no more than five (5) absences in the semester provided the student has an A average, or;
2. They have no more than four (4) absences in the semester provided the student has a B average, or;
3. They have no more than three (3) absences in the semester provided the student has a C average.

GRADING POLICY

Grading Policy

1/19/2023

Policy Descriptor Code: IHA-R (1)

Revised:

High School

Final grades are calculated at the end of an 18-week block. They are the sum of 80% of the average of grades earned in the Daily Grading System and 20% of the grade earned on the EOC/Final Exam. The daily grading system consists of three types of graded learning categories: Major, Minor, and Soft Skills/Professional Skills:

1. Major Assessments - 60% (may include: unit tests, mid-unit tests, benchmarks, major projects, essays, performance tasks, etc.)
2. Minor Assessments - 30% (may include: homework, quizzes, minor projects, minor writing assignments, vocabulary quizzes, etc.)
3. Soft Skills/Professional Skills - 10% (may include: communication, critical thinking, leadership, teamwork, homework, classwork, participation, etc.) Soft Skill grades should be based on school-specific, predetermined criteria which align with the skills required to demonstrate mastery of content standards. These criteria will be reflected in school handbooks.

THINC College and Career Academy operates under a special charter and therefore may alter grade category and weights.

During each semester, teachers will provide students with a minimum number of assessment opportunities as described below:

- Major Assessments: A minimum of 6 (approximately one every three weeks).
- Minor Assessments: A minimum of 15 (approximately one per week).

Based on IHA-R(0), belief statement 3, grades should be based upon evidence of content mastery. Priority should be given to the most recent evidence, the most comprehensive evidence, and evidence related to the essential learning goals and standards. Therefore, replacement grades based on more recent evidence of mastery should be considered when assigning final grades.

High School Advanced Placement classes will have neither minimum grades nor replacement grades. All work will be scored as per the teacher's syllabus submitted to College Board.

Teachers should give serious consideration to any final grade ending in a 9. At middle school: a grade of 69 may not be given without consulting the principal. At high school: a grade of 69, 79,

or 89 may not be given without consulting the principal.

The grading scale is as follows:

- 90 -100 = A
- 80 - 89 = B
- 70 - 79 = C
- Below 70 = F

VALEDICTORIAN & SALUTATORIAN

SELECTION FOR VALEDICTORIAN, SALUTATORIAN, DISTINGUISHED HONOR GRADUATES, AND HONOR GRADUATES FOR THE GRADUATING CLASS OF 2024 AND BEYOND

For the graduating class of 2024 and beyond, the Valedictorian, Salutatorian, and Distinguished Honor Graduates are those who have demonstrated the highest level of performance in all academic content areas in the most rigorous courses of study. These honors represent the best performance of the local high school graduating class; therefore, students must be enrolled in the Troup County School System for a minimum of four (4) semesters prior to their graduation date to be considered for Valedictorian and Salutatorian. Students receiving Honor Graduate status represent those who have maintained a high simple grade point average in their desired course of study. Selection of Valedictorian, Salutatorian, Distinguished Honor Graduates, and Honor Graduates will be based on the criteria described below.

CLASS RANK DETERMINATION:

Class rank will be based on weighted GPA and used to determine the system's Valedictorian and Salutatorian. Transcript grades and grades that are posted to the report card at the end of the third nine weeks of the senior year will be used to calculate class rank. Class rank of students will be established using a four point scale where four (4) points are given for an A, three (3) points for a B, and two (2) points for a C for all classes, each receiving equal weighting with the exception of Advanced Placement, International Baccalaureate (IB) , and dual enrollment. Advanced Placement and International Baccalaureate (IB) courses will carry honor weights of six (6) points for an A, five (5) points for a B, and four (4) points for a C. Dual enrollment in academic classes (English, Math, Science, Social Studies, and Foreign Language) will carry honor weights of five (5) points for an A, four (4) points for a B, and three (3) points for a C.

Per the Georgia Student Finance Commission, effective for the 2020-2021 school year and beyond, the Dual Enrollment program is subject to a Funding Cap. The Funding Cap is a maximum amount of financial assistance for tuition paid by the Dual Enrollment funding program for terms of enrollment. Only Dual Enrollment credit earned within the Funding Cap will be included in class rank and Valedictorian and Salutatorian calculations.

CRITERIA FOR SELECTION OF HONOR GRADUATES OF EACH HIGH SCHOOL:

Honor Graduates will be determined using a simple GPA calculation at the conclusion of the first semester of the senior year. Students earning a simple GPA of 3.75 or above (without rounding) will receive the Honor Graduate distinction. Only students having attained the status of Honor Graduate will be considered for Distinguished Honor status. Distinguished Honor Graduates, Valedictorian, and Salutatorian will be determined at the conclusion of the third nine weeks of the senior year. The grade that is received in the registrar's office on this date is the grade that will be used in determining Distinguished Honor Graduates, Valedictorian, and Salutatorian.

In order to attain the title of Distinguished Honor Graduate, the student must first receive an A in the categories using any combination of half or whole credits. The combination must be earned in an increasingly rigorous course of study.

- Four (4) units of mathematics
- Four (4) units of English
- Four (4) units of science
- Three (3) units of social studies
- Two (2) units of foreign language
- Three (3) units of fine arts; health and/or physical education; career, technical, agricultural education; or an additional foreign language unit(s).

Additionally, Distinguished Honor Graduates must take a minimum of four (4) Advanced Placement/IB and/or dual enrollment courses in academic classes (English, Math, Science, Social Studies, and Foreign Language) while enrolled in high school, and earn a score of 3 or above on at least one (1) AP test or 4 or better on at least one (1) IB test before the beginning of their senior year.

CRITERIA FOR SELECTION OF THE VALEDICTORIAN:

- The Valedictorian must be a member of the graduating class cohort.
- The Valedictorian must be a Distinguished Honor Graduate.
- The Distinguished Honor Graduate who has taken one or more AP/IB class(es) in each of the four academic areas (ELA, math, science, social studies), taken at least one AP/IB exam in each academic area, and who has the highest weighted GPA will be the Valedictorian. These testing requirements must be met prior to the student's date of graduation. If the testing is scheduled to take place after the announcement of honors distinctions and the student fails to complete the requirements, the student's honor graduate status will be changed prior to graduation.
- The Valedictorian will be awarded the highest class rank in the graduating class.
- In the event where a school has no Distinguished Honor Graduate(s), the Valedictorian will be the student with the highest weighted GPA, and by default will be a Distinguished Honor Graduate.
- In the event of a tie for Valedictorian, the honoree will be the student with the highest simple GPA on a 100 point scale calculated to four decimal places.
- In the event there is still a tie: the student with the highest number of Advanced Placement test scores earning a 3 or higher will be Valedictorian.

CRITERIA FOR SELECTION OF THE SALUTATORIAN:

- The Salutatorian must be a member of the graduating class cohort.
- The Salutatorian must be a Distinguished Honor Graduate.
- The Distinguished Honor Graduate who has taken one or more AP/IB class(es) in each of the four academic areas (ELA, math, science, social studies), taken at least one AP/IB exam in each academic area, and who has the second highest weighted GPA will be the Salutatorian. These

testing requirements must be met prior to the student's date of graduation. If the testing is scheduled to take place after the announcement of honors distinctions and the student fails to complete the requirements, the student's honor graduate status will be changed prior to graduation.

- The Salutatorian will be awarded the second highest class rank in the graduating class.
- In the event where a school has no Distinguished Honor Graduate(s), the Salutatorian will be the student with the second highest weighted GPA, and by default will be a Distinguished Honor Graduate.
- In the event of a tie for Salutatorian, the honoree will be the student with the second highest simple GPA on a 100 point scale calculated to four decimal places.
- In the event there is still a tie: the student with the highest number of Advanced Placement test scores earning a 3 or higher will be Salutatorian.

TRANSFER CREDITS

- For the determination of Distinguished Honor Graduates, Valedictorian, and Salutatorian, only those transfer credits which are equivalent to those available to all TCSS students will be considered.
- For the determination of Distinguished Honor Graduates, Valedictorian, and Salutatorian, only courses approved by TCSS will be considered. Only Dual Enrollment credit earned within the Funding Cap will be included for honors distinctions.*

PROCEDURES FOR THE ANNOUNCEMENT OF VALEDICTORIAN, SALUTATORIAN, AND DISTINGUISHED HONOR GRADUATES:

- Written explanation of selection process will be provided to all high school students in the student handbook each fall.
- Each high school principal will provide the Director of Secondary Education with information and documentation regarding the candidates for Valedictorian, Salutatorian, and Distinguished Honor Graduates for review prior to the April Board of Education meeting. Valedictorian, Salutatorian, and Distinguished Honor Graduates will be announced at the April Board of Education meeting.

*The state funding cap as of June 2023 is 30 hours. If this cap should change, this policy will adjust to align with the new state guidelines.

GUIDANCE AND COUNSELING

Students are assigned a THS Counselor based on student last name and will remain with the same counselor throughout their high school years. Students and parents are encouraged to work through the student's assigned counselor to address any scheduling, course requirements, or graduation requirements, concerns, or questions that might arise. Registration conferences are held annually with parents and students. Parents will receive written notification of conference dates. Parents are highly encouraged to attend scheduling / guidance conferences with their student(s). Students and/or parents who wish to meet with the counselors should make an appointment through the guidance office secretary.

Counselor Based on Initial of Students' Last Names

Valerie Gill (G-N)

Bridget Benefield (O-Z)

The counseling office also provides the following information:

- career information, college catalogs, and applications
- credit recovery
- financial aid and scholarship information
- Georgia Futures
- information about SAT, PSAT, ACT, Accuplacer and ASVAB

MOVE ON WHEN READY (MOWR)

The MOWR Program provides opportunities for Georgia High School Students to take college level courses to earn credit towards high school graduation and college requirements.

MOWR Process Overview

1. Apply to the MOWR program at the institution of your choice.
2. Pass the required entrance exam for the chosen institution.
3. Schedule a parent/student meeting with your THS counselor to complete the MOWR Student Participation Agreements. This will ensure the classes you are registering for at the college will line up with your high school graduation requirements and will ensure proper transcription of credits.
4. Register for classes at the College/University with their high school MOWR coordinator.
5. Turn in a copy of your college schedule to your THS counselor.
6. Complete MOWR online application through gafutures.org for funding.

SCHOLARSHIPS / FINANCIAL AID

Obtaining funding for college is a major concern for our college-bound seniors. Students and parents should begin planning toward this end early. The first step in preparing for college is to take the PSAT. It is given in October and may be taken by first time sophomores for free. Juniors and freshmen may request to participate at the student's expense (\$15). This test is the qualifying exam for juniors who apply for the National Merit Scholarships and the National Achievement Scholarships. Students should listen for announcements and sign up for the test in the Counseling Department. Scholarship seekers may need to take the SAT/ACT several times beginning in the

spring of their junior year because few colleges will grant scholarships to students having SAT scores below 1000. Counselors have SAT/ACT applications.

It is important to apply to the college of one's choice early in the senior year. Many colleges have November and December application deadlines for their best scholarships. After the student has been accepted to the school of his choice, he should contact the school's financial aid office immediately for information about scholarships for which he may apply. The great majority of scholarship aid comes from the college itself. Applications must be submitted for consideration.

Grants and loans are also available to students who qualify. Again, it is necessary to begin seeking aid early. Free Application for Federal Student AID (FAFSA) should be mailed in January, as soon as the parents' tax forms are completed. FAFSA forms are available in January in the Counseling Department. Parents and students should know that many schools have March deadlines for all financial aid applications, so early filing is important.

HOPE SCHOLARSHIP

Georgia residents have options for getting an education through the HOPE - *Helping Outstanding Pupils Educationally* - Scholarship. There are scholarships offered for Georgia Public Colleges or Universities, Georgia Public Technical Institutes, and private colleges/universities. Contact your counselor or call 1-800-546-HOPE for more information.

SCHEDULE CHANGES

Schedule changes are made only with the approval of a counselor or administrator. The registrar will only change schedules if the student has already taken and passed the class, if the student failed a prerequisite course, or if a class is needed to complete a given pathway. If a student transfers into a new class because of a schedule change, the absences, tardies and grades recorded in the previous class will transfer with the student to the new class.

TRANSCRIPTS

Requests for transcripts must be in writing by the student. Students can complete a transcript request form in the front office or Guidance office and it must be completed three (3) days in advance of deadline. On the form students must provide the name of institution, address of the institution and contact person/ department. There is a \$4.00 charge for transcripts sent to post-secondary schools and/or prospective employers. Personal copies are not available.

HALL PASS and 10/10 RULE

Students who need to leave the classroom must have a pass from their teacher. Students must have a pass or classroom lanyard in their possession and visibly display it to school personnel when requested. Students should use the shortest and quickest practical route without stopping at any unauthorized location. Students found in the hall without a proper pass or who choose an impractical route will be subject to disciplinary action. Also, students caught forging passes in any way are subject to punishment for forgery under school policy. **THS 10/10 Rule – no passes out of class during the first 10 minutes and last 10 minutes of class**

HOMECOMING KING AND QUEEN

Students at Troup High must sign up in order to compete for THS Homecoming Queen and King. In order for a student's name to appear on the ballot, he/she must be an upstanding school citizen with no outstanding fees owed to the school. Students must be on track to graduate, passing 3 out of 4 classes with no more than 5 unexcused absences and no more than 5 tardies. Homecoming candidates may not have more than one disciplinary referral for the current or previous school year **combined**. If a student has one referral, then that disciplinary referral **can not** result in OSS, long term suspension, or placement at the Hope Academy. The principal will make all final determinations about eligibility to run for Homecoming Court.

IDENTIFICATION CARDS FOR STUDENTS

Troup High School requires students to wear identification cards while on campus during the school day. The purpose of this initiative is to ensure the safety and security of all individuals on campus and to allow appropriate access to hallways. The following procedures will be used by teachers and administrators to assist our students in meeting this expectation:

1. All students should wear their current year ID cards at all times while on campus during school hours.

2. The ID card should be worn on a lanyard, hanging from the neck, and should be visible at all times. Students may purchase and wear a lanyard of their choosing (provided it is school appropriate) or can be issued a THS lanyard if they prefer.

g) Students are excused from wearing IDs during classes where they present a hazard to student safety.

3. Wearing your lanyard and i.d. is an important school safety measure. Please make sure you have your i.d. visible every day.

Note: Refusing to identify yourself or provide access to your ID to an adult on campus is considered a violation of TCSS Student Behavior Code 7.08 – Refusal to Obey a School Official.

IN-SCHOOL SUSPENSION (ISS)

The following list contains tests that are required by state or federal law:

Georgia Milestone Assessment System (GMAS)

In order to determine the student's mastery of the Georgia Standards of Excellence (GSE) in grades 3-8, the State Department of Education implemented the Georgia Milestones Assessment System (GMAS) End of Grade and End of Course to measure each child's academic performance in the areas of English Language Arts, Math, Science and Social Studies. WIDA ACCESS in grades K-12 and WIDA Alternate ACCESS (ACCESS) - Access is used to determine English proficiency in areas of speaking, listening, reading and writing. It is given to all students identified as English Learners in grades K-12.

Georgia Alternate Assessment (GAA 2.0) - GAA 2.0 provides meaningful information about classroom instruction and identifies students' areas of strength and improvement. It is given to students in grades 3-8 and 11th grade that have been identified as having a significant cognitive disability.

At times during the school year, students may take other assessments to determine academic starting points and progress. The list below contains these tests and the grades associated.

TROUP COUNTY SCHOOL SYSTEM

Student Attendance Protocol (condensed version)

Georgia law requires all pupils of school age to be in regular attendance. A student who misses school is not able to benefit from important academic instruction that he or she will need in order to be successful in school and ultimately to be a successful citizen. Pursuant to the Georgia Compulsory Attendance Statute, O.C.G.A. 20-2-690.1, a parent, guardian or other person residing within this state having control or charge of a child (hereinafter referred to as the "Responsible Person") who fails to send his or her child to school may be charged with a misdemeanor. At its discretion, a court having jurisdiction may subject the Responsible Person to a fine not greater than \$100.00 and/or imprisonment not to exceed thirty (30) days if found guilty of violating this statute. Each day's absence shall be considered a separate offense as related to the penalty.

The school's principal will be responsible for designating personnel to administer this protocol.

In accordance with Georgia Board of Education Rule 160-5-1.10, students may be temporarily excused

from school who are:

1. Personally ill and whose attendance in school would endanger their health or the health of others;
2. In whose immediate family there is a serious illness or death which would reasonably necessitate absence from school;
3. Mandated by order of governmental agencies, including preinduction physical examinations for service in the armed forces and court orders;
4. The observation of religious holidays, necessitating absence from school.
5. When conditions render school attendance impossible or hazardous to the student's health or safety.
6. Registering to vote or voting for a period not to exceed one day;
7. Serving as Pages of the General Assembly during the school year (Pages shall be credited as present by the school in which enrolled);
8. Military connection of parent or legal guardian necessitates an absence.

The law requires the Responsible Person to see that their children attend school, and it provides penalties for failure to do so. The Troup County School System Attendance Protocol will be enforced as outlined below:

1. At the beginning of the school year, the Responsible Persons, along with students who are 10 years or older will be asked to sign the Troup County Attendance Protocol and a copy of the signed Protocol will be kept on file at the school.
2. No later than upon the third unexcused absence, unexcused tardy, or unexcused dismissal, a designated staff member, will notify the Responsible Person by phone or written correspondence if necessary. For the purpose of intervening and providing support,

resources will be offered to the Responsible Person. If applicable, the student may be referred to the appropriate School Counselor, Social Worker, Family Assistant, Administrator or Designee and a plan will be developed. This shall be considered the first notice of attendance.

3. If two (2) reasonable attempts to notify the Responsible Person of absences, tardies or early dismissals produce no response, the school will send an Attendance Notice to the Responsible Person via certified mail, return receipt requested or first class mail. If applicable, these students' names will be forwarded to the appropriate School Counselor, Social Worker, Family Assistant, Administrator or Designee.
4. After five (5) unexcused absences, seven (7) or more unexcused tardies, or seven (7) or more unexcused early dismissals, a referral to the school Counselor, School Social Worker or other designee will be made. In addition, a school designee will request a conference with the Responsible Person and the attendance plan will be reviewed and updated. Also, if a referral is made to School Based Risk Reduction Team (SBRRT) and the Responsible Person elects not to participate and there is a subsequent unexcused absence, then an educational neglect complaint may be filed in the Juvenile Court (SBRRT applies to elementary school students only).
5. Except in extraordinary circumstances found in the discretion of the school, upon the occurrence of the first unexcused absence, unexcused tardy or unexcused early dismissal following the 1st Notification, law enforcement intervention will be requested.
6. If the above attempts are met with continued non-compliance by the Responsible Person of a child between the ages of 6-16 as evidenced by continued absences, the school will contact law enforcement and a warrant will be requested upon the 11th unexcused absence. At any time during the year, if the student's academic progress is negatively impacted by continued unexcused absences, the school may proceed with Educational Deprivation process through Juvenile Court.
7. After eleven (11) or more unexcused absences, the school may elect, as an alternative to sending a warrant request or in addition thereto, file a complaint for educational neglect or a Child in Need of Services complaint.
8. Attendance related information obtained by Law enforcement will be provided to the school and kept on file at that school.

Assessments in the Troup County School System

The Troup County School System administers state and local assessments to measure student learning, monitor academic progress, and meet state and federal accountability requirements. Assessment results provide valuable information for students, families, teachers, and schools by identifying strengths, areas for growth, and readiness for the next level of learning.

State assessments are administered in accordance with the Georgia Department of Education's Student Assessment Handbook, Georgia State Board of Education Rule 160-3-1-.07 (Testing Programs – Student Assessment), and the Every Student Succeeds Act (ESSA). The Troup County School System follows all state requirements for test security, administration, and reporting.

Required State Assessments

The following assessments are required by the State of Georgia and/or federal law:

Georgia Milestones Assessment System (GMAS) – Measures student achievement of Georgia's state standards in grades 3-8 (End-of-Grade) and high school (End-of-Course).

- Grades 3–8: English Language Arts and Mathematics
- Grades 5 & 8: Science
- Grade 8: Social Studies
- HS: Literature and Composition II, Algebra: Concepts and Connections, Biology, and United States History

Amira Universal Reading Screener – Amira helps identify students in grades K-3 who may be at risk for reading difficulties. As a screening tool, Amira does not diagnose dyslexia or other reading disabilities. Results are used alongside other academic data to guide instruction and student support.

Georgia Kindergarten Inventory of Developing Skills (GKIDS 2.0) – A formative assessment that measures kindergarten students' progress in literacy, mathematics, and social-emotional development to support instruction and determine readiness for first grade.

WIDA ACCESS for ELLs and WIDA Alternate ACCESS – Administered annually to students identified as English Learners in grades K-12 to measure English language proficiency in listening, speaking, reading, and writing.

Georgia Alternate Assessment (GAA 2.0) – Administered in lieu of the Georgia Milestones assessments to eligible students in grades 3-8 and high school with significant cognitive

disabilities who meet the state's participation criteria.

In addition to state assessments, students may participate in district and classroom assessments throughout the school year to monitor academic progress and guide instruction.

Why Participation Matters

The Every Student Succeeds Act (ESSA) requires states to assess students annually and requires school districts to assess at least 95% of eligible students. The Troup County School System is required to administer all state assessments and report participation and results to the Georgia Department of Education. The district cannot waive state assessment requirements or exempt students from participation unless permitted under state policies.

How Assessment Results Are Used

Assessment results help the Troup County School System:

- Monitor student academic progress and achievement.
 - Identify individual student strengths and areas for improvement.
 - Guide classroom instruction and intervention.
 - Support placement decisions for academic programs, including gifted education and intervention services.
 - Measure school and district performance for state and federal accountability.
- Provide parents with information about their child's academic progress and readiness for future
