Birthday Snacks

In an effort to promote health and wellness, snacks from home (provided by either student or teacher) will not be distributed in the classroom. For special celebrations, each student may bring in their own special snack but not a supply to distribute and share. An option for families to consider is ordering items through our cafeteria. Student Nutrition can order any of the items below for parents to purchase for classroom celebrations.

***** The Student Nutrition Manager will need to have a minimum of 15 business days notice in order to ensure availability.*****
