Dear Parent/Legal Guardian:

The safety of our students is a top priority at EUSD. While we work hard to provide a secure environment, accidents can still happen.

To support families, **EUSD is now providing accident insurance at no cost to parents for the 2026–2027 school year.** This **district-paid coverage** helps with medical expenses related to accidental injuries that occur during a range of school-related activities.

Coverage under this plan includes:

- On-Campus incidents
- School-sponsored Activities
- Field trips
- Travel
- Volunteers and non-enrolled participants

Please review the attached brochure for full details and instructions on how to file a claim. If your child is injured, notify their teacher and the school office right away.

Thank you for helping us keep students safe.

Sincerely,

Joseph Dougherty
Assistant Superintendent of Business Services
