

Welcome from the

EUSD SPECIAL EDUCATION PARENT COUNCIL

A place to connect, find support, and build community.

Whether your child has an IEP or 504 Plan, you are exploring special education services, or you simply want to help create a more inclusive school community, you are welcome here.

The EUSD Special Education Parent Council brings families, educators, district staff, and community partners together to build connections, share resources, and promote inclusion and belonging throughout EUSD.

Throughout the year, we offer opportunities to connect with other families, ask questions, access resources, participate in inclusive events, and simply have fun together.
