

LUNA DANCE & CREATIVITY DANCE & THE PREK- TK LEARNING FOUNDATIONS

Children learn through multiple languages. Discover how dance supports language development, literacy, and serves as a language of its own.

Explore how dance strengthens children's connection to stories, symbols, songs, rhythm, and rhyme while engaging them as whole learners.

This interactive workshop features full-body dance activities that build vocabulary, phrasing, and narrative skills. Designed for educators and caregivers of children ages 0–8.
