SECTION 6: GRIEVANCE PROCEDURE

Purpose

The purpose of this grievance procedure is to provide a means for the orderly and expeditious adjustment of a grievance by an employee or group of employees. Every reasonable effort will be exerted to resolve grievances before the close of a school term, or as soon as possible.

Informal Communication

Every effort will be made to settle problems at the lowest level through informal communication between the employee(s) and the immediate supervisor. Grievances may not be processed through this procedure until there is evidence informal two-way communications have failed to resolve the issue.

Definitions

"Grievance" will mean a written statement by a grievant that the District has violated a term or condition of this Agreement.
"Days" will mean working days, except during the summer months when “days” shall mean days of the week, excluding weekends and holidays.
“Grievant” shall mean an individual, group of individuals, or the Association.

Notes

No grievance may be made regarding the substance of a Coach’s evaluation or the District’s decision to not renew an individual’s contract.

No grievance may be made alleging a procedural violation regarding an evaluation unless the alleged procedural violation results in substantial harm to the Coach and unless the alleged procedural violation is a material violation.

No grievance may be made regarding an alleged violation of Article I or II.

In the event a grievance is not filed or appealed within the requisite timelines, the grievance will be deemed resolved and no further processing or appeals will be allowed.

In the event the District does not respond to a proper grievance or appeal within the required timelines, the grievant will be allowed to move forward to the next step in the grievance process.

Procedures and Steps

A grievance must be filed within 30 days of the occurrence of the event on which the grievance is based. The timelines and procedures will be strictly followed, unless waived in writing by the parties. Failure of the grievant to follow the timelines will mean the grievance is withdrawn. Conversely, failure by the District to follow the timelines will automatically qualify the grievance for advancement to the next step. When filed in the name of the Association, grievances relating to interpretation and/or application of this agreement may be initiated at Step 2.

Step One: Immediate Supervisor

The grievant(s) submit(s) a grievance review request (Form A) to the immediate supervisor. The supervisor will offer to meet within five (5) days after receipt of the request and will render a written decision to the grievant(s) within five (5) days after the formal meeting. A copy of the grievance review request will be sent to the Superintendent and the Association president. A copy of the written decision will be sent to the Superintendent and the Association president.

Step Two: Appeal to Superintendent

If the grievant(s) is not satisfied with the decision of the immediate supervisor at Step One, the grievant may refer the grievance to the Superintendent within five (5) days after the receipt of the decision. A copy will be given to the grievant's immediate supervisor. The Superintendent or designee will meet with the grievant(s) within five (5) days after the grievance has been referred to him or her. Both the Superintendent or designee and the grievant(s) may have other people present at the meeting who might contribute to an acceptable adjustment of the grievance.

The Superintendent or designee will render a written decision on the grievance (and any adjustment) within five (5) days after the grievance has been heard. Copies of the Superintendent's or designee's decision will be sent to the grievant, the grievant's immediate supervisor, and the Association president. The Superintendent's office will keep a copy.

Step Three: Binding Arbitration

If the grievant is not satisfied with the disposition of this grievance at Step Two, or if the Superintendent has not provided a written decision within the timelines prescribed in Step Two, the grievance may be submitted to final and binding arbitration within five (5) days of the written decision in Step Two, at the option of the Association.

The parties will attempt to select an arbitrator within 10 days after the Superintendent receives the appeal from the Association. The arbitrator's decision will be final and binding. If the parties are unable to agree on the arbitrator, a list of arbitrators will be requested from the American Arbitration Association or the Federal Mediation Conciliation Service.

The parties will select an arbitrator under the rules and procedures of the American Arbitration Association or the Federal Mediation Conciliation Service. As an alternative, by agreement, a representative of the Board and a representative of the Association may select an arbitrator from a list of eligible candidates by alternately striking names until only one (1) name remains.

The hearing will proceed under the Voluntary Arbitration Rules of the American Arbitration Association or the Federal Mediation Conciliation Service, unless the parties agree to proceed under expedited rules.

The arbitrator will submit a decision in writing not more than 30 days after the close of the hearing.

During the arbitration, neither the District nor the Association will be permitted to assert evidence not previously disclosed to the other party. The losing party will bear the full cost of the arbitration, including any attorney's fees for the prevailing party and any administration fees.

Freedom from Reprisals

No reprisal(s) will be invoked against any employee for processing a grievance or for participating in any way in the grievance procedure.

Powers of the Arbitrator

The arbitrator will have no power to alter, add to, or subtract from the terms of this collective bargaining agreement.

SECTION 7: LIABILITY INSURANCE

The District shall purchase public liability insurance in the amount of ten million dollars ($10,000,000) per occurrence and the District shall include the employees (within the scope of their employment) as named insured under the general liability insurance policy of the District.

SECTION 8: NOTIFICATION WHEN THREATENED

An employee who is threatened by any person or group while carrying out assigned duties shall immediately notify her/his immediate supervisor. The supervisor shall notify the Superintendent or designee, and, if necessary, the police. Immediate steps shall be taken, in cooperation with the employee,

to provide for the employee's safety. Precautionary measures for the employee's safety shall be reported to the Superintendent or designee at the earliest possible time.

Employees may use necessary measures with a student, patron, or other person as is necessary to protect herself/himself, a fellow employee, a teacher, an administrator or another student from attack, physical abuse or injury, or to prevent damage to District property. The employer shall support and assist employees with respect to the maintenance of control and discipline of students in the employee's assigned work area.

SECTION 9: CARE AND TREATMENT OF INJURIES

Extracurricular supervisors are responsible for making decisions pertaining to care and treatment of injuries according to district policy and procedure.

SECTION 10: DUTIES

In the event a regular employee of the District must attend events away from the District, the District will attempt to secure and provide appropriate coverage as available for the employee's other regularly scheduled employment with the School District.

Employees will establish the activity schedule including ending times for any event, rehearsal or practice as the record of routine. That schedule will be distributed to the student participants and parents with a copy submitted to the building principal and or athletic director.

SECTION 11: REIMBURSEMENT AND REPLACEMENT

The District will provide insurance coverage under its present policy to cover the costs of loss of property (excluding cash) sustained in the course of employment. In addition, the board will develop a $6,000 fund for the purpose of settling personal property claims utilizing procedures developed jointly by the Association and the District. Such procedures shall address the registration of some items, precautionary measures, limitations, and method of payment.

SECTION 12: NOTIFICATION OF POLICE

An employee must report a theft, vandalism, or assault to the appropriate police officials within seventy-two (72) hours of knowledge of the incident.

SECTION 13: COMPLAINT PROCEDURES

Procedures for dealing with complaints about a supervisor of an extracurricular program are available on the district website.

ARTICLE IV: CONTRACTS, WORKDAY AND PAYMENT
