TMSA TRIAD ES — GREENSBORO

Dismissal Procedures

Overview

This year, we are excited to implement a new dismissal process designed to make the end of the school day more efficient for everyone. Our goal is to reduce dismissal time from as much as 75 minutes to approximately 25 minutes, allowing students to get home sooner while providing our staff with more time to support learning and enrichment opportunities during the school day.

As we transition to this improved process, we kindly ask for your patience, cooperation, and adherence to the dismissal procedures outlined below. Working together will help ensure a safe, smooth, and successful dismissal for all students and families.

Dismissal Locations
