Rockbridge County High School Mission Statement:

Student Learning First!

All employees of Rockbridge County Public Schools will seek to create challenging learning environments for all students, which encourage high expectations for success. We will strive to provide developmentally appropriate instruction at all grade levels in grade-level content. We must instruct in ways which recognize individual differences and provide opportunities for different learning styles. Our schools will promote and provide safe, orderly, caring, and supportive environments. We will encourage and expect our parents, teachers, and community members to be actively involved in our students' learning. Together we will make a difference.

Mutual Expectations for Rockbridge County Public Schools:

It is **EVERYONE'S** responsibility to:

- Respect self, others, and community.
- Arrive **EVERY DAY** to school and class **ON TIME**.
- Come to class prepared and bring only those materials necessary for learning.
- Be at the right place, at the right time, doing the right thing.
- Dress and speak appropriately for school.
- Produce work that represents your full potential.

The community, parents, staff, and students of Rockbridge County High School believe:

- Learning is a lifelong process that requires tenacity, courage, resiliency, and determination.
- A positive school environment energizes and sustains excellent student performance.
- Student learning increases through working with people who come from different backgrounds, solving real world problems, and understanding the global context of current occupational preparation.
- Exemplary student and staff performance develops through setting individual learning goals, identifying means of meeting those goals, and assessing progress toward established goals.
- Members of the learning community are models for setting high personal expectations, creating excitement about learning, valuing diversity, encouraging colleagues and students, sharing best practices, utilizing big picture thinking, and demonstrating skills.

- Administrators provide leadership through broad staff and student involvement in the following areas: assessing school climate, identifying strategies to improve student performance, and collaborating with parents and community organizations.
- Schools excel through strong connections to parents and the larger community.

Declaration of Non-Discrimination:

Equal educational opportunities shall be available for all Rockbridge County students, without regard to sex, race, color, national origin, gender, ethnicity, religion, disability, ancestry, or marital or parental status. Educational programs shall be designed to meet the varying needs of all students. No student, on the basis of sex or gender, shall be denied equal access to programs, activities, services or benefits or be limited in the exercise of any right, privilege or advantage or be denied equal access to educational and extracurricular programs and activities.

Grievance procedures for any forms of discrimination are published in the Rockbridge County Policy Manual located in the public library, in each school and the school board office. Specific complaints under Title IX should be sent to the Assistant Superintendent; Section 504 complaints regarding discrimination should be sent to the Director of Special Education; all other discrimination complaints should be sent to the Superintendent.

These persons may be reached at the Rockbridge County Schools Administrative Offices, 2893 Collierstown Rd., Lexington, VA 24450, or by calling (540) 463-7386.

Attendance:

School Hours:

The school office is open from 7:45 am until 4:00 pm. The building doors open at 7:55 am for students to enter the building.

Classes begin at 8:30 a.m. and end at 3:25 p.m.

Policy:

Virginia Compulsory School Attendance Law, [Section 22.1-254](#). Ages of children required to attend:

Every parent, guardian, or other person in the Commonwealth having control or charge of any child who will have reached their fifth birthday on or before September 30 of any school year and who has not passed the eighteenth birthday shall, during the period of each year the public schools are in session and for the same number of days and hours per day as the public schools, send such child to a public school or to a private, denominational, or parochial school or have such child taught by a tutor or teacher of qualifications prescribed by the Board of Education and approved by the division superintendent or provide for home instruction of such child as described in **22.1-254**.

Automatic Unenrollment due to Absences:

Any student missing fifteen (15) days in succession shall be officially removed from the school's current registration list.

Parent and School Partnership:

RGHS wants to partner with families to ensure the success of each student. Regular school attendance is a critical component of student success. Missed instruction, regardless of the reason, has significant academic consequences. Therefore, the broader emphasis is on improving attendance for every student.

For additional information, please see the [Attendance](#) tab on the RGHS webpage.

Attendance will be taken daily by teachers in every class. All absences will be classified as excused or unexcused. An excused absence is defined as an absence due to medical appointments or illness/sickness, court appointment, or death in the immediate family. All other absences are unexcused. **If a student arrives late to class, regardless of what time the student arrives, the teacher is responsible for changing the status from Absent to Tardy. Any student who arrives more than 25 minutes late to class will be marked absent. Students are responsible for making up any missed work due to the tardy.**

If a student is planning to be absent for a legitimate reason, the student should provide **advanced** notification with a "pre-arranged absence form" to their classroom teachers. These forms will be given to students in the main office when they provide

documentation demonstrating the absence is necessary. Students will have the form signed by all of their teachers and will return the form to the main office prior to the date of absence.

Absences – Excused

Code of Virginia [§ 63.2-606](#) requires schools to report non-attendance of children receiving Temporary Assistance for Needy Families (TANF) to local departments of social services. Families receiving TANF are required to comply with compulsory school attendance laws.

Students who are absent are required to bring a parental note within **five (5) days** from the first day the student returns to school stating the reason for the absence unless prior written or telephone notification of reason has been received from the parent/guardian. **Parental notes will only be accepted to excuse absences on 10 occasions (periodical or daily). Any absence past the 10 parental notes allotted will require a doctor's or professional note in order to excuse.**

Acceptable reasons for an absence and/or tardiness to school include:

- A doctor-verified illness.
- Appointments (doctor, dentist, professional) – Students must attend classes during part of the day unless the nature and distance of appointment makes this impossible. A note from the doctor is required.
- Court appearance.
- Death in the immediate family.
- Religious holidays.
- Family vacation (Must obtain **Pre-arranged Absence Form** from the Attendance Coordinator and receive one-week prior approval from all teachers and principal).
- Field trips and school-related activities.
- Extenuating circumstances, which are determined by the school Administration.

This note will be filed in the main office and will be reviewed in the event that a student has five or more unexcused absences. Absenteeism for reasons not specified as "valid" as listed above, will be considered unexcused.

In addition, the following will not count against a student's total number of absences from a class:

- placement on homebound instruction
- senior visits to colleges or armed services appointments with written documentation from a registrar or recruiter (one day per semester or two days per school year only),

Days spent in In-School Detention (ISD) and/or will not count as absences from class. An out-of-school suspension, however, will count against one's attendance from class.

Tardy Policy:

Any student who is not in their assigned classroom by the end of the ringing of the tardy bell will be marked tardy by their teacher. If a student accumulates a certain number of cumulative tardies, they will be found to be in Poor School Standing and be placed on social probation (see Disciplinary Guidelines section).

Dismissal Precautions:

Principals shall not release a student during the school day to any person not authorized by the student's parent/guardian to assume responsibility for the pupil. Students shall be released only on request and authorization of parent or guardian. The superintendent shall provide procedures for release of pupils who are not residing with or under the supervision of a parent/guardian. The burden of proof on the authority of the person to receive the student is on the requesting party. A formal check-out system shall be maintained in each school.

§22.1-265 Inducing Children to Absent Themselves:

This section of the Code establishes the activities of adults, which may include, but are not limited to, parents who induce a child to be absent or harbor them during school hours. It also provides criminal sanctions for this behavior which increase in severity with subsequent violations.

§22.1-267 Proceedings Against Habitually Absent Children:

This section of the Code is unique from a legal perspective in that it authorizes the school to initiate proceedings against the child as a result of parental behavior. It also uses the term habitual to describe absences but never defines the term.

Leaving School during the Day:

Students must have permission from their legal parent/guardian and school official to leave school during the school day. **This includes students who have reached the age of 18.** Students who leave school without permission are considered truant and will be subject to disciplinary action. Students who have been seen on school grounds before school begins and who do not report for classes will be considered truant from school and subject to disciplinary action.

If a student desires to be excused from school before the end of the school day, he/she must bring a note from a parent/guardian to the main office before school. Students must be signed out by a parent/guardian in the main office before leaving school grounds. If a student reports back to school on the same day, a student must sign-in at the main office before resuming classes. Students and parents are requested to schedule appointments, when possible, after the close of the school day. Students who cannot make these arrangements will be expected to attend school before and/or after such appointments, including Court appearances, as time permits.

Closed Campus:

Rockbridge County High School is a closed campus. A closed campus means that once students come on school grounds, they must remain on school grounds until their regular dismissal time. Leaving school grounds at any time without permission is a violation of school policy and will be referred to as "skipping class." Disciplinary action commensurate with this offense will be enacted.

Staying After School:

In order to promote school safety, students who stay after school must be involved in a faculty supervised activity. If a student is not in a supervised activity, they are expected to leave the building and school grounds by 3:55 pm. Students who loiter at school without specific need or supervision will be subject to disciplinary action that can include charges of trespassing. Seniors who have early release from school and are involved in extracurricular activities must leave school grounds and return after the 3:25 bell.

Procedures for Checking Out of School:

Students who need to check out for scheduled appointments should present a parental note to the front office prior to school on the day of the appointment. Students, **regardless of their age**, may not check out without the authorization of a parent or guardian. **The parent/guardian must enter the building in order to check out a student(s).** Parent/guardian cannot verbally request a student being released from the building to the parking lot without the parent/guardian entering the building. Parents and guardians are expected to possess a valid ID in case it is requested by the main office staff.

Students checking out of school for reasons other than an official scheduled appointment may not return to school on that same day, or participate in extracurricular activities, without prior approval of an administrator.

Rockbridge County High School does not recognize any Senior Skip Days. All "senior skip days" will be unexcused.

RCHS Clinic Information:

Hours: Monday- Friday 8:25 A.M. - 3:25 P.M.

Emergency/registration cards are distributed at the beginning of the school year. **These forms must be signed and returned on or before Friday, August 21, 2026.** Any medical concerns, allergies, etc. should be noted on these cards. Students are discouraged from making medical or dental appointments during the instructional day. When necessary, the student is requested to return to school with a written note from the doctor including the time of the appointment.

Clinic Guidelines:

1. No student will be seen by the school nurse unless they have an e-hall pass from the classroom teacher.
2. Students are required to sign in at the clinic or risk disciplinary action from the administration for missing instructional time.
3. No prescription medication will be administered without a physician's order, parental consent, and the medication in the original container.
4. Over-the-counter medications must be registered in the clinic in an unopened container accompanied by written consent from the parent. Students may then take this medication as needed.
5. Students will NOT be permitted to leave school for medical emergencies unless it has been recommended by the administration and/or the school nurse.
6. No student will be dismissed early from school for medical reasons without permission from a parent or someone listed on their emergency call list. Such calls will be made by the school nurse or administrative designee.
7. When the school nurse is out of the building, students are requested to report to the main office if there is a medical emergency. First aid will be administered by members of the faculty/staff that possess up-to-date first aid certification.
8. Students who are assigned "early release" are not permitted to be in the clinic without approval from the administration.
9. Students who become ill during the day need to go home to recuperate. Students need to report to the clinic and have the school nurse contact their parents. Students are to remain in the clinic until a parent arrives to take them home.

School Attire:

Rockbridge County Public Schools respects students' rights to express themselves in the way they dress. In order to fulfill this mission, RCPS has established school attire guidelines in support of preparing students for higher education or skilled workforce entry. Enforcement of the school attire guidelines shall be handled on an individual basis in a respectful, judicious manner to minimize embarrassment or humiliation.

SCHOOL ATTIRE GUIDELINES:

1. Specialized courses and/or conditions may require specialized clothing or shoes, such as sports uniforms or safety gear.
2. Clothing which includes jewelry, accessories, and body piercings, should be free of language or images that reflect violence, profanity, discriminatory messages, or pornography. This also includes, but is not limited to, drugs, tobacco, alcohol, and illegal substances.
3. Clothing must cover the torso* (armpit to at least a three inch inseam or equivalent), conceal undergarments, and tops must have armholes. Rips or tears must not fall in the torso area.
4. Anything that covers the face and head may not be worn inside the school building.
5. Sunglasses, or other obscuring glasses, may not be worn inside the school building unless they are required for medical reasons.
6. Blankets, slippers, and onesies are not allowed.
7. Shoes must be worn at all times.
8. Other guiding rules and conditions may be established and enforced to promote a workplace environment that maximizes student learning.

The administrative leadership of each elementary, middle, and high school has the authority, within the boundaries of this policy, to interpret and apply the school attire guidelines and determine the conditions of school attire and any consequences, including any discipline. This authority and discretion extends also to making occasional exceptions on a school-wide basis.

The administration will advise students about the conditions of school attire guidelines as needed. Should there be repeat violations of the guidelines, consequences outlined in the student code of conduct may be applied.

Electronic Devices and Cell Phone Policy:

The Rockbridge County School Board recognizes that many, if not most, students have regular access to cell phones and other personal electronic communication devices. It is imperative, however, that students, families, and staff understand there are appropriate and inappropriate times for the use of such devices. Schools must provide a learning environment free from unnecessary distraction and disruption. The Rockbridge County School Board establishes expectations for student conduct, including the use of such devices, which promotes a respectful atmosphere during the school day free from disruption and threat to persons or property, and supportive of individual rights.

Expectations for Students:

Except as specifically provided for in this policy, the use of cell phones, as defined below, and all other personal electronic communication devices, as defined below, is prohibited during the "regular school day," as defined below. Upon students' arrival at school and continuing throughout the regular school day until dismissal from school, cell phones and other personal electronic communication devices are required to be "stored," as defined in this policy, and powered off.

Definitions Applicable in this Policy:

"Cell Phone" means a personal device capable of making calls, transmitting pictures or video, or sending or receiving messages through electronic means. The definition of cell phone is inclusive of a non-smart phone that is limited to making phone calls or text messages, a smart phone that encompasses the above features, and other future personal electronic communication devices with the abovementioned characteristics.

"Personal Electronic Communication Device" means any personal device capable of connecting to a smart phone, the Internet, a cellular or Wi-Fi network, or directly connects to another similar device. Personal electronic communication devices may include some wearable devices such as smart watches, as well as personal headphones, earbuds, laptops, tablets, other Bluetooth enabled devices, and other future personal electronic communication devices with the abovementioned characteristics.

"Regular School Day" means from when the first bell rings at the start of the school day to begin instructional time until the dismissal bell rings at the end of the academic school day, and includes lunch time and time in between classes.

"Stored" means a cell phone or personal electronic devices powered off and not being carried on the student's person, including not in the student's pocket. Storage options include in the student's backpack/book bag, in the student's locker, or in a designated place in the classroom, if offered.

Cell phones and other personal electronic communication devices must be powered off and stored in the student's backpack/book bag.

Failure to comply with this policy and expectation will result in the following actions:

First Offense:

Verbal reminder/warning to student for them to place the device in their backpack/book bag. This policy will be reviewed at the beginning of each semester with students in their class meetings. **This general review will serve as the “first offense” warning for all students.**

Second Offense:

Parent/Guardian will be contacted and the device will be confiscated by a school employee until the end of the school day. When a device is confiscated, it should be labelled with the student's name, turned over to a school administrator as soon as reasonably possible, and stored in a safe location. The student may retrieve the device at that end of the school day.

Third Offense:

Parent/Guardian will be contacted and the device will be confiscated by a school employee until the end of the school day. When a device is confiscated, it should be labelled with the student's name, turned over to a school administrator as soon as reasonably possible, and stored in a safe location. The parent/guardian must retrieve the device from the school and meet with school administration regarding the offense.

Fourth Offense:

Parent/Guardian will be contacted, the device will be confiscated by a school employee until the end of the school day. When a device is confiscated, it should be labelled with the student's name, turned over to a school administrator as soon as reasonably possible, and stored in a safe location. The parent/guardian must retrieve the device from the school and meet with school administration regarding the offense. In addition, for a period of 30 calendar days, the student shall be prohibited from possessing a cell phone or other personal electronic communication device at school during instructional hours. The student may either leave the device at home or will be required to check the device into the office at arrival and retrieve it following dismissal. Students who violate this restriction will be subject to further discipline that is consistent with other forms of insubordination.

For further information on the cell phone policy, please click [here](#).

Electronic devices such as cell phones, smart watches, iPods, iPads, Kindles, Nooks, and other related eReaders may be used before and after school. Students may not use speakers of any kind to project their music externally. Teachers may use discretion, upon written pre-approval from the administration, to allow students to activate and use their personal devices in the instructional setting for instructional purposes only. Student phones shall be turned off, while in the classroom, unless specifically directed to use it for a class assignment.

The school wide policy on cell phones is that they are not to be in sight during instructional time. Individual teachers have established their own classroom procedures to ensure phones are out of sight during instruction. All students will adhere to the individual teacher's policy for removing cell phones from the instructional environment.

Students may not use personal computers on school grounds. They may only use school-issued Chromebooks. This is a data security issue.

The refusal of a student to surrender any electronic and/or listening devices to any school employee upon request shall be considered as disobedient or defiant and appropriate discipline shall be applied. Teachers may ask for the device and students are expected to surrender the device. If a student refuses, the teacher may write a referral and notify the main office. Teachers who confiscate a device for more than one period shall send it to the main office with the student's name on it, accompanied by a referral. The administration will call for the student. The student may lose the privilege of using the confiscated device for the remainder of the school day and he or she may pick it up in the main office from an administrator.

Parent Contact During Instructional Hours:

Parents are encouraged to call the RCHS office for emergency contact of a student or to leave an important message in lieu of texting or calling the student's phone during instructional hours.

****RCHS is not responsible for lost, stolen, or damaged personal electronic devices****

Videotaping:

Videotaping, posting to social media, and/or taking pictures, using any device are prohibited, unless assigned by a teacher. Possession and/or distribution of inappropriate materials of any type, such as but not limited to: partial or full nude photos or videos may be subject to disciplinary action and referred to the courts for criminal prosecution.

Recording and/or distributing recordings or pictures of altercations will be treated as if the recorder or distributor was a participant in the altercation. The same consequences will apply for this offense.

Cell phone video, camera/pictures usage is not allowed. RCHS reserves the right to videotape in classrooms for the purpose of evaluation. If a teacher/staff member is involved in self- or peer-evaluation, they will make an announcement several days prior the taping date. The use of camera phones is strictly forbidden at any time in private areas such as locker rooms, restrooms, dressing areas, classrooms, and offices. **Such use may also be in violation of the criminal code.**

If there is a report or suspicion of inappropriate use of an electronic device, that device is subject to search and seizure by the RCHS administration. Students who refuse to give their cell phone to a school official may be suspended for failure to comply/defiance.

Computer Software, Games, and Electronics:

Students who are enrolled in classes that will be using computers are recommended to purchase a flash drive for the purpose of saving important student documents deemed necessary by the classroom instructor. Students will **NOT** be allowed to bring "outside"

software to class for any reason. Violators will be disciplined according to the Computer User Agreement Policy.

Daily Expectations:

Hall Passes:

No student will be in the halls during classes or lunch without a pass in E-Hallpass. During the lunch period, students are to remain in the designated lunch area for the entire lunch period unless they have secured permission with an E-Hallpass to go elsewhere. Any student caught outside of the cafeteria without proper authorization may face disciplinary action..

Daily Announcements:

Administrative announcements will be delivered two (2) times during the instructional day. The morning announcements consist of the Pledge of Allegiance and the Moment of Silence which will be delivered at the beginning of the second period. Special announcements may be authorized by the administration if necessary. The evening announcements consist of announcements that pertain to clubs, athletics, fundraising, and community news, etc. Announcements must be in the office **by 2:00 P.M.** All announcements pertaining to clubs and/or athletic events will be displayed on school communication monitors throughout the campus. All announcements must be sanctioned by school officials **prior to being delivered**. Any non-school sponsored activities must be pre-approved by the Administration. **All announcements relating to non-school sponsored activities will be posted on the hallway in the commons.** Bus changes that are delivered by school transportation will be publicly announced each day.

Pledge of Allegiance/Moment of Silence:

Students at school are given the opportunity to recite the Pledge of Allegiance and to observe one minute of silence, on a daily basis, at the direction of the principal unless the student or his or her parent(s) object to participation in such exercises. No student shall be subjected to unfavorable comment or stigmatization for his or her decision to participate in or to abstain from the recitation of the Pledge of Allegiance or observance of one minute of silence. Nonparticipating students are expected to sit quietly, or to stand silently, during the Pledge or the observance of the minute of silence and to refrain from engaging in any disruptive or distracting activity. No disciplinary sanctions may be imposed for refusal to participate in saying the Pledge of Allegiance or in observing the minute of silence; however, willful disruption or interference with the exercise of pledging allegiance by others or interference with other students' exercise of their choice to meditate, pray, or engage in any other silent activity may result in the same disciplinary measures accorded to other instances of classroom disruption in school.

Field trips/School Sponsored Functions:

RDHS students may participate in school sponsored field trips and/or school sponsored functions that can occur on campus or off campus. If a student engages in inappropriate behavior while on the field trip or school sponsored function, his or her parent/guardian

may be required to retrieve them from the location of the Field Trip or school sponsored function at no cost to RCHS.

Homework:

Homework should be an expansion and enrichment of the material taught in the classroom. Homework may not count more than 10% of a student's final nine-week grade.

Make-Up Work:

Students who are absent from school will be allowed to make up work in accordance with the following guidelines. Make-up work will be accepted at a 1:1 ratio up to five days. For example, a student **absent one day** will have **one day** to make up missed assignments. A student absent **five days** will have **five days** to make up missed assignments. The length of the make-up time may be extended by the Administrative Team and the classroom teacher if there are unforeseen extenuating circumstances.

It is the responsibility of each student to request make-up work when they return from an absence. It is the responsibility of each teacher to provide make-up work or an alternative assignment when the student returns from an absence. If a teacher is unable to duplicate a lab for a student, the teacher will provide an alternative assignment as make up.

Due Dates and Late Work:

It is expected that work will be turned in complete and on time. In the event that work is late, a 10% per day late deduction may be calculated into the final grade. After 5 days, the work will no longer be accepted.

Honor Code:

The honor code, established to promote integrity within the student body, is taken very seriously and will be strictly enforced. The honor code reads as follows:

As a student at Rockbridge County High School, I will respect the rights of others, assume the responsibility for my own actions, and maintain the basic standards of personal honor. Recognizing the fundamental principles of justice and personal integrity, I pledge to uphold the virtues of the Rockbridge County High School Honor Code.

Honor Code Violations:

1. Giving or receiving help on graded assignments
2. Talking during a test or quiz
3. Plagiarism
4. Any obscenity within a written or oral project, report or work that is graded.
5. Improper use of technology during tests or assignments

Academic Integrity:

The use of Artificial Intelligence (AI) is a tool that is growing in scope and popularity, and can provide positive contributions to learning when used appropriately, responsibly, and ethically. However, the use of AI can also be detrimental to learning when used irresponsibly. Examples of the irresponsible use of AI include generating a paper or using a word scrambler to paraphrase text. The listed examples are not exhaustive of unethical uses of AI.

There are programs that can effectively detect the use of AI with less than 1% of detected uses being false positives. In the event that a student's work is flagged to be the use of AI, the student will be presented with the evidence and an opportunity to explain the writing process. On a first instance of being flagged for AI use, the student will be allowed to recreate the assigned work with a 25% deduction of points. For any subsequent offenses, the student will receive a grade of zero (0) for the assignment and a charge of plagiarism will be added to his or her student record.

Transportation:

Drivers:

Students must obtain a **parking decal for \$20.00 that must be displayed on the rearview mirror of the vehicle.** The decal will be assigned on a first come basis. There will be a replacement fee of \$10.00 for lost decals. The student and parent must sign the parking contract stating that they both understand and will adhere to the school regulations regarding the driving and parking on school property. School safety and regulations must be observed. Regulations for driving and parking vehicles to school are as follows:

1. Student parking is available for juniors and seniors with valid operators' licenses. Because there is limited student parking, special permission from the principal must be obtained for others needing to drive.
2. **Your car may be towed at the owner's expense if you are parked in a space other than your assigned one. .**
3. **Students must drive with caution and obey speeding and/or traffic regulations at all times.** The speed limit on Greenhouse Road is 25 mph. The parking lot speed limit is 5 mph. Students must operate their cars in a safe manner at all times. Violators will be subject to revocation of their driving privileges for a designated period of time at the discretion of the principal.
4. All parking lots are off-limits during school hours unless students are arriving to or leaving from school. Loitering and congregating in the parking lot is prohibited before and after school hours. Students should enter and exit the building in a timely manner. Students driving to school must enter the building at the main doors of the

front entrance of the school. Students leaving school are expected to exit the building at the main entrance of the school building as well. Anyone caught leaving or entering the building from another entrance or exit point will be subject to disciplinary action. **Unauthorized presence in any parking area may result in a one day suspension from school.**

5. Lack of cooperation with faculty and administration, or failure to purchase a parking tag and complete the required student parking form may result in the loss of driving privileges or other disciplinary action.
- 6. Driving privileges can be revoked at any time, for any disciplinary action.**
7. Student vehicles can be searched by school officials at any time.
8. Students accumulating 12 tardies or 8 absences may have their driving/parking privileges revoked for the remainder of the 2025-26 school year, with no refund.

Bus Rules and Behavior Expectations:

Rockbridge County Public Schools believes that student safety on school buses is a major priority. The RCPS Student Code of Conduct is applicable for all students on the bus while they are traveling to and from school. Students are expected to exhibit the following behaviors while on the bus:

1. Follow all instructions by the bus driver and/or bus monitor
2. Remain seated at all times while the bus is moving
3. Do not place arms, hands, head, feet, or legs outside the bus windows
4. Do not throw objects inside/outside the bus
5. Keep aisles clear
6. No profanity, loud talking, or excessive noise
7. Exhibit courteous and respectful behavior at all times
8. Students shall not possess, distribute or use any tobacco products, nicotine/vaping products or other paraphernalia
9. The school bus and bus stops are considered an extension of the school campus and as such, any code of conduct violations on the bus or at a bus stop, are subject to the same discipline actions.

***Students may be recorded by the cameras on the school bus and/or campus.**

Activity buses operate in the afternoon (Monday through Thursday) for those students participating in approved after-school activities. Departure time will be 6:00 p.m. At the conclusion of the spring sports season, the activity bus runs will end.

Morning Drop-Off/Afternoon Pick-Up:

1. Morning drop-off for students is in the main parking lot.
2. Afternoon pick-up for students is in the main parking lot. Please do not arrange drop-offs or pick-ups in the junior parking lot (J-Lot) or in the bus loop.

Food and Drink on School Property:

All food and drinks must be disposed of properly. Take pride in keeping your school clean. Only water is allowed in the classroom. Tidy snacks are allowed at the teacher's discretion.

Food Deliveries:

No food purchased by students from a restaurant is allowed inside the school. Federal school lunch guidelines prohibit such activities. This includes pizza delivery and apps such as Door Dash, Uber Eats, etc.

An exception would be a school-sanctioned pizza delivery for an approved class party, athletic team, etc, and would be arranged and ordered by the staff member in charge.

RCHS Cafeteria/Lunch:

A la carte, along with the Class A lunch, is provided for the students.

1. Lunch lines should be orderly. Breaking in lunch or snack lines will not be allowed.
2. Trays should be returned to the proper station, and trash should be disposed of in containers placed for that purpose.
3. During each lunch period, students must remain in the designated cafeteria area.
4. Students may use the restrooms with permission from a cafeteria monitor. Lunch students may only use the main hallway restrooms nearest to the cafeteria.
5. Throwing food items or objects of any nature in the cafeteria constitutes a serious safety hazard and will not be tolerated. Any student who throws items in the cafeteria will be disciplined accordingly.
6. Students are to report directly to the cafeteria for their assigned lunch.
7. Students giving or using unauthorized free or reduced lunch numbers will be subject to disciplinary action, as it is considered theft.
8. Students are expected to dispose of food properly before departing from the lunchroom. Leaving items behind such as left-over food, paper products, or trays are unacceptable. Students caught violating this expectation may be subject to disciplinary action deemed appropriate by the administration.
9. Students are required to remain seated until the dismissal bell sounds during lunch.
10. Students shall not linger at the cash register upon completing their transactions.

School Counseling:

The School Counseling Department makes available education records to parents or eligible students, to school officials responsible for record maintenance, and to others authorized for legitimate educational interests. The purpose of disclosure may include sending records to another local educational agency (when a student transfers), an employer, or other appropriate person. A signed release form is required for education information to be disclosed unless a student is transferring to another school. Parents or eligible students have the right to review education records at any time. Our school recognizes the rights of parents and eligible students to challenge the content of education records. There is a minimal charge for reproducing copies of education records if a student has graduated. Our school makes public the following directory information unless notified in writing by the end of September that any part of or all such information about the student shall not be disclosed without prior consent: (1) name of student in attendance or no longer in attendance; (2) address; (3) date and place of birth; (4) telephone listing; (5) dates of attendance; (6) participation in officially recognized activities and sports; (7) height and weight, if member of athletic team; (8) awards and honors received; and (9) other similar information.

School Counseling Program:

School counselors employed by Rockbridge County Public Schools will follow the Ethical Standards for School Counselors as developed by the American School Counselor Association.

The Rockbridge County School Board affirms that parents are the student's first teachers and that the public schools should serve to strengthen family and parental support. No student will be required to participate in any counseling program to which the student's parent objects.

For purposes of this policy, the following definitions apply:

- **Academic Counseling** - Counseling which assists students and their parents in acquiring knowledge of the curricula choices available, planning a program of studies, arranging and interpreting academic testing, and seeking post-secondary academic opportunities;
- **Career Counseling** - Counseling which helps students acquire information and plan action about work, jobs, apprenticeships, and post-secondary educational and career opportunities;
- **Personal/Social Counseling** - Counseling which assists a student in developing an understanding of themselves, the rights and needs of others, conflict resolution, and defining individual goals reflecting their interests, abilities, and aptitudes. Such counseling may be provided either: (a) in groups in which generic issues of social development are addressed, or (b) through structured individual or small group multi-session counseling which focuses on the specific concerns of the participant(s).

At least annually, parents shall be notified in writing about the academic and career counseling programs and the personal/social counseling programs which are available to students within the school division. Parents will be advised concerning the purpose, general description of the programs, how parents may review materials to be used in the programs, and procedures by which a parent may limit the student's participation in the program.

Information and records of personal/social counseling shall be kept confidential and separate and not disclosed to third parties without prior parental consent or as otherwise provided by law.

It shall be the policy of the Rockbridge County School Board with respect to personal/social counseling that parents will notify the school division in writing if the student is not to participate in the personal/social counseling program.

Counseling techniques that are beyond the scope of the professional certification or training of the counselors, including hypnosis, or other psychotherapeutic techniques, that are normally employed in the medical or clinical settings and focus on mental illness or psychopathology are prohibited.

School Counseling Services:

The School Counseling Department at RCHS is here to serve you. Your counselor is available to help you with such things as personal/school problems, academic issues, and career development. We request that you stop by the School Counseling Office and make an appointment. However, if an emergency arises, please obtain an official pass from the class teacher. In all cases, it is necessary that you let your teacher know that you are in the School Counseling Office.

Student Financial Assistance:

Students, who are in need of financial assistance for field trips, school supplies or other school related expenditures, should contact their school counselor when making a request.

Homebound Instruction:

The school will provide homebound instruction for a student facing a prolonged absence because of an accident or illness, subject to approval. Once a student is on homebound instruction, days absent from school are not counted against the twenty-day limit. Students needing homebound instruction should work through their school counselor.

Guidelines for homebound instruction include:

- **Homebound instruction is to be temporary – six weeks or fewer.**
- Eligibility will be determined by local school personnel only after certification by a licensed physician or licensed clinical psychologist. Additionally, homebound instruction may be afforded to students on a case-by-case basis as determined

by the school administration or the School Board. School personnel will determine the amount and length of homebound services.

- School officials will notify the Assistant Superintendent at the time of request for homebound instruction if the possibility exists that the duration of the request could exceed six weeks. The Assistant Superintendent will contact the certifying physician or psychologist to seek appropriate additional information about the case, including planned treatment and an expected date of return to school.
- Parents will be notified by the Assistant Superintendent of their obligation to provide regular medical and/or psychological progress reports if homebound instruction is to continue beyond a temporary time period.
- Secondary students on homebound instruction beyond temporary status must expect a change in their course schedule. ***The maximum number of credits that can be earned by secondary students receiving homebound instruction beyond temporary status is four (4).***
- School administrators, counselors, and homebound teachers will evaluate a student's academic progress and award appropriate grades and credits.

Student Withdrawal Process:

Students withdrawing from RCPS are to initiate this process with their counselor. All books and equipment must be returned to the school upon departure.

Testing Program:

Tests and inventories are a part of the educational program. The purposes of these tests vary, but the main reason for the testing is to give students more information about themselves – their achievement level, their aptitudes, and their interests. Each counselor helps students understand the results of each test they take. Each test should help students make or adjust plans for high school and for the future.

Grading:

Report Cards and Progress Reports:

Report cards reflect student progress and grades are reported numerically. A final grade of "60" or better at the end of the year is required to receive credit for the class. The final grade is determined by the numeric average of the two semester grades. Progress reports are issued to all students at the midpoint of each nine- weeks. Report cards will be distributed in the following months: **October, January, and March.**

The last nine-week report will be mailed within 5-days from the last day of school, unless the student has failed to turn in a library book, text book, or has otherwise failed to meet a financial obligation to the school.

Grading Scale/Grade Point Average/Class Rank:

Class rank and grade point average are cumulative and are calculated on the basis of all final year grades for courses taken in grades 9-12, including summer school. Students are ranked at the end of each year beginning with ninth grade. The students having the highest and next highest grade point average at the time of graduation and have attended RCHS for three out of the last four semesters are the valedictorian and salutatorian, respectively. The valedictorian and salutatorian must earn an Advanced Studies Diploma.

RCHS has a 4.0 quality-point grading scale. Quality points are assigned to numerical values for the purpose of determining a numerical average. Quality points are assigned to grades earned in all courses for which credit is received as follows:

Numeric Score	QP A	Numeric Score	QP A	Numeric Score	QP A	Numeric Score	QP A	Numeric Score	QP A
100	4.0	91	3.7	82	2.8	73	1.9	64	1.0
99	4.0	90	3.6	81	2.7	72	1.8	63	0.9
98	4.0	89	3.5	80	2.6	71	1.7	62	0.8
97	4.0	88	3.4	79	2.5	70	1.6	61	0.7
96	4.0	87	3.3	78	2.4	69	1.5	60	0.6
95	4.0	86	3.2	77	2.3	68	1.4	59	0.0
94	4.0	85	3.1	76	2.2	67	1.3		
93	3.9	84	3.0	75	2.1	66	1.2		
92	3.8	83	2.9	74	2.0	65	1.1		

At RCHS, certain courses are weighted to reflect course difficulty for the purpose of establishing an equitable and fair class rank. Thus, Honors courses are weighted by applying an additional 0.5 quality point to the value assigned to the semester grade (except in the case of an "F"). Dual enrollment and AP courses are weighted with an

additional 1.0 quality point value assigned to the semester grade (except in the case of an “F”). The grade-weighting policy for Rockbridge County High School is intended to provide an incentive for students to accept the challenge of advanced coursework. All other courses are included in class ranking on an equal basis.

RCHS Grading Scale:

A	90-100
B	80-89
C	70-79
D	60-69
F	0-59

Graduation Information and Requirements:

There are several diploma options available for your son/daughter. The graduation requirements for a student are those that are in place the first time they enter high school as a ninth grader. Graduation requirements and course information are outlined in our [Program Of Studies](#) (online or available in the School Counseling office). **For a copy of the full text of the Standards of Accreditation, visit VDOE online: [Standards of Accreditation](#)**

End-of-Course SOL Assessments:

SOL Assessments are created for the Commonwealth of Virginia. Tests are based on prescribed Standards of Learning (SOL) and are given in the following courses:

English	Mathematics	Science	History/ Social Sciences
English 11 <i>Reading</i>	Algebra I	Earth Science	World Geography
English 11 <i>Writing</i>	Geometry	Biology	World History II
	Algebra II	Chemistry	US/VA History

There are three (3) scoring categories for these tests:

- Fail (0-399)
- Proficient (400-499)
- Advanced Proficient (500-600)

Substitute Assessments:

Tests approved by the State Board of Education that enable students to earn verified units of credit. For a complete list of these tests, please contact your child’s school counselor or view them at: [Substitute Tests](#)

Student-Selected Tests:

Tests may come from any of the following:

- any End-of-Course SOL test that is not already satisfying a required verified credit; or
- tests in computer science, technology, or other areas as prescribed by the State Board of Education; or
- Substitute tests approved by the State Board of Education.

Credentialing Exam:

Students who are pursuing the Standard Diploma option are required to have successfully completed a Credentialing Exam or Occupational Competency Assessment.

Graduation/Commencement Guidelines:

In order for a student to participate in the graduation commencement ceremony, all graduation requirements must be satisfied according to the guidelines outlined by the Virginia Department of Education and Rockbridge County School Board. This includes satisfying all academic and financial obligations prior to the ceremony. If a student fails to comply with this directive, they will be prohibited from participating in the graduation ceremony. We encourage all spectators attending the graduation ceremony to refrain from the use of bull horns, air horns, or other loud noise devices as it can interfere with special needs students and it diminishes the reverence and decorum of the service.

Graduation Distinctions:***Principal's Scholars:***

Graduates who earn a 4.0 or above will be designated honor graduates at the graduation ceremony. These students will be identified with a purple cord.

National Honor Society:

National Honor Society (NHS) members in good standing receive an NHS emblem on their diploma, display silver stoles at graduation, and are recognized in the graduation program.

Honor Graduates:

Students who achieve a cumulative grade point average of 3.0 or higher wear silver tassels.

Honor Roll:

There is an Honor Roll for each nine-week grading period and for each semester. Students who have grades consisting of a "B" or higher for the grading period or semester will be on the Honor Roll, unless they have an incomplete grade. Students must be taking at least four courses to be on the Honor Roll.

Exam Exemptions:

Senior Exam Exemptions:

Seniors shall be excused from their second semester exam in a given subject if **both** of the following occur:

- 1) An average grade of "80" or better earned in a particular course from the beginning of the year through the end of the fourth nine-week grading period
- 2) four (4) or fewer accumulated total absences in a particular course.

If a senior is enrolled in an SOL course, then they must earn an SOL score that garners them a verified credit for the course. If students are not required to take an SOL then they must meet one of the two objectives above.

Underclassmen Exemptions:

Students are exempt from exams if a student passes the End of Course Exam for State or Federal Accountability in applicable courses. These are:

Social Studies: World History I, World Geography*, Virginia and US History, World History II*

Math: Algebra I, Geometry, Algebra II*

Science: Earth Science, Biology, Chemistry*

English: English 11 (Writing/Reading)

Sequential classes are not exempt from taking a final exam. Some students may need to take an additional EOC exam* to meet graduation requirements. Should this happen, they would be exempt from that course's final exam if they pass the EOC exam. Those not needing to take additional EOC exams to meet graduation requirements are expected to take the final exam.

In addition: Underclass students must have a yearly average of 90% in the course **and** 4 (or less) total absences for the class to be exempt. AP and Dual Enrollment classes may have different requirements.

Family Life Education HB 2205:

Family Life Education will be offered in grades nine and ten through the health classes. This program is a vital supplemental reinforcement for parents. The Rockbridge County Family Life program is based on a concept of understanding and development. Objectives and lesson plans are available for parental review.

Parental Responsibilities:

Excerpted from the Code of Virginia (1950), as amended. Section [22.1-279.3](#).

“Parental responsibility and involvement requirements:

Each parent of a student enrolled in a public school has a duty to assist the school in enforcing the standards of student conduct and attendance in order that education may be conducted in an atmosphere free of disruption and threat to persons or property, and supportive of individual rights.

A school board shall provide opportunities for parental and community involvement in every school in the school division.

Within one calendar month of the opening of school, each school board shall, simultaneously with any other materials customarily distributed at that time, send to the parents of each enrolled student (i) a notice of the requirements of this section, and (ii) a copy of the school board’s standards of student conduct. These materials shall include a notice to the parents that by signing the statement of receipt, parents shall not be deemed to waive, but to expressly reserve, their rights protected by the constitutions or laws of the United States or the Commonwealth and that a parent shall have the right to express disagreement with a school’s or school division’s policies or decisions. Each parent of a student shall sign and return to the school in which the student is enrolled a statement acknowledging the receipt of the school board’s standards of student conduct and the notice of the requirements of this section. Each school shall maintain records of such signed statements.

The school principal may request the student’s parent to meet with the principal or his designee to review the school board’s standards of student conduct and the parent’s responsibility to participate with the school in disciplining the student and maintaining order, and to discuss improvement of the child’s behavior and educational progress. In accordance with Section 22.1-277 and the guidelines required by Section 22.1-278, the school principal may notify the parents of any student who violates a school board policy when such violation could result in the student’s suspension, whether or not the school administration has imposed such disciplinary action. The notice shall state (i) the date and particulars of the violation; (ii) the obligation of the parent to take actions to assist the school in improving the student’s behavior; and (iii) that, if the student is suspended, the parent may be required to accompany the student to meet with school officials.

No suspended student shall be admitted to the regular school program until such student and his parent have met with school officials to discuss improvement of the

student's behavior, unless the school principal or his designee determines that readmission, without parent conference, is appropriate for the student.

Upon the failure of a parent to comply with the provisions of this section, the school board may, by petition to the juvenile and domestic relations court, proceed against such parent for willful and unreasonable refusal to participate in efforts to improve the student's behavior, as follows:

1. If the court finds that the parent has willfully and unreasonably failed to meet, pursuant to a request of the principal as set forth in subsection 4 of this section, to review the school board's standards of student conduct and the parent's responsibility to assist the school in disciplining the student and maintaining order, and to discuss improvement of the child's behavior and educational progress, it may order the parent to so meet; or
2. If the court finds that the parent has willfully and unreasonably failed to accompany a suspended student to meet with school officials pursuant to subsection 6, or upon the student's receiving a second suspension or being expelled, it may order the student or his parent to participate in such programs or such treatment as the court deems appropriate to improve the student's behavior, or the student or his parent to be subject to such conditions and limitations as the court deems appropriate for the supervision, care, and rehabilitation of the student or his parent. In addition, the court may order the parent to pay a civil penalty not to exceed \$500. The civil penalties established pursuant to this section shall be enforceable in the juvenile and domestic relations court in which the student's school is located and shall be paid into a fund maintained by the appropriate local governing body to support programs or treatments designed to improve the behavior of students as described in subdivision (ii) of subsection 7. Upon the failure to pay the civil penalties imposed by this section, the attorney for the appropriate county, city, or town shall enforce the collection of such civil penalties.
3. All references in this section to the juvenile and domestic relations court shall be also deemed to mean any successor in interest of such court."

Disciplinary Guidelines:

Rockbridge County Public Schools is committed to working with parents and utilizing school wide systems to teach, model, and reinforce positive conduct. When students do not demonstrate expected conduct or engage in misconduct that creates a disturbance in the learning environment, or unsafe conditions for others in the school, a range of interventions and consequences are utilized. Under the *Code of Virginia*, certain misconduct is expressly prohibited on school property, buses, and during school-sponsored activities and may result in prescribed consequences. Other misconduct may result in interventions and/or disciplinary consequences determined by the principal, taking into consideration all relevant factors.

Student Rules and Regulations:

Students have the responsibility to live by the school rules and regulations and the right to equal protection under the rules and regulations. It is the students' responsibility to obey all school rules and regulations. Rules and regulations are necessary to assure self-control and to protect the rights of all teachers/substitutes to teach and of all students to learn without disturbance.

It is impossible to write an "all inclusive" policy; therefore, these guidelines are subject to modifications as circumstances, evidence, and discretion dictate. The same rules and regulations shall apply for all students whether on our school campus, at a school event, on another school campus, and on school sponsored field trips.

Suspensions:

Students must make up all written work, tests, and quizzes missed during a suspension. The number of days allowed for make-up work to be completed will be determined by the length of suspension. For example, upon return from a two-day suspension, the student will have two days to complete all make-up work. **The maximum allowable time for making up work missed during a suspension that exceeds five days will be five days.**

All written assignments given prior to a suspension that are due at any point during the suspension are due the day the student returns to class. Also, any assignment given prior to a suspension that has a due date the day the student returns to class must be turned in on the first day that the student returns from suspension. It is expected that students who are suspended will communicate with their teachers and will continue to complete assignments while they are suspended.

Students making up tests, quizzes, or assignments designed to be completed in class or in a specific amount of time may be requested to come to school early, stay after school, or even complete the work in an alternative setting. It may not be possible for some work (i.e. lab work, physical education activities, group work) to be made up during class time; however, individual teachers may choose to allow such make-up work or provide alternate assignments as long as they extend this privilege to all students consistently.

Pathways Suspension Center:

The Rockbridge Pathways Suspension Center is a RCPS program housed on the campus of Fairfield Elementary School and is designed to assist students with their schoolwork during short-term out-of-school suspensions (3-10 days length). Should a student receive a short-term out-of-school suspension (3-10 days length), they will be required to complete 1-8 days at the Pathways Suspension Center prior to returning to their regular placement and schedule at RCHS.

Pathways Academy:

The Rockbridge Pathways Academy is an alternative education placement located on the campus of Fairfield Elementary School and is designed for students that need an alternative education environment to be successful. Assignment to the Pathways Academy is based on student need and the discretion of RCHS and RCPS administration.

Poor School Standing (Social Probation):

RCHS students are expected to come to school on time, attend consistently, and remain in school for the entirety of the school day. Failure to attend school consistently, for the entirety of the day, and attend class on time will place a student in Poor School Standing (PSS). Being in PSS may result in denial of participation in school related events and field trips, as well as disqualification from end of year academic recognitions, awards,

and scholarships. A student who experiences a significant health or family event during the school year will be addressed on an individual basis by RCHS Administration.

RCHS Definition of Social Probation:

A student placed on Social Probation may not attend or participate in any extracurricular activities (including field trips, all VHSL activities, school dances, etc.) nor be on school property other than the regular school day. The student may not be permitted to participate in extracurricular activities that occur during the school day. Examples; field trips, pep rallies, field days, etc. The student will not be permitted to drive to school during that time. **Administration reserves the right to adjust assignments and limitations regarding social probation.**

Social Probation Discipline Consequence Chart:

- If a student accumulates 1-5 days of ISD:
 - Student will receive standard discipline and a warning of social probation for future infractions
- If a student accumulates 6-10 days of ISD:

Appeals:

If a parent feels that his or her child has been denied his rights for any reason in this school division, he or she may call this matter to the attention of the school principal. If the parent is not satisfied with the action taken by the principal, an appeal may be made to the Superintendent or his designee of schools and finally to the school board.

School Resource Officer:

The goals of the School Resource Officer (SRO) are to assist in providing a safe learning environment; establish positive relations among law enforcement, students, and staff; and assist students in counseling and referrals. The SRO has three different roles in the school: (1) as a police officer who is responsible to enforce state and local laws; (2) as a law-related counselor who works closely with the Guidance Department staff to refer and participate in student counseling; and (3) as a law-related teacher who will share expertise in the classroom on law-related topics and in answering questions outside the classroom.

Searches:

The principal or designee may search a student's person, purse, book bag, locker or vehicle if the administrator has reason to suspect the presence of articles or materials injurious to the best interest of the school. Lockers and other storage facilities are subject to periodic searches by school officials, and at the discretion of the administration, local law enforcement agencies may assist with searches. Members of the Regional Drug Task Force will visit RCPS schools at various times during the school year. Drug dogs may accompany the task force.

In-School Detention/ISD Regulations:

The In-School Detention (ISD) program allows for the retention of students within the school during the normal school day and attempts to modify students' conduct. Assignments will be made only for certain offenses and as a consequence for an assertive discipline referral. The operational procedures for the ISD program are as follows:

1. Students will be assigned to the program by the administrative staff and parental contact will be made by telephone.
2. Students will work on appropriate class assignments submitted by their teachers.
3. Students will be isolated from their peers and expected to comply with all school rules and regulations.
4. Students who fail to comply with the expectations of the ISD supervisor may be required to serve additional time or risk being removed for out-of-school suspension.
5. An ISD suspension will correspond to the length of the student's day.

The following is a list of rules and regulations that students in ISD must follow.

Violations may result in extra days of In-School Detention (ISD), After-School Detention (ASD), or Out-of-School Suspension (OSS).

1. Students will be assigned to the program by the administrative staff as needed. Excessive referrals may result in Out of School Suspension/OSS.
2. Students will report to the ISD room no later than 8:30 A.M.
3. Bring pencils, paper, Chromebook, and textbooks.
4. Remain quiet.
5. Remain in the assigned seat.
6. No snacks, beverages (besides water), or gum are allowed in the ISD room.
7. Continuous study is mandatory.
8. Students will not be allowed out of ISD unless approved by administration.
9. All ISD students must surrender all electronic and/or communication devices to the ISD supervisor upon entering the ISD room. **Any student who violates this expectation will serve the balance of their ISD time in Out-of-School suspension.**
10. **ISD Coordinator may refer students to an administrator for immediate Out-of-School suspension for failure to comply with ISD regulations**

All assignments are expected to be completed prior to returning to class. A zero may be given by the classroom teacher for all incomplete work.

Lunch Detention/Working Lunch Regulations:

1. Report immediately to the lunch-detention assigned classroom prior to the tardy bell.
2. Remain seated and quiet for the entire lunch period.
3. Lunch will be consumed in assigned area
4. Students that are assigned to Lunch Detention will not be permitted to use their cell phones during lunch.
