BUS REGISTRATION LINK

Please click on the link below and complete the School Bus Registration if you have not already. It is very important that every student has a completed form, whether your kids are daily riders or not. Throughout the year, most all students will ride the bus for one thing or another like Field Trips, Athletics, Clubs or even riding home with a friend, so it is very important for everyone to understand the rules and expectations.

FRONT DOOR SIGNAGE

Notice to Families: You may notice new signage posted on windows/doors on our campus identifying the end of public access areas and the beginning of secured school property. In recent months, school districts across Spokane have experienced an increase in visits from individuals commonly referred to as "First Amendment auditors." They are unidentifiable and intentionally film and post on YouTube on public property to test how organizations respond.

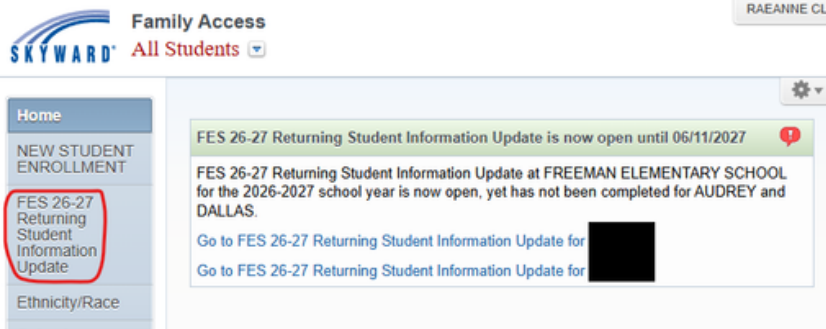

These signs are not in response to a specific incident at Freeman but are a proactive step to help clearly define public and secured areas, support consistent safety practices, and assist visitors in understanding where access is permitted. Our priority is to provide a safe, welcoming, and uninterrupted learning environment for our students and staff while respecting the rights of all individuals. Thank you for your understanding.

26-27 RETURNING STUDENT INFORMATION UPDATE

All returning students must have their information updated with the school each year. Please login to Family Access and complete the "FES 26-27 Returning Student Information Update" for each of your students.

We are excited to see everyone back on campus for our Back to School Open House on Monday, August 17th from 4:30-6:00pm. Come find out who your teacher is and check out your classroom, the Elementary School and the rest of the District campus. Head on up to the Transportation Department to meet your bus driver and find out your bus route information. This is also a great time to connect with the friends, families and community you have missed over the summer. Grab a sweet, cold treat in the K-8 MPR as you catch up and get ready for the 26-27 school year!
