PHILOSOPHY OF WESTSIDE HIGH SCHOOL ATHLETICS

The philosophy of the Westside High School Athletic Department is to provide the best opportunities for its student-athletes to excel in Scholarship, Sportsmanship, and Stewardship. It is important that we understand that our young men and women are people first, students second, and athletes third. We emphasize that athletics is a privilege, not a right, and participation must reflect commitment, compliance, and character. Our athletes embody the motto: Champions by Choice – Excellence by Design, recognizing that achievement comes from intentional effort, discipline, and the choice to uphold our standards of excellence.

PURPOSE OF WESTSIDE HIGH SCHOOL ATHLETICS

The primary purpose of athletics is to help young adults grow into respectable and productive citizens. By following the guidelines in this handbook, athletes will strengthen their moral character, leadership, and sense of responsibility. Wearing the Westside colors means more than competition—it represents commitment to family, community, and school.

Participating in athletics at Westside High School develops initiative, leadership, teamwork, and integrity, which prepares athletes for life beyond the field. By choosing to compete, student-athletes commit to contributing to a tradition built on excellence by design, not accident.

WESTSIDE WINNING WAY FOR STUDENT ATHLETES - DEFINED

A student athlete is defined as all young men and women who represent a team that engages in interscholastic competition, student managers, statisticians and all other students who may assist a team. All are expected to live up to the **Champions by Choice – Excellence by Design philosophy**.

ELIGIBILITY STANDARDS FOR PARTICIPATION IN ATHLETICS AT WESTSIDE HIGH SCHOOL

The Georgia High School Association (GHSA) and Westside High School have minimum requirements for participation in high school athletics, conditioning programs, and camps. Failure to meet these requirements will result in that student athlete being ineligible for participation. The following are basic requirements for athletic participation at Westside High School that must be met before participation can begin.

- Students new to Westside High School who have transferred from another high school are ineligible until a GHSA Athletic Transfer Form from the previous school has been completed and ruled upon by the GHSA. The new student, through the athletic office at

Westside High School, must initiate this transfer. The athlete will not be allowed to participate with a team until the transfer has been completed.

- The transfer student must have been in good standing in their previous school to begin participation at Westside High School. Penalties imposed by the athletic department and/or the previous school's administration will be applied, or the equivalent Westside High School athletic department penalty will be applied to those students transferring into Westside High School. Student athletes who have been denied athletic participation at the previous school will be denied participation at Westside High School.
- Every Westside High School student athlete is required by the GHSA and the Westside High School Athletic Department to have a GHSA physical examination form completed and on file with the athletic office before conditioning, participation in a camp and when practice begins in any sport. Physical exams are the responsibility of the athlete and their parents.
- Student athletes must pass at least five out of seven classes to be classified as eligible.

GEORGIA HIGH SCHOOL ASSOCIATION GUIDELINES FOR ELIGIBILITY

The following are brief guidelines to verify the eligibility of student athletes. This is a partial list of minimum requirements. Student athletes and their families are encouraged to contact the Westside High School Athletic Department for further clarification and specific information.

- Students gain eligibility to practice or compete for the school in which they are enrolled after they have been certified by the principal of that school, after the eligibility forms have been processed by the GHSA office, and after the students have met the standards of:
 - (a) academic requirements
 - (b) age
 - (c) semesters in high school
 - (d) residence in the school's service area
 - (e) transfer rules Note: Students establishing eligibility as entering 9th graders are automatically eligible for the first semester unless over age.
- Students must accumulate units towards graduation according to the following criteria:
 - (a) First-year students (entering 9th grade) are eligible academically. Second semester first-year students must have passed courses carrying at least 2.5 units (5 of 7 classes) the previous semester to participate.
 - (b) Second-year students must have accumulated five (5) total units in the first year AND passed courses carrying at least 2.5 (5 of 7 classes) units in the previous semester.
 - (c) Third-year students must have accumulated eleven (11) units in the first and second years AND passed courses carrying at least 2.5 (5 of 7 classes) units in the previous semester.

(d) Fourth-year students must have accumulated seventeen (17) units in the first three years AND passed courses carrying at least 2.5 (5 of 7 classes) units in the previous semester.

(e) Students may accumulate the required units for participation during the school year and eligibility will be reinstated at the beginning of the next semester.

PARTICIPATION STANDARDS AND GOOD SPORTSMANSHIP FOR WESTSIDE HIGH SCHOOL STUDENT ATHLETES

The following Participation Standards for Student Athletes and Good Sportsmanship for Student Athletes reflect the standards by which Westside High School and its athletic department expect our student athletes to abide. Participation by student athletes is a privilege, not a right. It must be earned by persevering through challenges, having respect for all, investing in your learning environment, demonstrating strength of character, and epitomizing excellence. The coaches of each sport, with the authority of the athletic department and the high school principal, will enforce the specific elements of the Code of Conduct.

PARTICIPATION STANDARDS FOR WESTSIDE HIGH SCHOOL STUDENT ATHLETES

Athletes are responsible for their uniforms and equipment. The athletic department will replace uniforms and equipment damaged or destroyed by competition. Student athletes will reimburse the athletic department for uniforms and equipment that has been lost or damaged outside of competition. The coaches of individual teams may supplement the Westside High School Athletic Department Students Athletic Handbook with their own addition or rules that are specific to their sport. These rules carry the same weight as do those of the athletic department and may carry specific penalties that would be administered and enforced by the coach of that team. Westside High School student athletes are expected to be a positive role model to the other students in our school and to the young people of the Bibb County School district. Student athletes are expected to read, understand, and abide by the rules found in this handbook.

STANDARDS OF GOOD SPORTSMANSHIP

Good sportsmanship will always be the focal point of the Westside High School Athletic Department. It will be reflected in how we treat our teammates, coaches, officials, and opponents. Student athletes at Westside High School will place the positive and supportive relationship with their teammates and coaches as their highest priority. Regardless of the sport, individual or team, we are only as strong as how we treat each other. After all contests, Westside High School athletes are expected to shake hands with the athletes and coaches from the opposing team(s). After all contests, regardless of whether we agree or disagree with their calls, Westside High School athletes will thank the officials for their work in officiating the contest. Players are expected to stand whenever the national anthem and/or alma mater is playing. After any contest where ribbons, medals or trophies are presented to the opposing team(s), Westside High

School athletes will stay and watch and applaud the efforts of the athletes and team(s) involved in that contest. At no time will Westside High School athletes ever leave the field or floor while a presentation is being made. Westside High School athletes will not use inappropriate language while taking part in any contest. Though most sports have some level of physical contact and recognizing that hard physical aggressive contact is a major and important part of those sports, at no time will a Westside High School athlete engage in physical play that would result in unsportsmanlike conduct that would jeopardize the safety of the opposing athlete or the integrity of Westside High School.

GENERAL INFORMATION FOR STUDENT ATHLETES

Accidents/Injuries: All accidents or injuries occurring in practice or a contest in the GHSA sanctioned sports are to be reported to the trainer and coaching staff immediately. This will allow for the appropriate sports medicine support from our sports medicine staff and their medical personnel.

Changing a Sport: If a student athlete is cut from a team due to skill and number(s) issue, they may join another team in that sport season. A student athlete cannot quit one sport to join another sport until the original sport season has concluded. However, athletes will be allowed to transfer from one sport to another during a given season upon mutual agreement of both coaches and the athletic director.

Team Gear Purchase: Student athletes who purchase gear as a part of being rostered on a team, i.e., t-shirts, sweatshirts, warm-ups, equipment, shoes, etc., are responsible for the cost of those items regardless of whether they remain with the team or quit prior to or during the season. Failure to pay will result in those costs being placed on the debt list with Westside High School.

College-Bound Athletes and Recruiting: College recruiters visit Westside High School at times to talk about the school with our student athletes. These visits should be arranged between the school, the family, and the coach. Student athletes will not be dismissed from class to meet with a college recruiter. These appointments should be made during breakfast, lunchtime or after dismissal from school.

Conflicts Between Activities: Student athletes at Westside High School are involved in a great number of school-related activities away from sports. Conflicts are going to happen between a student athlete's commitment to their sport and other school related activities. If the conflict is between an academic class resulting in a credit and grade and an athletic contest or practice, the academic class takes precedent. Student athletes are encouraged to review their time commitment very closely before becoming involved in too many activities. Because of the demands of athletics at Westside High School, it is very difficult to miss practices and contest and not get behind.

Dress: As representatives of Westside High School athletics, when competing in a contest or taking part in any kind of award program or team function, student athletes are expected to dress and wear their clothing in an appropriate manner.

Hazing/Initiations: Hazing or an initiation of any team member by other team members is prohibited.

NCAA Clearinghouse Form: Student athletes who expect to compete on a collegiate level must first enroll with the NCAA Clearinghouse. No college coach will speak with a prospective student athlete until the form has been completed and approved by the NCAA. These forms may be obtained from the Guidance Office.

Participation in Two Sports in One Season: Student athletes may participate in more than one sport during a season. The coaches involved with this athlete will be expected to meet with the prospective student athlete and discuss and agree as to how this will take place. The student athlete will be asked to declare one of the sports as their primary sport for the duration of the season. This declaration will be used to resolve any conflicts that might arise between the two sports.

Participation after an injury: A student athlete cannot return to a practice/contest after an injury until released by an appropriate licensed medical authority. A parent(s) cannot grant approval to return to practice/contest that would be against the judgments of licensed medical personal.

Practices: Regular, Vacation and on School Closing Days: Student athletes are expected to attend all practices unless excused by their coach. The coach sets practice schedules during school vacations and only the coach can excuse. If there is a

school closing, the coach will contact the individual team members and advise as to what will happen.

School Day Attendance: Student athletes who are absent from school will not be allowed to participate in or attend any school events on that day. You are to attend school the morning after evening athletic events/extracurricular activities or risk loss of participation privileges. Scheduled Doctor, Dentist, and Specialist visits are the only excuse for missing school the day of and after athletic contests. Professional excuses must be provided to the athletic department.

Selection of Teams: Each varsity coach will have their own policy as to how they will choose their teams. Some of our sports allow all those who come out to participate while others require a selection process to have the appropriate number of student athletes on the teams. At the beginning of the season, if appropriate for that sport, the head coach will review with the student athletes who are trying out for the team what selection criteria will be used for selection to a team.

ACKNOWLEDGEMENT OF THE RISK OF INJURY FOUND IN HIGH SCHOOL SPORTS

Participation in high school athletics carries with it the very real potential for injury. It is reasonable to believe that at least once during the four-year career of our student athletes, that they will face an injury that will result in missing one or more days of practice or contests. It must be clearly understood by our student athletes and their families that even with the proper coaching and support of our coaching staff, the use of proper equipment and tremendous facilities, injuries will take place. These injuries can range from, but not limited to, mild soreness, bruises, sprains and strains, dislocations, broken bones, torn ligaments or meniscus, and concussions. It should also be clearly understood that some of these athletic injuries might result in catastrophic injuries including partial or full paralysis and in some instances the athlete may die. We need your help as a student athlete and as a family. Proper rest, nutrition and the adherence to the rules and guidelines established by the Westside High School Athletic Department and the coaches of your sport, will go a long way to ensure that injuries do not happen.

SUMMARY

Additional questions regarding the GHSA and the Westside High School Athletic Program should be directed to the High School Principal, Athletic Director, or members of the coaching staff. All athletes and their parents or guardians must be aware of the possibility of serious injury when they participate in a sports program. Sometimes the injury could be serious enough to have an altering effect on their quality of life. It is the policy of Westside High Schools not to discriminate on the basis of race, color, religion, sex, national origin, age or handicap.
