FINAL EXAM
October 7th

Session I

8/17/26 - 10/7/26

What is School Plus?

School Plus is a system that allows you to complete courses to make up credits you may have not been successful in previously. You can work through the content on your own outside of school. This can help keep you on track for graduation.

Important Points

- You must complete unit tests and the final exam while being proctored by a teacher. **You may not complete unit assessments or the final exam at home.**
- Unit Tests and the Final Exam must be completed on your School Issued Chromebook.

Testing will be done in Lab C208 on the following dates:

August 26th, September 9th, September 23rd, October 7th

Testing sessions will be after school from 2:30 PM to 3:30 PM.

Academic Honesty

The system does have plagiarism and AI checking abilities. It is essential that the work you produce is your work. Failure to adhere to this expectation can lead to disciplinary consequences.

Who are the Teachers-of-Record?

Language Arts	Ms. Alex - B106	Angela.Alex@gcpsk12.org
Math	Ms. Partee - C201	Sara.Partee@gcpsk12.org
Science	Ms. Gann - A227	April.Gann@gcpsk12.org
Social Studies	Ms. Warner - B215	Alayna.Warner@gcpsk12.org

“What do I do when...?”

- “I am ready for a unit test.” - You can do one of the following things when you are ready to take a unit test.
 - Email the teacher of record to set a time for them to proctor your test
 - Email Ms. R. Smith (C207 or at Rori.Smith@gcpsk12.org) to set a time for them to proctor your test

Tests must be unlocked and proctored by a teacher; you cannot complete unit tests or the final exam at home.

- “I am done with the course and ready to take my final exam, but it is not the last day yet.” - You are able to have your final exam proctored early. Just follow the same directions as above, and let the teacher know it is your final exam.
- “I need help with the content I am working on.” - Each teacher-of-record is currently teaching in the subject they are assigned to. You can ask them for assistance with material, or you can work on the material with your own teacher for that subject.
