WORKERS

Succeed in
their jobs

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.

Independent Study

How It Works

If students are going to be out 5 days or longer, we offer an independent study option. Please work with the front office to make arrangements.

Prior Notice

We ask for at least two weeks prior notice to prepare independent study materials.

Requirements & Limits

All work is due to the front office the day your child returns. Note that there is a maximum limit of 15 days per student.

Items of Information

Teacher Conferences

Teachers want to be 100% focused on your student during school hours. If you wish to have a conference with your child's teacher, please make prior arrangements.

Administration Meetings

We are always happy to meet with parents! The best way to catch us is by setting up a meeting. Any member of the front office staff can help you schedule a time.

Emergency Information

Please update emergency information often. Keeping your details current in PowerSchool ensures we can reach you quickly in any situation.

School Access & Contact

Front doors are locked at all times and visitors must be buzzed in. Currently, phone calls and emails are the easiest way to reach the front office.
