

Class Supplies for Mr. McCoy's Class

Welcome back to school- I'm excited to see all of you!

Suggested supplies— optional- see note below:

Very Important: Pencil pouch (I prefer pouches to boxes because they fit in the desk better- all supplies should fit in pouch)

Mechanical Pencil, Blue and/or black ink pen, eraser

box of colored pencils; sharpie- black + ONE favorite color (2 total)

reasonably sized stress squishy (must fit in your desk- no sharing, please)

UNSCENTED hand sanitizer

pencil sharpener with "catcher" for shavings

Comfortable HEADPHONES/ earbuds but not expensive ones

SCISSORS; glue stick

Homework folder (I have lots of extras, but they aren't the fun ones)

Your own personal, refillable water bottle -you need to bring home every day

If you don't have these items, the school can provide them, but they might be pretty plain. Just sayin'

I will not be providing personal emotional support objects (squishies, fidgets) or individual-sized hand sanitizer.

Leave the following at home: extra pens, pencils, art supplies, tape; gum, trading cards (Pokémon), video games, cell phones (unless you have a school contract), toys, rubber bands, sticky notes, smelly stuff, highlighters, slime, cats and ducks, crayons (you get the idea)
